CHILD'S STORY OF THE HUMAN RACE
By Uncle Ray

Chapter 91—New Homes for Gods.
People of ancient times believed gods lived on mountains. I suppose this idea came from the fact that mountain tops were hard to reach. If a person said gods lived up there, no one could prove he was wrong.
The Land of Two Rivers was on a plain, and mountain peaks were too far away. So high towers of brick were built to take the place of mountains as homes for gods. It did not seem good to have gods live on distant mountains.
The most famous towers was built at Borsippa, in Babylonia. It is often said to be the "Tower of Babel" spoken of in the Bible. Only the ruins have been found, but old records give us an idea of how it looked. The picture shows the probable shape.
The tower was 153 feet high. It rose by stages, three of which were 26 feet high and four 15 feet. A small praying-place at the top was 15 feet high.
The seven stages stood for the "seven wanderers of the sky," sun, moon and five planets. Each stage had a different color—golden, silver, black, orange, red, yellow, blue. The golden stage stood for the sun, and is said to have been coated with real gold.

A grand home for the gods of the Land of Two Rivers.

MASONIC EMBLEM ON TOUR OF WORLD

"Travelling Beauseant" Dedicated by the Great Priory of Canada.

Marion, O., July 21.—As the crusaders of old, members of Marion Commandery No. 36, Knights Templar, will undertake a pilgrimage. They will leave here July 23rd and their travel will end in Hollywood, California, August 3rd, when Sir Knight Warren G. Harding, a member of the commandery, will present to Hollywood commandery No. 56 an emblem which has crossed the continent.
This is the Travelling Beauseant, dedicated by the Grand Priory of Canada, which is to be taken around the world by means of one commandery delivering it to another. It is to go to only one branch of the high Masonic Order in a grand jurisdiction. The commandery which holds the Beauseant selects the one which gets it next.
Cyrene Preceptory No. 29, K. T. of Toronto, was the first recipient of the emblem. Then it was delivered to Hugh De Paynes Commandery No. 30, stationed at Buffalo, then to St. John's Commandery No. 4, K.T., at Philadelphia, which delivered it to Columbia commandery No. 2, K. T., of Washington, D.C., whence it was sent to Marion.
It has been estimated that fifty years will be consumed in sending the Beauseant around the world.

Caught in Moving Elevator
Brookville Youth Killed

Brookville, July 21.—Andre Molank, seventeen years, oldest son of Mr. and Mrs. Fred Molank, 72 Schofield avenue, who moved here about a month ago, from Smith's Falls, was almost instantly killed on Thursday afternoon, when he attempted to board a moving elevator in the plant of the Laing Produce and Storage Company, where he was employed.
Molank was employed as a trucker in the Laing condensery, and it is said tried to get onto the upward moving elevator as it passed the second floor of the building.
He was squeezed between the elevator and the collapsible gate, and carried to the floor above. When the elevator reached the third floor the body dropped to the cement cellar.

STRUCK IN THE EYE
By a Batted Ball—Farmer Hit By a Pulley.

Adolphustown, July 18.—The hot dry weather cures the hay rapidly but all the crops are needing rain. The baseball team added another victory to its list in the game with Selby last Wednesday. During the game a peculiar accident occurred when Rose, Selby, batted a ball which struck him in the eye, making a gash which necessitated a few stitches. Another serious accident took place the same day on A. McIlwaine's farm, where George Arnold was engaged in unloading hay. A pulley pulled off the rafter and fell striking Mr. Arnold on the back of the head, fracturing the outer skull. He is recovering nicely.
We are glad to report that James Bird, who was so seriously injured last week, is able to be out again.
Mrs. Addie Davis, Belleville, is spending the week with friends here. Mrs. W. D. Roblin and daughters entertained on Tuesday evening. Mr. and Mrs. Vanastine visited their daughter, Mrs. Wilkie Cousins, on Sunday. Messrs. Keith and Roy Roblin, Belleville, spent a day renewing acquaintances recently.

Rain Is Needed.

Pittserry, July 18.—Rain is needed for the gardens and crops. Raspberries, both tame and wild, are reported to be a failure under here. Mr. and Mrs. Will Free, Dauphin, Sask., and Miss Blanche left for the west on Tuesday, after spending the past six weeks with friends and relatives in this locality. Congratulations are extended to Miss Elida Grace and Miss Bertha Abrams, on their success in their recent entrance examinations. John Finnigan, Glouchier, Alta., will leave for the west this week.
Miss Grace Wood, Kingston, has been engaged as teacher for the next term for the Finger Board School.

Plague of Rats Invades Spanish Farming District

Madrid, July 21.—The Spanish government would give a good deal at the present to obtain a trace of the well-known Pied Piper of Hamelin. Six million rats have invaded the rich agricultural district near Stander during the past two weeks. The farmers have applied in a body to the government to save the vanishing crops by exterminating the plague. The rats came from the mining country about Piacentia.

DEATH OF PORTLAND LADY.

The Late Mrs. H. Peters Aged Fifty-Nine Years.
Portland, July 19.—On Sunday morning, July 16th, occurred the death of Mrs. Harry Peters, Portland. Deceased was the daughter of the late Charles Metcalfe, and was a lady well known and highly respected in Leeds county. She had undergone a very serious operation in the Kingston General Hospital, and before recovering had a stroke, which rendered her unconscious for several days before she passed away.

The late Mrs. Peters was fifty-nine years of age and had resided in Leeds county all her life. She was a consistent member of the Methodist church, and a woman of staunch Christian principles. Although she led a very quiet life staying within her home, she never let an opportunity pass to do a kindness or perform an act of charity. The funeral was held at the Anglican church on Monday, after which burial was made within the family plot in the Elgin cemetery. The funeral was largely attended by friends and relatives from a distance, which with the many floral offerings indicated how well and favorably she was thought of.
She had no children, but leaves to mourn her loss a husband, three brothers, H. F. Metcalfe, Kingston; W. H. Metcalfe, Portland; Robert Lamming, Halliburton, also two sisters, Mrs. F. C. McLaren, Chicago, and Mrs. S. G. Stuart, Jones' Falls.

May Come to Canada.

Toronto, July 21.—An invitation to the World Baptist Alliance to hold its next meeting in Toronto in 1929 has been called to Rev. W. A. Cameron at Stockholm by the executive committee of the Baptist convention of Ontario and Quebec. Mr. Cameron is representing Canadian Baptists at the meeting of the alliance, now being held in Stockholm.
The Baptist World Alliance meets every five years, and represents 11,900,000 Baptists throughout the world. The first meeting was held in the British Isles, the second in the United States, and the third, the present one, in Sweden. It is the opinion of Baptists in Canada that the dominion should be considered before the convention returns to any of the lands already visited.

PROBS:—Sunday, not quite so warm.

FOR SHOPPING COMFORT—STEACY'S IS THE PLACE
A great cool store with air as fresh as out-of-doors, makes this store a pleasant as well as a profitable shopping place during the heat of Summer.
