End Corns

The simplest way to end a corn is Blue-jay. Stops the pain instantly. Then the corn loosens and comes out. Made in clear liquid and in thin plasters. The action is the same.

Regina Resident Praises Tania For Her Recovery.

"Tania soon had me eating with a relish and my food gave me the proper nourishment," said Mrs. T. J. Inch, 757 Pasqua St., Regina, Sask., recently.
"I had a serious operation which left me with such a poor appetite I could scarcely eat anything and even the little I did eat seemed to give me no nourishment. My sleep wasn't at all restful and I couldn't gain back enough strength to do my housework.
"I've gained nearly ten pounds by taking Tania and as so well and strong I can do my housework with ease. Tania also helped my little three-year-old girl, and I've often thought of writing the company about my experience."
Tania is for sale by all good druggists. Accept no substitute. Over 27 million bottles sold.
Tania Vegetable Pills are Nature's own remedy for constipation. For sale everywhere.
Necessity Help Invention.
Mr. Wye—"I don't know where women acquired their extravagance in dress. Eve wasn't like that, you know."
Mrs. Wye—"Of course, not—there was only one man in the world, and she had him."—Life.
Bodily fatigue affects the senses less than thought.

KINGSTON AND VICINITY

Another Good shower.
Kingston had two more good showers of rain on Sunday. It rained very heavily for a short time in the afternoon.

Confirmation Service.
It was announced at St. Mary's cathedral on Sunday that Archbishop Spratt would conduct a confirmation service for the children the latter part of October.

Pastures Refreshed.
The farmers state that the recent rains are extremely welcome as the pastures have been freshened and the wells and springs have also greatly improved.

Boys' School Suits.
We have received a big shipment of boys' school suits, which we will sell at a reduced price, dandy suits, at \$6, \$6.50, \$7.50 and \$9, all sizes, all colors. **Proyost, Brock street.**

Campers Return.
The majority of the campers who have been sojourning at East View, Collin's Bay, and other popular summer camping places, have returned to the city.

Now For Kingston Fair.
With the Toronto exhibition now a thing of the past for this year, the attention of the surrounding district is centred on the Kingston fair. Manager "Bob" Bushell's "bigger and better than ever" show.

Students Arriving.
Queen's students are again returning to their old boarding houses and when once settled are looking up old cronies of past escapades. Registration begins about the last of September and unless special permission is granted must be over by October 5th.

Had a Holiday.
Owing to the wet weather, work had to be stopped on the new building of the Bank of Montreal. The showers on Friday were not sufficient however, to stop work on the new building which is now being rushed along.

Kingston Horses at Watertown.
Burns McKane won second money in the races at Watertown last week with Slipper F., and he raced two other Kingston horses, Edna Belle and Billy Murphy. He has these pacers entered for the races at Cape Vincent this week.

Rain for the Market
In spite of the heavy shower of rain on Saturday morning the market was filled with shoppers. Rain or shine the Kingston people have to look after the market on Saturday and do their shopping. The market square was filled with cars and vehicles and every available inch of room was needed to meet the wants of the people.

Name Was Omitted.
In the Whig's account of a wedding at Queen street Methodist church parsonage on Sept. 5th, the name of the bride was given as Gladys Bolton. The name should have appeared as Gladys McMahon, daughter of Mrs. F. Bolton. Walter Spence was the groom. The name McMahon was omitted from the copy furnished the Whig.

Prize Corn Growers.
Peter Wilson, departmental judge in the field crop competition in connection with the Kingston fair, made his awards in the corn class on Saturday. The winners are: 1st, James Henderson and Sons, Portsmouth; 2nd, J. A. Shepherd, R.R. No. 1, Kingston; 3rd, Thomas Doyle, R.R. No. 1, Kingston; 4th, Arthur Day, Portsmouth; 5th, Edward Bradden, Pittsburg; 6th, James Baxter, Pittsburg; 7th, Arthur Keyes, Portsmouth.

