WOMAN SO ILL COULD NOT STAND Says Lydia E. Pinkham's Vegetable Compound Made Her Well and Strong

Glass Falls, N. Y.—"For over two months I was so sick I was not able to stand on my feet, and my husband did my housework. The doctor said an operation might be necessary. I read testimonials about Lydia E. Pinkham's Vegetable Compound and began to take it. Before I had finished taking the first bottle I saw what good it was doing me. I am now well and strong, doing all my work for a family of four. I think it remarkable, as I had not dared to run my sewing machine, but had done all my sewing by hand. I truly feel that were it not for your medicine I would not be here today as my condition was very serious."—Mrs. GEORGE W. BUNCHER, Glass Falls, N. Y.

Free upon Request. Lydia E. Pinkham's Private Testimony upon "Ailments Peculiar to Women" will be sent you free, upon request. Write to the Lydia E. Pinkham Medicine Co., Coburg, Ont. This book contains valuable information that every woman should have.

STOMACH TROUBLE DUE TO THIN BLOOD It Usually Disappears When the Blood Is Made Rich and Red. This blood is one of the most common causes of stomach trouble. It affects the digestion very quickly. The glands that furnish the digestive fluids are diminished in their activity.

Dr. Williams' Pink Pills act directly on the blood, making it rich and red, and this enriched blood strengthens weak nerves, stimulates tired muscles, and awakens to normal activity the glands that supply the digestive fluids.

These pills are sold by all dealers in medicine, or you can get them by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
