DIARRHOEA and VOMITING Doubled Up With Pains

If you are suddenly attacked with diarrhoea, dysentery, colic, cramps or pains in the stomach or any looseness of the bowels do not waste valuable time, but at once procure a bottle of Dr. Fowler's Extract of Wild Strawberry and see how quickly it will relieve you.

Mrs. Ernest Morris, 3 Webb St., London, Ont., writes: "I take great pleasure in recommending Dr. Fowler's Extract of Wild Strawberry for what it has done for me."

Some time ago I took an awful violent headache, then started to vomit and felt so sick I could hardly stand it all day; towards evening intense pains came in my bowels and I was just doubled up the pains were so bad; the perspiration stood out like beads on my forehead; then the diarrhoea started and I really thought I was going to die.

My husband went to the drug store and got a bottle of Dr. Fowler's Extract of Wild Strawberry; he gave me four doses, at intervals, and by noon next day the diarrhoea had stopped and the pain was all gone too.

Now I will never be without 'Dr. Fowler's' in the house.

Anglers Pleased.

The work of the game inspectors in dealing effectively with those taking game fish illegally this season is greatly appreciated by anglers who spend their summer vacation on the water and enjoy a week's fishing. There were insistent complaints about the taking of bass in nets and the inspectors showed that the government was determined to put a stop to it. As a result of the measures taken, the anglers report good sport, and there is a proposal now under consideration to form a local anglers' association for the protection of game fish.

Gave Surprise on Birthday.

In those busy days when the average farmer is putting sixteen strenuous hours per day, birthdays, especially of the grown-ups, slip by without comment or even thought. One of the young men of Concession Lake, Earl Wait, celebrated his birthday by just such a long day in the harvest field. Great was his surprise, when, at twilight, about fifty

of his neighbors gathered at his home to wish him many happy returns of the day. After some time spent in music and social intercourse the ladies served dainty refreshments. Mr. Wolfrin, popular young minister, conveyed to Mr. Wait the appreciation of the community, mentioning especially his great interest in the Sunday school and Young People's League. After Earl had made a suitable reply all joined in singing, "For He's A Jolly Good Fellow."

I certainly got good result from it, too, as the last time I had a sore side was last May and I have not had it since. I am also glad of having good nursing for my baby, and I think it is your medicine that helped me in this way."—Mrs. L. V. BUDGE, River Desert, Quebec.
