TODAY I AM REAL WELL
So Writes Woman After Taking Lydia E. Pinkham's Vegetable Compound
Jamestown, N. Y.—"I was nervous, easily excited and discouraged and had no ambition. Part of the time I was not able to sit up as I suffered with pains in my back and with weakness. I took Lydia E. Pinkham's Vegetable Compound, both the liquid and tablet forms, and used Lydia E. Pinkham's Sensitive Wash for inflammation. Today I am real well and run a rooming house and do the work. I recommend your medicine to every woman who complains, and you may use my letter to help any one else. I am passing through the Change of Life now and I keep the Vegetable Compound in the house, ready to take when I feel the need of it."—Mrs. ALICE D. DAVIS, 205 W. Second St., Jamestown, N. Y.
