HYDRO POWER PLANT FOR CAMPBELLFORD

Preparations Are Under Way For The \$500,000 Undertaking.

Campbellford, June 15.—Preparations are under way here for the construction of a half-million dollar power development plant by the Hydro Commission. The location is known as Dam No. 18, near Campbellford. Just as soon as preparations for the building of No. 8 dam and power house are out of the way, work will be started on another similar plant nearer to the town and to be known as No. 9. The plans for the latest addition have been completed. This with the dam at Belmont Lake, by which the level of that body of water will be raised thirty feet, and the building of a six-mile canal, to connect the lake with the Trent River at Healy Falls, will mean a vast addition to Hydro resources—and enable the commission to take care of the power needs of Central Ontario for years to come. The dam at Belmont Lake will provide a supply of water which can be utilized in the event of a protracted dry spell, such as that of last summer, when the Hydro was at times unable to produce all the power required in the district served.

"THE FRENCH"
The term is new to many, but as summer season follows summer season, the words spread and their meaning is passed along. Two hundred and fifteen miles north of Toronto, on the Canadian Pacific main line to Sudbury, the mighty French River rushes on its way to the Georgian Bay, there to lose itself amongst the Thirty Thousand Islands that dot the bay. From Lake Nipissing and adjoining waters, it takes its course for sixty miles through one of the most beautiful camping and sporting countries to be found in Ontario.

The country appeals to all those looking for the big, open places. There is wonderful fishing to be had—bass, Muskies, pike and pickerel. In season, there is the finest of deer hunting, some bear, and good bags may be obtained of the smaller animals and game birds. Boats, canoes, all equipment and guides, can be obtained for excursions to the head waters of the river and Lake Nipissing.

This year, the Canadian Pacific Railway is building a Bungalow Camp convenient to the railway, which will be conducted along similar lines to the Bungalow Camps which the company has been operating for some years in the Canadian Pacific Rockies. The descriptive folder, "Bungalow Camps in Ontario," contains full information. There are also other camps conveniently located, privately owned, with accommodation for large or small parties—all camps are well conducted. Accessibility to the railway provides the camps with fresh food.

"The French" should receive your careful attention when planning your own, or your family's vacation. Any Canadian Pacific agent will be pleased to quote you the rates and assist you in making arrangements. A concise, descriptive folder on the French River District, quoting rates at camps and hotels in the towns, will be gladly mailed on request. Write W. Fulton, District Passenger Agent, Canadian Pacific Railway, Toronto.

TO MEET TOURISTS

Tiobhorne Residents Taking Them From Kingston by Auto

Miss Machar Not The Writer

Toronto Globe.
Miss A. M. Machar, Kingston, who has written so long and with such distinction under the pen name of "Fidella" that the public have come to associate her name with anything appearing over that name, writes asking the Globe to state that the letter on the legal aspects of church union, which appeared last Saturday, was not from her, and that she would deem it unfitting for a private person like herself, though an attached member of the Presbyterian church, to address a letter on such a question through a newspaper to a church court, properly constituted, which was then considering that important subject. The writer of the letter signed "Fidella" is an authority on church law, and assuredly had no intention of making Miss Machar shoulder the responsibility for his views. The better course, perhaps, when the letter was received by the Globe, would have been to ask that he choose another pen name, in view of the general attribution by the public to Miss Machar of articles and poems signed "Fidella."

Death of William W. Dainard

The death took place on June 8th, of William W. Dainard, at the residence of his son, Case Dainard, Pointe St. Louis. The deceased, eighty-one years of age, was an old resident of Percy township. From there he removed to Prince Edward county, where he farmed for a number of years, going later to Milford, where he lived retired, and where his wife pre-deceased him about ten years ago. From that time, his home was with his son and daughter. Until last February, the late Mr. Dainard had never suffered from illness of any sort.

Survivors are one brother, Alvin Dainard, Blenheim; seven sons and five daughters: John, Hastings, Richard, Campbellford, Nelson, Belleville, Case, Samuel, Jacob and George Prince Edward county; Mrs. H. B. Rusaw, Mrs. F. Peeling, Mrs. Samuel Rusaw, Pictou, Mrs. Jacob Wamamaker, Demersville, Mrs. W. Hughes, Buffalo. The funeral service was held on June 8th, at Pointe St. Louis church, thence to Cherry Valley cemetery.

Governor Has Foe in League Chicago, June 15.—One million Epworth league members are ready to march to the polls and oppose Governor Al Smith of New York, should he run for president, Bishop A. W. Leonard of San Francisco declared today. "These million young Methodists are not all old enough to vote yet; those who cannot vote can influence a great constituency," said the bishop, who is attending a meeting of league officials here.
