MRS. R. O. JOLLIFFE CHOSEN PRESIDENT

At Annual Meeting of W.M.S. of Sydenham Street Methodist Church.

At the annual meeting of the Women's Missionary Society of Sydenham Street Methodist Church, held on Friday afternoon, Mrs. R. O. Jolliffe was elected president for the ensuing year. The other officers elected are:

Honorary president, Mrs. E. A. Muirhead; first vice, Mrs. W. S. Gordon; second vice, Miss D. G. Chown; third vice, Mrs. R. S. Graham; recording secretary, Mrs. Walter J. Cooke; corresponding secretary, Mrs. J. A. Miller; treasurer, Mrs. W. M. Campbell; stangers' secretary, Mrs. F. Pound; superintendent of Christian stewardship, Mrs. M. E. Lyon; superintendent of mission circle, Miss Minnie Anglin; pianist, Mrs. G. S. Lyons; convenor of supply committee, Mrs. Bloomfield; convenor of social committee, Mrs. Frank Anglin; press reporter, Mrs. F. B. Pense; light bearer, Mrs. M. R. Davis; delegate to branch meeting, Mrs. R. O. Jolliffe, with alternate, Miss Minnie Anglin. Miss Hattie L. Chown was appointed to audit the books.

Dr. R. H. Bell presided for the election of officers.

The meeting was opened in the usual manner with the president Miss D. G. Chown in the chair. Mrs. W. S. Gordon led the devotional exercises, followed by prayer by Dr. Bell. The annual reports were then read, showing splendid work during the year. The treasurer's report showed that \$1,000 had been raised. When the mite boxes were opened, it was found that the sum of \$200 had been realized in this manner.

During the course of the programme Mrs. J. G. Dunlop gave an interesting reading, and Mrs. R. O. Patterson rendered a much appreciated solo. A missionary exercise, showing the importance of the mite boxes, was given by Mrs. R. O. Jolliffe, Mrs. F. W. Coates, Mrs. W. W. Gibson, Mrs. Walter Cooke, the Misses McIntyre, Mrs. Harold Day, Mrs. (Prof) Walker. This proved to be very interesting and was greatly enjoyed.

On motion of Mrs. S. Campbell, a hearty vote of thanks was extended to the retiring officers.

Mrs. T. M. Asseltine, president of the Women's Association, stated that the association is having a campaign to increase the membership, and asked as many as possible to enlist. She also spoke of the need for workers for the Red Cross society, which is now busy making pads for the typhoid sufferers at CcAhrane.

At the conclusion of the meeting tea was served and a social half hour spent.

SATURDAY'S MARKET

Falling Off In Attendance But Good Offering of Produce.

Saturday morning's market was much below the mark set by those of last Saturday and that of two weeks ago in size, but a splendid variety of seasonal produce was offered to buyers. Prices remained about the same as a week ago, with a few cents conceded by vendors on most of them around noon hour.

General prices were: Lamb, 20c to 25c per pound; veal, 9c to 15c per pound; pork, 18c to 20c per pound; chickens, \$1.50 to \$2.00 per pair, fowls, \$1.50 to \$2.00 each. One thirteen-pound turkey made its appearance at 35c per pound. Eggs went at 30c per dozen, as a rule and butter was generally at 40c per pound. Potatoes brought 90c and \$1.00 per bag and seedling potatoes 60c per bushel. Maple syrup was \$2.00 per gallon and the sugar 5c per cake or 35c per pound.

In the greens, prices were: Spring onions 10c a bunch; cabbages (new) 25c per head; rhubarb 18c per bunch; celery, 20c to 25c per head; lettuce 10c to 20c per bunch; carrots, 10c per bunch, beets, 2 bunches for 25c; cucumbers, 20c each. The usual attractive array of flowers was on hand.

Penitentiary Debate.

The Portsmouth penitentiary inmates attending the prison school held their fortnightly debate on Friday afternoon. A. D. McConnell acted as chairman, and the arrangements were carried out under the direction of Mr. Coffee, schoolteacher.

The subject was, "That charity causes more misery than it relieves." Two of the inmates presented arguments, and the decision was given in favor of the negative.

Dr. R. Bruce Taylor, principal of Queen's University was an interested spectator.

Arrangements have been made to begin early in the summer the building of the new structure that is to house the American Club of Shanghai.

