THE CUP FINAL GOES TO THE R.M.C. STAFF

Defeated 4th Hussars Two Goals to Zero in Game Saturday.

The cup final of the Kingston and District Football Association was played at Queen's Lower Campus on Saturday afternoon with R.M.C. Staff winning from 4th Hussars by the score of 2 to 0.

It was mainly a case of condition and pep. Individually the Hussars were good and for the first ten minutes the outcome could not be seen.

Watson, centre forward for the Hussars, was a bad man had he been played to, but his team-mates failed to send him away and Staff watched him closely all the while.

The association is very much indebted to the Queen's authorities for the use of the lower campus for this game.

The teams: R.M.C. Staff

NON-STOPPS.

Johnny Wilson holds the non-stop dodging record among the prize-fighter champs. Weeds holds the non-stop growing record. Ed. Roush holds the non-stop spring hold-out record.

BROOKLYN'S BUY.

Give Ray French Ten Thousand Bonus For Signing. Shortstop Ray French of the Vernon Club of the Pacific Coast League, who was declared a free agent several days ago by Commissioner Landis, has accepted an offer to play with the Brooklyn Nationals.

The new row of seats at the cricket field makes the place look more business like but we express the hope that the netting in front of the press box is strong and durable.

KINGSTON SENIORS TRIM HUSSARS 17-3

Local Baseball Season Opened on Saturday and Fans Delighted.

The Kingston seniors of the Central Ontario League demonstrated on Saturday afternoon that they are a heavy slugging outfit when they collected a total of 14 hits off three Hussar pitchers and registered rather an easy win over their intermediate opponents, the final score being 17 to 3.

The exhibition was really a good game to watch, especially as the fans were willing to "listen in" on almost any sort of ball, so hungry were they for baseball.

Curran started on the mound for the Hussars, but he was away off color, although he was allowed plenty of time to settle down. He was finally removed in favor of Fenwick, but not before considerable damage had been done.

The Kingsmen were never forced to extend themselves greatly, the twirlers bearing the brunt of the work. On the other hand the purple and gold boys were on the jump all the time and it might also be mentioned that they executed a number of clever plays to make up for the errors and poor judgement that made them look like school-boys during certain high-spots of the contest.

As far as the 4th Hussars are concerned a good deal of improvement might be shown all along the line. The pitching department must be bolstered up for one thing, and then practically the entire team could show a little more familiarity with a .350 batting average.

Score by innings: Hussars 001200000—3. Kingstons 00322002x—17. The teams: Kingstons—Twigg, 2b; J. Evans, c and 1b; A. Quinn, 1f; Ratstone, 3b; Cherry, cf; Rice, rf and cf; W. Evans, ss; Gallagher, 1b and p; Moore, p and cf.

representatives that every support would be given to the various teams in the city, and showed a real and hearty interest in the situation that confronts the baseball promoters as a result of the lack of proper playing grounds.

It was also agreed that in case of exhibition games being arranged that these dates might be changed with the consent of the teams concerned, and real harmony is assured between the rival organizations.

Following are the dates of practices and games for May and June: Kingston Seniors—May 7th, 9th, 11th, 12th, 15th 17th, 18th, 21st, 23rd, 25th, 28th 30th and 31st. June 1st, 4th, 6th, 7th, 12th 15th, 16th, 18th, 20th, 21st, 26th, 27th and 29th.

SYDENHAM GIRLS WON THEIR NAPANEE GAME

Defeated High School Team 41-32 in Well-Fought Match.

The girls' senior basketball team of Sydenham Street Methodist church journeyed to Napanee on Saturday afternoon to meet the team of Napanee High School and defeated their opponents 41 to 32 after a well-fought game which was nip and tuck all the way.

The Napanee team played without substitutes while Sydenham used Misses M. Asselstine and A. Ada frequently. The Kingston party travelled on a truck loaned through the kindness of a Kingston firm and enjoyed the trip all the way through.

SPORT SNAP SHOTS

See you at the junior game to-night.

Sydenham Street Sunday school girls certainly made a very creditable showing against Napanee High School on Saturday.

Everybody is wondering about Bill Palmer's Athletics. They are not seen neither are they heard but we'll know all about them when the senior city league opens.

The Sunday school Baseball League will draw up its schedule at a meeting tonight. There will be three leagues, senior, junior and girls and the junior age limit has been set at eighteen when the season starts so that those who turn nineteen after they have been playing a few games are still eligible.

Billie Hughes was in Montreal Friday night for the Roy-Wilshur fight for the Canadian featherweight championship and was introduced to the crowd at the St. Denis Theatre. Billie may be doing some boxing in Montreal this season and is willing to meet any and all who make the weight.

CAN YOU RECALL THE YEAR 1882?

Interesting Programme of Kingston Bicycle Club Comes to Light.

From the back of an old cabinet in the Whig Office comes a very interesting little document which shows the bicyclists of the present day a few tricks. It is the season's programme of the Kingston Bicycle Club and is presumably for the year 1882 as that is the only date appearing on it.

May 2—Cataragui. 10—Westbrook. 16—Collins' Bay. 20—First Century Run, Belleville. 23—Street Parade. 30—Kingston Mills via Montreal Street. 31—Napanee, 2 p.m. June 7—Portsmouth and Front Road. 13—Gananoque, River road. 20—Westbrook. 27—Hard Times Parade. We have heard of the terribly severe winters of two or three decades ago but they hardly seem consistent with this program which starts on the second day of May and ends on the twentieth day of November. How would it be for us to do one hundred miles on bicycles on the twentieth of November nowadays? If Joe Daley could get some of his players in on these long-distance dancing competitions there would be a general tightening of belts over places that are altogether too well rounded at present. Some of the boys have a girth that would break a tape measure's heart. I'm a bit off said the window cleaner as he hung half way over the window sill.
