CANADA TO PARTICIPATE IN EMPIRE EXHIBITION

Will Have an Imposing Structure—Railways Also to Have Buildings.

Ottawa, April 27.—All the plans for Canada's participation in the British Empire exhibition to be held in London, England, from April 20th to Oct. 31st next year, are practically completed. It is announced. The Dominion government will erect its own building—an imposing structure in Neo-Grec architecture—on a commanding site in Wembley Park, where the exhibition is to be held. Work on the erection of the building will commence this summer, and every last detail linked with this great enterprise will be completed by the time the exhibition is opened to the public.

The building will be 415 feet long and 300 feet wide, with a floor space of 124,500 square feet, and in it, through the medium of attractive displays and exhibits, visitors will have an opportunity to learn in an impressive way something of the extensive natural resources of Canada, the products of the soil, and the wide range of manufactured goods made within the Dominion. The resources and products of each of the nine provinces and the two territories will be displayed. The Canadian exhibit is to be financed, controlled and directed by the federal government. The estimated cost is \$1,000,000.

On the same site as the Canadian government building will be two additional separate buildings, to be built by the Canadian National Railways and the Canadian Pacific Railway, each with a floor space of approximately 10,000 feet. In these buildings Canada's two great transportation organizations will show the resources and attractions of the country served by their railway lines. Plans for all three buildings have been approved by the Dominion government and the official architects for the exhibition. When completed these structures will be so prominently located as to be readily seen from any part of the spacious grounds set apart for the exhibition.

Every part of the British Empire will be represented at this exhibition, to which it is expected millions of people from all parts of the world will go.

Wembley Park has been chosen as the site of the exhibition on account of its accessibility from all parts of London. Also the trains from the north connect directly with the park. It is only fifteen minutes ride by the tube from Trafalgar Square, the most central point in the metropolis of the empire.

PREPARING TO DO ROAD CONSTRUCTION

Highway From Kingston to Napanee to Be Finished This Summer.

McGinnis & O'Connor, who have a large road contract in the vicinity of Odessa, have a number of men employed getting the machinery in readiness for the commencement of construction to be done this season.

The piece of roadway which connects up with the provincial highway at Morven, and was built by these contractors last year, is in splendid condition. The work now to be done will complete a stretch of twenty-three miles of provincial highway between Napanee and Kingston.

The road builders are getting an excellent supply of stone from a quarry, located at Odessa, and this stone will be used on the Kingston end of the work, while a second quarry, near Morven, furnishes material for that part of the job.

Kingston is indeed fortunate in having road builders of the calibre of McGinnis & O'Connor. This firm is out to do the work in the best manner and as quickly as possible.

After an illness extending over a fortnight, Mrs. Johnson, beloved wife of W. A. Johnson, Carleton Place, passed away on Sunday last, of pneumonia.

HAD CONSTIPATION FOR SIX MONTHS, WAS RELIEVED BY

Milburn's Laxa-Liver Pills

A free motion of the bowels daily should be the rule of everyone, then there will be no constipation, sick or bilious spells, heartburn, foul breath, sour stomach, etc.

Milburn's Laxa-Liver Pills will regulate the flow of bile to act properly on the bowels, thus making them active and regular, removing the constipation and all its allied troubles.

Mrs. R. C. Hunt, Port George, N. S., writes:—"I have been troubled by being constipated for the last six months.

My tongue has been terribly coated, so much so that it made my breath bad. I was talking to a friend about it, and she advised me to use Milburn's Laxa-Liver Pills, which I did, and now I am perfectly well. My tongue is as smooth as it was before I got that way, and I owe it all to your Pills, of which I only used two vials."

Price 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

PRESENTATIONS MADE.

To the Trainers for the Fine K. C. I. Performance.

A fair-sized audience was present at the Grand Opera House, on Thursday evening, when the boys and girls of the Kingston Collegiate Institute repeated their gymnastic exhibition, given on Saturday evening last. The programme was well presented and the performers are to be congratulated on the manner they acted their parts.

The girls were trained under the direction of Miss Marjorie Fair, and Capt. H. E. Law had charge of the boys.

As a mark of appreciation a presentation was made to Capt. Law, Miss Edwards, one of the teachers at the school who assisted in the training, was presented with a bouquet of flowers by some of the first form girls.

The Late Mrs. Dignem.

Wolfe Island, April 25.—A gloom was cast over Wolfe Island when on April 20th Mrs. Thomas Dignem, died very suddenly at the age of seventy-two years. The late Mrs. Dignem was a life-long resident of the island, a devout member of the Sacred Heart church, a kind wife and mother, and an ever ready friend to the needy by acts of kindness and generosity. She leaves to mourn, her husband and six children: Mrs. W. McDonald, Toronto; H. J. Dignem, Brandon, Man.; Mrs. F. V. Alaire, Thomas, Jr., William and Harold Dignem, Wolfe Island; three sisters, Sister Francis Borgia, Convent of Notre Dame, Boston, Mass.; Mrs. Peter Lafleur, Kingston, and Miss Hannah Lynn, Wolfe Island; also one brother, John. She often spoke with pride of her nephews and nieces who gave their life services to the Glory of God. Rev. Father R. J. Coyle, Kingston, Sister Mary Humblin, Windsor, Sister Claudia, Brockville, Sister Agnes and Sister Lafleur, in the Hotel Dieu, Kingston.

The many spiritual offerings from friends and relatives and a beautiful floral wreath from the family showed the esteem of those who loved her in life and remembered her in death. The funeral to the Sacred Heart church on Monday was largely attended. A solemn requiem mass was sung by Rev. Father McKiernan, assisted by Rev. R. J. Coyle, for the happy repose of her soul, after which the remains were placed in the vault to await interment in the family plot. The pall bearers were George Niles, John Flynn, George Rattray, Stewart Murphy, George Lafleur and F. V. Alaire.

The steamer Gatland was held up on Thursday and will not clear for Toronto until the end of the week. The steamer Brockville will be floated from the Davis drydock on Saturday, after undergoing considerable repairs. She will start her summer schedule next week. There is great activity at the Collingwood drydock, and the repairs on the steamer Keynor and the Car Ferry Ontario are being rushed to completion. The schooner Granger is engaged in drawing hay from Wolfe Island to Kingston for shipment. It is expected that the majority of the vessels quartered in the harbor will leave around the 1st of May.

A Choice Honor. Principal R. Bruce Taylor, Queen's University, has been made an honorary member of the Bay of Quinte Yacht Club. Incidentally Dr. Taylor stated that to his mind, ahead of academic degrees was this honor, symbolic of fun and play, which is preferred because it is furthest from academic work, by which Dr. Taylor makes his living, and which he naturally wishes to forget at times.

Dr. John R. Stone, philanthropist, is dead at Parry Sound.