Heavy Railway Travel.
The heavy passenger traffic over the Canadian Pacific and Canadian National Railways during the past two weeks of the Toronto Exhibition is now about over. Both railways experienced an unprecedented condition, hundreds of thousands of people from all over Canada and the United States making the trip. But not only was the exhibition a great stimulus to passenger traffic, it stimulated business in a great many lines as well. Local passenger agents look for the next rush during the Kingston fair which will be followed by the rugby series.

Stadium Seating Accommodation.
The people of Kingston need have no fear that they will not be able to secure seating accommodation for the Queen's rugby games this fall. The only object in securing the quotas from outside points is to insure seating space for all and to find out if any new stands will have to be built. The following places have already sent in their quotas: Cobourg, Belleville, Deloro, Lindsay, Napanee, Gananoque, Hamilton, Ottawa, Cornwall and Smith's Falls. Toronto as usual asks a number of questions about their seats before stating what they want. Their quota will come in as soon as they are assured that good seating accommodation will be had.

Grindstone Island Camp Sold.
The camp and property of Dr. Koenig on Grindstone Island has been sold to Prof. R. Aebi, of Jersey City and Dr. O. J. Heine, of the Bronx. The purchasers will continue to utilize

the property as a summer camp for boys. Dr. Koenig's camp has been one of the best known outing resorts for young people in Northern New York. It has been conducted for several years, the party of boys travelling from New York by special sleepers to Clayton, N.Y. Dr. Koenig is principal of the Franklin school, New York. He will continue his school work but plans to retire from the boys' camp, although he will probably be a summer visitor at the Thousand Islands.

Dazzling Auto Headlights.
Driving into the dazzling lights of an oncoming car is dangerous business—dangerous alike to the dazzler and the dazzled. And it is so unnecessary. To dim the lights of a car is so simple and easy a task, that it seems that the danger involved by not doing so would compel the motorist approaching another car at night to take this simple precaution against the possibility of accident to his own car as well as the cars of others. It should not take a law to bring about the dimming of headlights. Common decency demands that a motorist practice this simple rule of night driving etiquette, for it is etiquette, and good manners are just as essential on the road as in the ballroom.

Kingston District Roads Best.
Kingstonians who motored to Toronto for the purpose of attending the Toronto exhibition are convinced that the provincial highway in the Kingston district is the best on the whole trip. The roadway from Kingston to Belleville is in wonderful condition. From Kingston to Napanee it is as smooth as a billiard

ball and there is a great tendency for the tourists to "step on the gas." There appears to be no doubt that the road work which was done in the Kingston district by McGinnis & O'Connor contractors is the best in the province. Many miles of the road west of Belleville, which was built by other companies, is breaking up and tons of gravel has been thrown on the top of the surface to fill up the holes. The roadway in Odessa, which for years has been rather rough, has been rebuilt by McGinnis & O'Connor and is very smooth.

Realized Good Sum.
The ladies who had charge of the chicken supper held at the Methodist church at Cusheadall on Thursday evening, are being warmly congratulated on the success of their undertaking. It was announced on Saturday that the net proceeds amounted to \$119. The committee of management are loud in their praise for those who took part in the programme, especially the members of the male and mixed quartettes who gave their services free and also arranged for their own transportation. Their selections were greatly appreciated and won for them warm applause. The programme also included timely addresses by Rev. Mr. Ware, of the Anglican church at Cusheadall, Rev. Mr. McMath, Perth Road, and Rev. Mr. Calvert; solos by Mrs. Treener, songs by "Billy" Laird, recitations by Miss Lorraine Potter, and solos by Allen Lemmon. Miss Rogers was the accompanist, and also arranged for the splendid concert which consisted of talent from Cooke's church.

AFTER EVERY MEAL
WRIGLEY'S
Sealed for You
Wrigley's is made of pure chicle and other ingredients of highest quality obtainable.
But it is no use to make WRIGLEY'S 100% in quality and then reach you in poor condition.
So we put it in the wax-wrapped package and SEALED IT TIGHT to keep it good—for you.
Aids digestion—keeps teeth white—helps appetite.
Wrigley's Doublemint is peppermint flavor in double strength.
