Allisonville Farm Sold.
Spencer Huffman, Allisonville, has sold his farm to Harry Hayden. Mr and Mrs. Huffman will leave shortly for Rochester, N. Y.

To Teach in Montreal.
Antoine Wondling, B.A., Brockville, has accepted an appointment as professor of higher mathematics at Loyola College, Montreal.

Death of Mrs. Ranson Lott.
Word was received of the death at Bowden, Alta., of Mrs. Ranson Lott, who formerly resided at Trenton. The interment took place at Calgary.

Boys' School Suits.
We have received a big shipment of boys' school suits, which we will sell at a reduced price, dandy suits, at \$6, \$6.50, \$7.50 and \$9, all sizes, all colors. Prevost, Brock street.

Many Furnaces Going.
As a result of the cool spell, quite a number of citizens have started their furnaces and are getting a little experience on what is to come later on. These are busy days for the furnace men getting furnaces in order for the cold weather.

Calls Sustained.
The Brockville Presbytery has sustained calls from the charge of Cardinal and Madenville to Rev. J. M. McCurrie, of the Presbytery of Castor, Alberta, and from Bishop's Mills, East Oxford and Oxford Mills, to Rev. R. Strange, Vars. in the Ottawa presbytery.

Victoriaville, Que., 1,217 at 22c.

Everyone is Anxious.
"Have they caught the convicts yet," is the chief question the citizens are still asking. No escape from the big prison in recent years has caused so much interest as the daring getaway the five convicts made from the Portsmouth penitentiary on Monday last.

The Queen's Library.
The Douglas Library is now being

constructed at a rapid rate as the Queenston stone, of which there has been a small supply all summer, is arriving in larger quantities. Mr. Grant, the Anglin-Norcross representative here, expressed himself as well satisfied with the progress the library was making.

Given Badges.
Sheriff Ebbs, high constable of Lanark, has given out county constable badges, about fifty in all. A re-organization of this department is to take place shortly as some of the members are dead and others inactive.

On Fire Hall Slate.
At 9.15 Sunday morning, the firemen were given a run to the Hotel Dieu, but their services were not required. When some steam poured out of the building, some person had an idea that there was a fire, and sent in the call. Saturday forenoon, the firemen were called to a chimney fire on Ellice street, but there was no damage.

To Teach in Woodstock.
Miss Mary Mangan, B.A., graduate of Queen's University, and of the Faculty of Education of Toronto University, has been appointed a teacher in the commercial department of the Woodstock Collegiate Institute, and has assumed her duties there. Miss Mangan has had much experience in teaching in schools in Ontario and Saskatchewan.

Had Fine Fishing.
M. B. Mills and wife, Napanee, have returned home from a most enjoyable twelve days' cruise on the Bay in their sailing yacht, "Dolphin," in company with H. H. Boyce and wife, and their nephew, Jackie Heath, Buffalo. Several black bass and two fine "mascos" were caught during the cruise.

To Wipe Off Debt.
Rev. Mr. Dumbrell, rector of Kemptville, was recently handed a cheque for \$2,000 by Joseph Cooper, South Mountain, a former parishioner, to wipe off the debt on the Leslie memorial hall, erected by the Anglicans of Kemptville several years ago.

Rebate Standard Hotel Licenses.
The Gananoque council at a meeting granted a fifty per cent. rebate in their taxes, except for school and

local improvement purposes, to the licensed standard hotels of the town as provided by the legislation passed by the Ontario government last session to offset the loss caused to such hotels by the Ontario Temperance Act.

Rural Tennis.
W. L. McKinnon, the well-known Toronto broker, is building a substantial tennis court at his summer residence, foot of Christy's Lake.

Retires on Pension.
Benjamin Mayo, G.T.R. engineer, Belleville, retires on pension after faithfully serving the G.T.R. for over forty-nine years. Mr. Mayo, who has been a life-long resident of Belleville, entered the service of the company in March, 1874, at Belleville at the age of sixteen years, and has served continuously since, having been promoted to fireman in 1877 and engineer in 1884.

To Put Up Post Office.
Ross Dougan, Newburgh, is putting up a building in which to house the post-office, just one block north of its present location. The reason for the move is that Mr. Quail, in whose building the postoffice is at present, needs the room to extend his store. The change will not inconvenience the public.

