FROM THE OUTSIDE—LOOKING IN.

Circle-Six are to be congratulated on their showing in Peterboro on Saturday and encouraged to an even better showing here on Wednesday. They should go a long way and it is up to the fans to get behind them.

The fate of the Kingston intermediates is in the balance this evening. A win and they have another lease on life. A loss and they are through—for this year. Very few people expect a loss.

Oshawa's 3-0 shut out of Belleville in the league championship game Saturday came to this end of the circuit as a big surprise. Pitcher Dainty was responsible for the trick but it is said that Belleville has protested and that Secretary Dulmage has named Dainty as ineligible.

The youthful Kenneth Bibby gave local yachtsmen a lesson in sticking at it on Saturday in the long distance dinghy race and won the trophy in Class C. That spirit is what makes for success in any sport—and in anything in life, for that matter.

A new secretary has been appointed to Queen's Athletic Board and a new rugby coach selected. It is to be hoped that this year will bring out fairness in dealing with all branches of the press—something that has been a detriment to Queen's in other times. Support can hardly be expected when preference is shown in some directions.

For a squad that is a strong contender every year Toronto University's rugby outfit is being kept pretty well under cover. "Shag" has gone to the Laurentians, Queen's players are doing everything that makes for great teams—presumably—but little old Varsity still sits tight. It looks queer.

Fair and he dropped. H. Mills hit safe over second. R. Fair now playing centre field in place of W. Fair. J. Williams out second to first. Casey flew out to Morrison. 0 runs, 1 hit, 1 error.

Oshawa 3, Belleville 0.

PICTON HERE FOR DELAYED PLAY-OFF

"Weather Permitting," Will Meet Kingston Intermediates This Evening.

Unless the rain clouds have a special dislike for the intermediate series of the O.B.A.A. and break up this evening's entertainment, the Picton squad will appear at the Fair Grounds again this evening and meet the Kingston nine in the second game of the play-off, first round. The game started on Friday evening last and for as long as it lasted the locals had the better end of it and they are satisfied that they can do as well this evening. Rain butted in in the first inning last time but good weather will see a bumper crowd out for this evening's performance, which promises to be one of the best of the year.

Croft and Quinn will be back on their pitching jobs and the teams will not likely be different. In case of a win for Kingston the third game will be played at Belleville, the date to be agreed on by the teams.

With the juniors doing well, the intermediates should take a spurn now and recover lost ground. The City League is in need of several more games to make up its treasury which has been rather badly hit by the postponement in the intermediate section and the long trip to Peterboro by the juniors.

NARROW MARGIN FOR THE PETES

Defeated Circle-Six 2-1 in First Game in Lift-Lock Town—Napanee Chosen

After two easy games against Oshawa the Peterboro Juniors ran against real opposition on Saturday when the Kingston Circle-Six turned out on the diamond at Riverside Park. Not only did their star pitcher, Whitehouse, meet his equal, but they only scraped out a victory by one run, the final score standing 2 to 1.

Clarke was the choice of Manager Powell for the Kingston team and he turned in a fine game. Both he and Whitehouse had seven strikeouts credited to them, while the Kingston man allowed seven hits and the Peterboro twirler five.

Circle-Six scored first. In the initial inning McPherson went out from catcher to first. Richards made first on Collins' error. Leggett walked. Purvis lined out a two-base hit that scored Richards. Hartley grounded to Whitehouse, and Reid popped to L. Lebar, leaving two on.

In the third inning Cameron, appearing first for the Petes, grounded to McPherson. L. Lebar struck out. Moore singled. Whitelaw made first on McKelvey's error and Moore, who had stolen second, scored. McKelvey and Smith traded jobs. Collins popped to Purvis.

In the ninth Collins struck out. Whitehouse made first on Leggett's error. Halliday struck out. McIntyre singled. J. Lebar, with two strikes and no balls called, accidentally got his bat in the way and made a scratch hit of it while Whitehouse scored the winning run.

The juniors are confident of their ability to take back the victory when Peterboro comes here on Wednesday next and the fans are assured of a good game. In case of a win for Kingston, Napanee will be the town

JEMMETT AGAIN WINS THE W. CASEY TROPHY

Long Distance Dinghy Race Featured by Pluck of K. Bibby and Many Mishaps

In a gale blowing twenty-five miles an hour and a heavy sea the long distance cruising race, dinghies, for the Casey Trophy, left the Yacht Club on Saturday at 2.30. There were ten entries in all—Messrs. Jemmett, H. Hill, S. Hill, H. Duff, K. Bibby, B. Cunningham, J. Campbell, H. Hora, B. Hopkins and D. Matheson. The race, an annual affair, was thirty miles long running from the Yacht Club buoy around Burnt Island and home. Following the Safety First principle a launch manned by Messrs. C. S. Kirkpatrick, Clare Kirkpatrick, George and Bill Smith and John Murray accompanied the boats to render aid if necessary. Several mishaps of exciting nature occurred, forcing five of the yachts to drop out in the first lap of the race. It was very, very cold and heavy sea all but swamped Cunningham and Hopkins, the former putting in to Wolfe Island and the latter to Eastview Park. Matheson and Bibby upset and were towed to Braugh's Point by the Emergency Launch, while Duff beached his boat at Milton narrowly escaping arrest by the village constable, who took him for a run runner. All of these returned to the Yacht Club except young Kenneth Bibby, who pluckily resumed his course, arriving back about nine on Sunday morning, thereby winning the cup in C. Class. Those who went on rounded Burnt Island in the following order: H. Hora, S. Hill, H. Hill, Prof. Jemmett, J. Campbell. On the home stretch S. Hill fouled H. Hill and dropped out, also H. Hora, leaving only four in the running. These hardy mariners, half frozen with rain and cold, stuck it out, Jemmett winning the trophy, the second time he has accomplished that feat in two consecutive years. J. Campbell won the cup in class B, while Bibby, after sailing throughout the whole night is the deserving winner of the cup in class C. H. Hill, the only other to finish, crossed the line ahead of both Campbell and Bibby, but as an A. Class man, Jemmett had already won the trophy and he was eliminated. Saturday's race was a punishing affair and only endurance and good sailing in the worst possible conditions enabled anyone to finish at all. The cups will be presented on Labor Day to the successful yachtsmen while Jemmett's name will grace for the second time one of the shields of the Casey Trophy. The men finished as follows: Jem-
