#### BIG LUMBER MILL DESTROYED BY FIRE

#### It Was Owned by Spanish Mills Limited at Cutler, in Algoma.

Sudbury, Sept. 20 .- The large lumber mill of the Spanish Mills Limited at Cutler, in the Algoma district is reported to have caught fire at 4.30 o'clock this morning and to be practically a total loss. The fire was still burning at noon. One man is missing and is believed to have been burned to death. damage may run well over one hundred thousand dollars and possibly twice that if the flames spread to the reserve lumber.

LIONEL CONACHER. Canada's greatest athlete, who, an bour and a half before he left Toronto for Pittsburgh to 'enter Pittsburgh University Engineering School, was married to Miss Madge Kennedy. He slipped away on the train before the story leaked out. He will probably play hockey for Pfttsburgh during the coming season.

Record Collection.

There's a certain negro pastor down near San Pedro who recently evinced a genuis of high finance. At the Sunday services he announced that a certain brother had retired to rest the night before without originally. locking the door of his chicken house and on rising in the morning had found that all his chickens had disappeared.

"I don't want to be personal," ne added, "but I hab my suspicious who frame around it. stole dem chickens. I shall be glad any money in de box when it's passed around, an' den ah'll know if mah suspicions am right or not."

"Now, bredder'n." announced the minister after the collection. "I doan want your dinners spoilt by wonderin' where dat brudder lives who doan lock his chickens up at night. Dat brudder doan exist, mah frien's; he was a parable for de purposes ob

## Improving Your Opportunities

Why is it that one person under certain favorable conditions thinks and learns, while another individual under exactly the same conditions, does not?

Principally it is because the former takes advantage of his opportunities. He is a utilitarian, as far as getting ahead is concerned. He seizes opportunity as soon as he sights it, and he puts it to some practical
