CIRCLE-SIX TOOK BEST GAME SO FAR

Defeated Hill Crests 6-0 But Runs and Hits Well Scattered. The best junior game so far this season was played at the cricket field last night when Circle-Six defeated Hill Crests 6-0 and took their second game of the season.

Just as the game was about to start it was discovered that some party or parties with a mighty small spirit had taken the home plate which was brought out and left on the junior diamond by the league officials. A substitute was secured and the match was on, with Clarke doing the hurling for Circle-Six and Ball for the Hill Crests.

Circle-Six gathered in a run in the first, one in the second, two in the third, one in the fourth and one in the fifth but quick infield work prevented the Hill Crests from crossing the plate though they staged several dangerous rallies and almost sent Clarke "up" in the last inning.

DOZENS OF ENTRIES FOR AMATEUR BOUTS

Local Favorite May Have a Chance at Former Fly-weight Champion. Pistie fans and all those in search of a good evening's entertainment will have a great offering tomorrow evening at the Armories, when the local amateur boxers will compete in the different classes for the district championship.

There are dozens of entries in and the only difficulty found at all has been in securing men for the heavyweight class. One man has been entered and there is another several pounds lighter who is anxious to meet the big fellow but it remains with the committee in charge to decide whether or not the bout will go on.

The usual junior game should be found some place on the lot this evening. The fans are taking a lot of interest in the juniors. Circle-Six lead in the junior section with Park Nine second, Midgets third and Hill Crests last.

HUGHES VS. VILLA

Tournament Tomorrow Evening Will See Many Closely Contested Battles. According to reliable boxing authorities there are several Canadian fighters prominent in the ring game who would like to match Billie Hughes, former bantam and featherweight champion of Canada, and trainer at Queen's University with Pancho Villa, the Philippine sensation who held the flyweight title of the world recently and intends to make a strong bid for its recovery.

Hughes is meeting Young Littner, one of the shiftiest boys in the game around Montreal or New York, in Kingston, on June 4th, and when this bout is over, if his showing against the visitor has been good, negotiations will probably be started for a match with Villa in Montreal.

It is interesting to note that, in spite of the fact that he has not been taking very active part in boxing since he lost the bantam title on points to Bobby Eber in 1920, Billie Hughes still ranks among the top-notchers in the opinion of the boxing men and when he worked out for a few minutes in Montreal recently promoters became enthusiastic over his knowledge of the game and his wonderful condition, while several budding mitt artists who happened to be present then and there made a resolution to give the former Sault Ste. Marie boy a wise berth in so far as the ring was concerned.
