TWEED TO PLAY HERE SATURDAY

One of Fastest Intermediate Teams in Province to Meet Kingston.

On Saturday afternoon another exhibition baseball game will be offered to the senior season when the Tweed team will display its wares in competition with the Kingston senior C.O.B.L. squad at the cricket field.

The Tweed team is entered in the intermediate section of the O.B.A.A. with the Trent Valley League but is so good that last year it took several of the supposedly crack senior teams into camp.

The local team should have another practice or two before Saturday if the present weather takes a slant to being suitable and with this anti-

the game with Hussars under their belts the players should turn in a nice performance on Saturday afternoon. It is also a good stunt in view of the fact that the present Kingston seniors have never yet met an outside team of strange players and the experience with Tweed will spruce them up considerably for their first league fixture.

It is not known as yet what the local lineup will be though the news has flashed around the city that Herb Teeple has signed a senior certificate and several others have also attached their John Henry's to the little documents which say that they will play for the Kingston team of the senior Central Ontario Baseball League.

The seniors did not put it over the Hussars last Saturday to the degree the score indicated and their pitching supremacy was largely the cause of what edge they did have. If Tweed should happen to be fairly strong on the mound it will thus put all the more interest in the game.

And say—before we leave. Please don't stand in front of the press coop. That's it behind the chicken which is itself behind the home plate.

ORPHANS COMING.

4th Hussars Arrange Exhibition With Gananoque Team.

It is tentatively arranged by the 4th Hussars of the local senior city league, that Gananoque Orphans of the County League, play them an exhibition game here on Wednesday evening next. With some bolstering of their hurlers the Hussars are going to be a fast little team and the ability of the Orphans is well known, as they played two or three nice games here last season. The Gananoque team has joined up with the County League and is waiting for the schedule to be drawn. Meanwhile this match will be a good workout for both teams and an excellent preparation for the opening game of the Hussars on the nineteenth.

Taking your eye off the ball is a fine thing for your opponent's golf record.—Ottawa Citizen.

Pitt, who is playing right field for Rochester, is said to be as fast an Archdeacon.

Evidently some person on the Ottawa Journal has been very badly misinformed for in Monday's issue the Journal says; while speaking of the Ottawa rugby team:—"they may have Veale, the flashy Queen's half-back." In the first place Veale is an outside wing, not a back division man and secondly he is now in Hamilton, having accepted a position there. Seems as if "Smutter" must

Have been in great demand this spring. It is told on good authority that Toronto parties were also after him.

Things that follow in succession—the clink of money, the clink of bottles, and the clink.

When you follow Two pros. around And they play Like this— A drive, An approach And a putt, A drive, An approach And a putt, Then after Thirty-six Holes of this You begin to realize That it is The duffer Who gets all the fun Out of the game. —Toronto Telegram.

Yesterday's sudden change to colder weather will be a bad thing for those arms which were beginning to loosen up with daily practise. But better now than right after the season started.

The officers of the City League claim that they will publish the names of any spectators who try to make away with baseballs during games. The City League has a heavy financial problem to face and very little income and it's a poor sport who would rob them in this way.

Another good junior game tomorrow evening when Hillcrests and Circle-Six take the field. These teams are looked upon as two of the strongest and will put up a great game.

According to reports from Chicago, Roger Bresnahan, of Toledo, and W. C. Smith, of Indianapolis, have appealed to President Hickey, of the American Association, requesting the league head to take steps looking to a modification of the attitude on the draft. Both these clubs need material, and both want material from the Giants.

Catcher John D. Anderson, who was with the Giants this year in the South, has been secured by Toledo from the Beaumont Club of the Texas League.

Pitcher Holborrow, who twirled one game for the Leafs in 1920 and then went home, has been heard from. He wants a trial with the Toronto Club.

Eddie Holly, the former Toronto player, and now scout for the Boston Red Sox, umpired the Cincinnati-Buffalo game at Buffalo on Monday.

JUNIOR GAME OFF.

Threatening Sky and Poor Condition of the Ground.

The junior game scheduled for last night between Midgets and Circle-Six did not materialize. The rains of the night before and the morning put the grounds in pretty bad shape and the cold weather and threatening skies would have made the match a dull and dreary affair for both the players and those spectators whose enthusiasm would have brought them out. This game will have to be played on the list of postponements for some future occasion, and it will stand for some time as the rest of the week is completely filled up.

On Friday evening Circle-Six and Hillcrests take the field and on Saturday afternoon the Midgets and Park Nine will battle for the honors. The postponed game may be arranged on some date on which Park Nine and Hillcrests play again, and a double-header worked on that day, the teams playing on different grounds.

BLUE BONNETS STAKES WILL NOT BE LOWERED

Same Standards Will Be Maintained This Year in Spite of Heavy Taxation.

Four stakes to be renewed at Blue Bonnets in the course of the Spring race meeting of the Montreal Jockey Club that will begin June 7th, to run through the 14th, will close Monday, May 14th.

The stakes are the Kindergarten, \$2,500 added, for 2 year olds, five furlongs; Windsor Hotel Cup, \$5,000 added, a handicap of one mile and a furlong for 3 year olds and over; Connaught Cup, \$2,500 added, a handicap of one mile and a quarter for 3 year olds and over; and Prince of Wales Steeplechase, \$2,500 added, a handicap of about two miles for 4 year olds and over. Following the precedent of Maryland racing the Montreal Jockey Club will charge no entrance fee in any stake. But there will be starting fee of \$25 each in the Kindergarten, Connaught Cup and Prince of Wales Steeplechase and one of \$50 in the Windsor Hotel Cup. The operation of this scheme has in the course of the last few years greatly lengthened the entry lists of Maryland stake races and vastly improved the quality of the sport at Havre de Grace, Bowie and Pimlico.

Racing Associations in Canada are taxed more heavily by the Dominion and Provincial governments than racing associations in the states are taxed, when they are taxed at all. Nevertheless the values of the Montreal Jockey Clubs stakes to be renewed this year will not be lowered. They will be up to the standards of last season. There will be a steeplechase every day at Blue Bonnets with \$1,200 to \$1,500 added. Handicaps for flat runners will have similar values. The M. J. C. races will be run over the only course in Canada that is one mile and a quarter around and equipped with a backstretch extension that permits the running of races of seven furlongs, three furlongs and a half and one mile around one turn. The Blue

Bonnets course was built on the model of the old Sheepshead Bay course, which was the last word in American race tracks. Only at Belmont Park, Aqueduct and Saratoga are there steeplechase fields as roomy as the Blue Bonnets field. Three of the Blue Bonnets stakes to be revived in June will be open to horses from all parts of the world. They are the Prince of Wales Steeplechase, the Windsor Hotel handicap and the Kindergarten. The Connaught Cup will be restricted to horses owned prior to May 1st, 1923, by Canadians residing in Canada. Five horses must start in different interests or the race may, at the discretion of the stewards, be declared off. That the coming Connaught Cup will be declared off, however, is extremely improbable. There are enough horses in Canada that can meet the conditions to insure a field of ten or a dozen starters. In addition to the purse there will be a challenge cup presented by Field Marshall, His Royal Highness, the Duke of Connaught and Her Royal Highness, the Duchess of Connaught.
