Principal Taylor to Preach Again at the Park.

Principal Taylor, of Queen's, so delighted the people at Thousand Island Park by his sermons on July 22nd, that he has been persuaded to preach again on August 12th. The Park paper said:

"Dr. Taylor had not spoken five minutes before he had captured the attention of every person in the great congregation. He spoke of the 'Desert Way,' and the lessons drawn from the text and applied to everyday life was truly remarkable. From the very beginning to the last sentence it seemed as if no one moved. It was a typical Scotch sermon, and so impressed the people that there has been a persistent demand for his return for another Sunday.

"We will all vote it the greatest fourth Sunday in the history of Thousand Island Park."
