## BOILS

Made Him Sick and Miserable

Mr. Richard Zalenzoski, McLean, Sask., writes:—"I had been suffering continuously, with boils, for three years, and during that time I tried many different remedies without any success whatever. In spite of all my efforts I was compelled to go to the hospital. This was in the fall of the year, and right in the busiest time of the season. Upon my return home I just took about two weeks until my neck and arms were again occupied by the boils which made me feel very sick and miserable.

One day one of my friends advised me to try Burdock Blood Bitters, and after I had used less than two bottles I was very much surprised at the result.

It is now over two years since I got in touch with B. B. B., and I have had no bother with boils since. I will recommend it to all persons suffering from any defect in the blood."  
B. B. B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
