An Opportunity A Minute!

There's a pleasant sound to any phrase which implies that opportunity is so prolific as to repeat itself every minute—sixty times an hour.

Yet there is no exaggeration in the statement that the A-B-C Classified Section brings forth opportunities at exactly this rate.

Read—and easily meet one opportunity per minute. Read—and sort them out with reference to your own individual needs.

Possibly each offer you encounter will not apply to your requirements, but the great variety of offers is broad enough to cover the field of your interests.

Everybody may profit by reading these ads—and nearly everybody does. How about yourself?