Have Left for Uxbridge.
Rev. Mr. Griffith, who has had charge of the Free Methodist mission, Newburgh, bade farewell on Sunday last, after a very successful three-year term. His place will be taken by Mr. Bray, Toronto. On Tuesday evening the members of the congregation and other friends met at the home of Frank Walter to bid adieu to Mr. and Mrs. Griffith before leaving for their new home in Uxbridge.

Groom-to-be Is Honored.
A delightful miscellaneous show was held for Clifford MacDonald of Thurlov township, at the home of his sister, Mrs. Donald Bradshaw, Kingston Road, when more than fifty friends and relatives, congregated to wish him well, on the eve of his marriage to Miss Ferol Mason, Belleville. Many useful and valuable presents were brought to the house for the young couple.

Erecting Express Building.
Ground has been broken for the construction of a permanent building to house the Canadian National Express Company and the mail transfer agent. The building will be of brick and concrete construction and will be eighty by thirty-two feet in dimensions and will occupy a site immediately to the east of the station building, encroaching upon the garden established some years ago.

Waiting for the Fair.
The school children are looking forward to the fair this week and are greatly pleased over the action of the Board of Education, in granting a half-holiday on Thursday, in order to give them a chance to attend the big show. R. J. Bushell, the manager of the exhibition, never forgets the little folk at fair time and sees to it that the school trustees get a request for a holiday for the "kiddies."

Changes at Newburgh.
Changes have taken place at Newburgh during the past week, which will effect the life of the village considerably. Mr. McNeely, reeve, has sold his home to a Mr. Smith, Toronto, and Anson McKeown has sold his corner block, which includes a dwelling house and hall, to George Wartman. Mr. McKeown will move into the house he bought from the late Mrs. James Thomson estate.

Should Not Conflict.
The supreme court sessions before Justice Orde start on Tuesday, the same day as the fair, and this is a great disappointment to people who are summoned to serve as jurors. Business men, especially, find this a very inconvenient time to serve the court, as it means a very busy week for them and they do not like the idea of attending the court sessions. However, the court dates are fixed for a certain date, and not even Kingston's big exhibition can alter the situation.

Dismissed the Case.
Harold Yatemam, on bail on a charge of original negligence, arising out of the death of Mrs. J. B. Loyst on the Trent road, left Belleville court house, a free man. Mrs. Loyst was fatally injured by Yatemam's car while she and her son, Stewart, were crossing the highway to enter the gate to their farm house. Judge Doroche dismissed the case, after hearing three witnesses, deciding that there was not sufficient evidence of negligence to continue the trial.

"His Master's Voice" Victrola
"Theatre of the Home"
Just a Pretty Little Home from his Musical Play-Me Cabinet
A fascinating ten-trot on "HIS MASTER'S VOICE" (VICTOR RECORD No. 19106)
IMPORTANT! Red Seal Records are now double-sided. Two selections for practically the price of one. Ask for new catalogue! It's 7c.
"HIS MASTER'S VOICE" is the voice of an endless programme of living entertainment, known as "The theatre of the Home"—and how appropriate! For whatever your mood—whatever the climatic conditions—the price of an orchestra chair is a mere pittance—and it is yours to say what entertainment shall unfold.
The imaginary curtain rises—a momentary hush—and then—it is the immortal voice of CARUSO singing "FOR YOU ALONE"—and true to the title of the song he is singing for YOU alone—You and YOURS comprise his audience.
An intermission—someone calls for modern melody—the "Great White Way" orchestra has entered your home—time to play "CAROLINA MAMMY"—Your eyes have closed and you have difficulty in believing that these musicians are not indeed on a stage and that you have an orchestra seat in a REAL theatre.—It is just as though those living entertainers had been invited to YOUR home for YOUR special hour of happiness.
Such is the spell of "HIS MASTER'S VOICE" Victrolas and ("HIS MASTER'S VOICE" VICTOR RECORDS)—they alone—are capable of giving you this sense of COMPLETE FULFILLMENT, and perfect reproduction.
And this very perfection of performance—this very superiority—has influenced many to refer to all instruments as Victrolas.—It is a compliment which we look upon with disfavor for it not only deflates your best interests but ours as well.
For your protection every genuine Victrola bears our famous trade mark—"HIS MASTER'S VOICE"—make sure it is on the instrument you buy.
Genuine "His Master's Voice" Victrolas from \$37.50 to \$615.00
