### Brief Items of Interest Picked Up by the Whig Reporters.

Mr. Swaine, piano tuner. Orders received at 100 Clergy street west. Phone 564w.

Come to Rotary Moonlight Friday, Aug. 17th, 7:30, to Clayton. Orchestra and dancing.

The Navy League dinner, which was to have been held last night in the British-American hotel, is postponed indefinitely.

Miss L. Harriman, Montreal, who was here to attend the funeral of her brother, the late Thomas Healey, returned home today.

Rev. Sister Mary Matthews has returned to Kingston after spending a week with her parents, Mr. and Mrs. W. F. Kelly, Brockville.

William Dawes, Montreal, who came up to attend the funeral of his brother-in-law the late Thomas Healey, returned to his home Thursday.

Queen's new library is now well past the second storey. The tunnel connecting it with Fleming hall is about completed and allows splendid provision for heating and lighting.

The last of the mountain type, of engines for the C. N. R. is to leave the Canadian Locomotive Works on Saturday. The work on the fifteen engines has been very expeditiously carried on.

The work of compiling data, subscriptions, etc., in connection with the publication of "Who's Who in Kingston," has been placed in charge of Robert Gibson, 70 Clergy street west, (Phone 1926-w) with the intention of completing the work at the earliest date possible.

### Rotary Club Activities.

The members of the Kingston Rotary club, at their noonday luncheon in the British-American hotel, on Friday, will have the pleasure of listening to an address from one of the most outstanding speakers in this Rotary district, in the person of Rev. Thomas Bolger, president of the Rotary Club, at Elmira, N.Y.

Rotarian "Tom" will have a stirring message for the members of the local club and the S. O. S. call has been sent out for a hundred per cent. attendance and it is believed that all the members will be able to hit the grade.

It is of special interest to note that at Friday's luncheon, the Rotary club will have as their guests, the members of the Kingston Amputation Association. This association is composed of heroes who served in the great war, and the members of the Rotary Club are pleased to have them as their guests.

The Rotary moonlight excursion to Clayton, N.Y., on Friday evening last, was such a great success that the club decided to hold another excursion to Clayton this Friday. A record crowd is looked for. Last Friday the steamer Waubic could not carry all who wanted to take in the trip, so get your tickets early and be on hand early too, so as to get a good seat on the boat.

Owing to the fact that the Club will have the members of the Kingston Amputation Association as their guests on Friday, the club has made arrangements to hold the luncheon in the main dining room at the British-American hotel, instead of in the club's quarters at the hotel. This will provide ample accommodation for all the members and their guests.

### ASK RE-INSTATEMENT.

Of Ex-Police Magistrate Livingstone of Brantford.

Brantford, Aug. 16. — If M. M. MacBride, M.P.P. for South Brant, keeps the question of the reinstatement of ex-magistrate Livingstone of Brantford before the public eye, it bids fair to be the issue at the municipal elections in January next. The news that the South Brant member had headed a local delegation, which interviewed Premier Ferguson and Attorney-general Nickle in Toronto, and had asked that he be again appointed magistrate for Brantford, set the city by the ears yesterday and is the only topic of conversation in Brantford today. When seen after the meeting, Premier Ferguson stated that he was informed that the city council of Brantford was a unit in the move to reinstate the magistrate.

Transferred to Other Fields. Prescott, Aug. 16.—Rev. F. M. Hill, C.S.S.R., and Rev. Anthony McBriarty, C.S.S.R., both of the teaching staff of St. Mary's College, Augusta, have been notified of their early transfer to other fields of labor. Rev. Father Hill has been appointed to the staff of St. Peter's Church, St. John, N.B., while Rev. Father McBriarty will join the staff of missionaries in St. John. Both Father Hill and Father McBriarty are well known here, having celebrated mass at St. Mark's Church many times.

Come to Rotary Moonlight Friday, Aug. 17th, 7:30, to Clayton. Orchestra and dancing.
