BELLEVILLE VICTORS OF FEVERISH MATCH

Nine Runs in One Inning Defeated Kingston Team by 10 to 3.

With a crowd that was swelled by a large Kingston delegation looking on, Belleville defeated Kingston in a C.O.B.L. fixture in the Bay of Quinte city Wednesday afternoon, 10 to 3. The score was 2 to 0 in Kingston's favor when Ross came up for Belleville in the fifth inning and clipped out a three-bagger. Weir followed with a single. W. Mills drifted the ball for two bases. H. Mills grounded to Somerville. Meagher singled; J. K. Williams was hit by pitcher. Casey sacrificed. Armstrong singled. Jack Williams made first on Batstone's error. Ross singled. Weir singled. W. Mills grounded to Somerville. There were eight hits for a total of thirteen bases and nine runs by the time the nightmare had ended, and Cherry was rushed to the box to relieve Moore, whose slow ball had evidently been "found" for once.

Then the game settled back into normal and each team scored once before the finish.

"Jack" Evans did not make the trip on account of an injured hand, and Rice held down the backstop's job to perfection. The Kingston delegation was greatly "up in the air" over a decision of Umpire Butler, who called a drive to the left by Weir in the fifth a fair ball, when Teppell was forced to go outside the foul line to try for it.

Cobourg Won
Playing on their home field Wednesday afternoon Dick Turpin's Cobourg Bandits let down the Jake Solomon crew 9 to 4, the same score by which they defeated Kingston there Saturday last. Yesterday's games made quite a shake-up in the league standing.

Grocers Had Holiday
The grocers observed their mid-week holiday for the first time on Wednesday afternoon. Ideal weather favored the holiday and it was greatly enjoyed by the grocers and their staff. Some citizens who overlooked the holiday were seeking for service at some of the stores and were given a disappointment. Citizens would do well to see that their larder is well filled at noon on Wednesday.

UNIVERSITIES CONFERENCE IN CONVOCATION HALL

Dean Ling Speaks on Co-operation in Serving Combined Constituencies.

On Thursday morning the Canadian University Conference began at Queen's. About fifty delegates, whose names were given in Wednesday's Whig, were present. President McLean, of Manitoba University, opened the conference with words of welcome. Different subjects, such as the sales tax on books and international scholarships were discussed.

After the reports of the various committees, Dean Ling of the University of Saskatchewan, acting for President Murray, spoke on university co-operation in serving combined constituencies, with a view of reducing the expenses of the several universities. Departments not fully developed in some universities should be encouraged, he said, while an equal distribution was necessary. Instead of the multiplication amongst all as was now the case. He drew attention to the departments not yet established such as veterinary science and dentistry, in various universities. In conclusion, Dean Ling pointed out the difficulty of limiting the departments already established. It was a matter of grave importance because there was much unnecessary waste of money.

This evening a public meeting will be held in Convocation Hall at 8:30 o'clock. Addresses will be delivered by President Tory, Alberta, on "University Maintenance," and by Dean Laing, McGill, on Sectional Education.

BAND CONCERT ENJOYED

In Victoria Park Wednesday Evening — Boys Create Trouble
The band of the P.W.O.B. rendered a delightful band concert in Victoria Park on Wednesday evening, there being an exceptionally large audience on hand to enjoy the music.

Bandmaster W. J. Christmas conducted the programme which included many familiar and popular selections. The overture from Lullaby and the revue "Bric-a-Brac" were especially enjoyed, but all the numbers were received with hearty applause. It was also noticeable that Victoria Park is much more adapted to cool weather than is MacDonald park.

One disagreeable event of the evening almost marred the concert, but the prompt intervention of the police placed a damper on the roxyism. In the enclosed circle about the band stand, several boys of sixteen or seventeen, who were surely old enough to behave as well-mannered children should, made a nuisance of themselves by riding hazard on their bicycles. Several citizens asked the boys to desist, but the young fellows decided to do as they pleased. Aid. Robertson, chairman of the city parks committee, was present, and after warning the boys, he engaged in a scuffle with one who had become even more saucy. The police arrived about this time, and the offenders vanished.

The Napanee lawyers are taking a half day holiday each week. They enjoy golfing, bowling and yachting.
