GREAT NEED OF RAIN; CROPS MAY BE RUINED

Many Farmers Are Engaged Carrying Water For Their Cattle.

Conditions are quite serious in some parts of this district as a result of the continued dry spell. Near Odessa it was learned on Wednesday morning, that farmers are engaged in drawing water from a creek in order to get water for their cattle, all the wells and pumps having gone dry. In some sections of the country there has not been rain in over two months and the outlook now is that crops will be ruined. According to information received, the hay crop is wonderful. In fact it is so heavy that many farmers have been unable to get it stored, and many have had to stack it up. One farmer stated on Wednesday that he had taken in 134 loads. And the hay is of good quality too.

IN MARINE CIRCLES

The steamer Brantford arrived, on Tuesday morning, from Oswego with a cargo of coal.

The steamer Louis Pahlow cleared, on Tuesday, for Oswego to load coal for Kingston.

The steamer Susie Chipman cleared, on Monday night, for Soda Point to load soft coal for Kingston.

The steamer Buenavista arrived from Rideau River points, on Monday night, with freight.

The steamer Jeska is undergoing minor repairs before clearing for Oswego.

The steamer Mapleton received slight repairs here before clearing for Montreal.

Harvesters Needed.

More harvesters than ever will be needed this year, in Western Canada, on account of the bumper crop. Special trains will be run by the Canadian Pacific Railway, which is advertising the usual low rate of \$15 to Winnipeg, plus a half-cent per mile beyond to destinations in Manitoba, Saskatchewan and Alberta. Returning the fare will be \$20 from Winnipeg, plus a half-cent per mile from starting point. Going dates are August 15th and 22nd. On the lunch cars food and refreshments may be obtained at reasonable prices. Special cars will be provided for ladies, children (full fare) and their escorts. First special train will leave Toronto on each date at 10 a.m., last special at 10:30 p.m. on each date. Full information may be secured from any Canadian Pacific ticket office.

Violin Examinations.

In the recent Toronto Conservatory examinations, Muriel Shaver passed the elementary violin with honors and Stanley Tweedley passed in the introductory grade. Both are pupils of Miss Mignon Telgmann.

COULD NOT GET ALONG WITHOUT THE WHIG

Barnabas Wood, Has Been Reader of the Whig for Seventy Years.

"Do you know that I have been reading the Whig seventy years, and I hope to continue to read it until my eyesight fails?" was the statement of Barnabas Wood, a Whig representative on Monday.

Mr. Wood, who will be eighty-seven years of age in August, is now living a retired life on the outskirts of Odessa. His wife died eight years ago, and since that time his grandson has been living with him. Mr. Wood has attended the Orange parades every year for the past sixty-nine years, but this year he was unable to turn out with his orange ribbons. Mr. Wood is one of the many old time readers of the Whig, who could not get along without it. The Whig hopes that Mr. Wood will be spared many more years.

F. Coventry's Good Work.

The gang of men engaged in washing the woodwork and stone walls of the C. P. R. station are doing spic-and-did work. No one thought it was possible to clean limestone after being exposed to coal smoke for many years, but Mr. Coventry has made it look like new stone.

Return For Visit.

Adjutant and Mrs. Smith of the Salvation Army, who were formerly stationed in Kingston and made many friends here, have returned to the city for a visit and are with Deputy-Regent and Mrs. C. J. Graham, of the township of Kingston.

A car driven by Mrs. Mitchell, Belleville, was rammed by a speeding car near Foxboro. The front axle was broken. The occupants escaped. The ramming car cleared away.

Ross Paul, Napanee, had his car stolen last Sunday. Provincial officer Thompson recovered it in Twendinaga township. The thief escaped. One of the wheels was broken.

Miss Helen Arnott, eighteen years old, daughter of Mr. A. B. Arnott, Trenton, was painfully injured when thrown from a horse.

Allan Fraser, Brockville, aged five, fell into the river. A Washburn, aged sixteen dove in and rescued the tot.