MCALLUM—In Kingston, on April 26th, 1933, William W. McCallum. Funeral (private) from his sister's residence, Mrs. A. G. Simmons, 225 University Avenue, Monday, April 30th at 10 o'clock.

IN MEMORIAM.

In loving memory of our dear mother, Mrs. William Dillion, who passed away April 23rd, 1933.

We watched her suffer day by day, It caused us bitter grief, To see her slowly pine away And could not give relief.

The heavenly gates were open wide, A loving voice said "Come," And with farewell unspoken She gently entered home.

This day brings back sad memories Of one who is gone to rest And those who think of her to-day Are those who love her best.

Sadly missed by husband and children.

CARD OF THANKS

Mrs. Dunn and family, 119 William Street, wish to thank their many kind friends for their expressions of sympathy during their recent sad bereavement in the loss of a kind and loving husband and father.

Late J. A. Goodfellow, Parham. Word was received in the city of the death at Parham Saturday morning of John A. Goodfellow, a prominent dealer in automobiles, and who was widely known throughout Frontenac county. The deceased had been in falling health for several months. For many years he kept a general store at Tichborne before taking up the sale of automobiles. He was a Presbyterian and a Conservative. His wife and one child survive.

TWO SITES POSSIBLE.

For Location of Auto Tourists Camp—Council to Decide.

The executive of the Kingston Automobile Club met on Friday evening. The important matter engaging attention was the selection of a tourists' camp site. Much time has been spent in investigating proposals. Two places appear to be in favor. One in the property known as "Heathfield," just beyond the Bath Road and outside the city limits, and the other is at Kingston Junction, on the Montreal road, before it enters the subway. It is also outside the city.

It is now intended to ask the city council to provide a site, the above two places being named as possible sites.

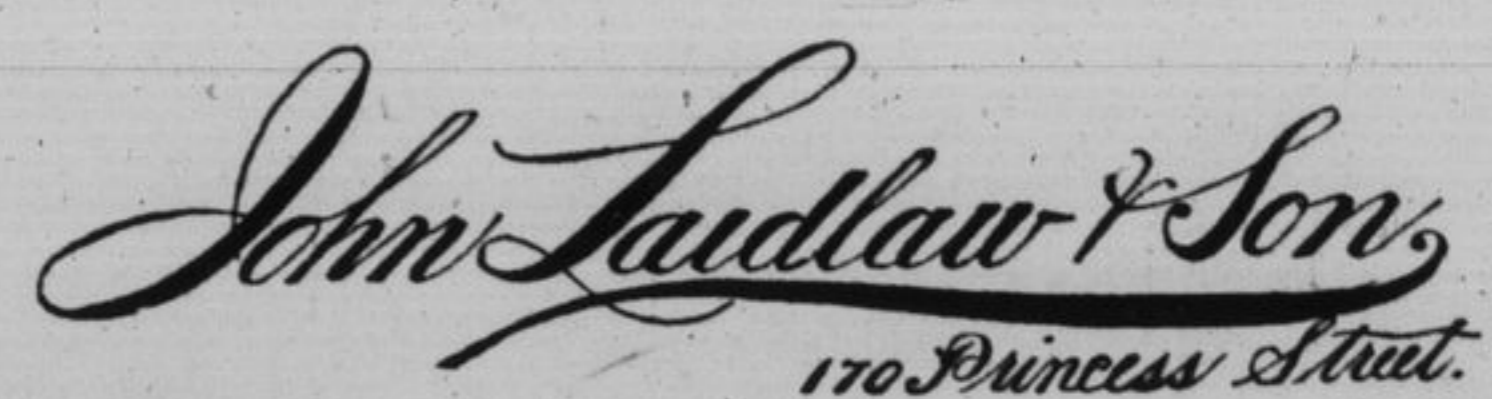

IN MARINE CIRCLES

The local staff of the Canada Steamship Lines will be established in their summer offices on Swift's wharf in a few days in order to handle the arrivals and departures of these vessels.

Prominent marine men state that 1933 should set a record in freight and passenger traffic, and at least it should show a substantial increase over the years since the trade slump in 1920.

The two local drydocks will be rushed with work for some weeks yet and many orders are awaiting completion at these busy "boat hospitals."

We clean your carpets by vacuum and re-lay, saving you all trouble and bother. H. Milne, 272 Bagot Street, phone 542.
