SUMMER COMPLAINT CRAMPS and DIARRHOEA

There is no other kind of disease that comes on so quickly and with so little warning as an attack of bowel trouble.

One may retire at night, in the best of health, and before morning be awakened by terrific cramps and pains in the stomach followed by diarrhoea, dysentery, summer complaint or bowel trouble in one form or another.

At this season of the year, when bowel troubles are so prevalent, we would advise the precaution of always having on hand a bottle of Dr. Fowler's Extract of Wild Strawberry so that you will be ready for any and all emergencies.

The stamp of your approval is the highest reward a manufacturer covets.

When a man places his own mark upon his product and advertises it to you he commits the reputation of his life work into your hands; you become judge and jury.

The articles advertised in this and every other daily newspaper are the best that can be made for a certain price. If they were not the makers would not dare to offer them thus for sale.

It pays you in money and time and comfort to read the advertisements in your own newspaper every day.

Advertising sets a high standard for everything you buy and submits it to a test it is forced to meet.

The advertisements in this paper are your best insurance against fraud and deceit; only the best that human ingenuity can produce for the price can live in such competition.
