OUTSTANDING SPEAKER FOR THE ROTARY CLUB

John Nelson Will Deal With Oriental Question at Friday's Meeting.

The members of the Kingston Rotary Club, at their meeting to be held this week on Friday evening, at 6:30 in the British-American hotel, will have an outstanding speaker, in the person of John Nelson, who was for many years editor and publisher of the Vancouver World, and who is regarded as probably the foremost authority on the problem of oriental immigration to this country.

Mr. Nelson is at present on the staff of MacLean's Magazine, writing a series of ten articles entitled, "The Problems of Our Provinces." Just recently Mr. Nelson gave an address before the Empire Club, in Toronto, and his address created much favorable comment.

The address of Mr. Nelson, dealing as it will, with the oriental problem, will provide a fine treat. President Guild of the Rotary Club, has extended an invitation to members of the Canadian and Kiwanis clubs to attend the meeting of the club and hear the address.
