AT WOLFE ISLAND FAIR

The Island Baseball Team Defeats Tanners—Results of Horse Races.

The president and directors of the Wolfe Island Agricultural Society were favored with ideal weather for the second day of the fair on Wednesday. At times during the afternoon, the temperature was so warm that many were glad to find a shade tree for shelter.

The cattle exhibit was larger than usual, and many fine head were shown. The following were among the exhibitors of cattle: William McAdoo, Oscar Fawcett, Duff Cosgrove, William Allison, Thomas Greenland.

When Mrs. W. L. Wheeler went into her cellar yesterday morning she found that some one had been there before her and helped themselves to her supply of canned fruit and a number of empty jars.

The display of ladies' work, which was arranged in the main building, was some of the best exhibited at a county fair this year.

The exhibit of plants was very fine. Edward Briceland, Mrs. McCready and Mrs. Earl Grimshaw were among the exhibitors in this class.

The dairy and baking exhibit was very good, and Mrs. Alex. Smith and Mrs. Steve Knight were the judges.

During the afternoon three excellent horse races were held, and resulted in "Directum Murphy," owned by Thomas Nicholson, Kingston, winning three firsts in the 2.25 class.

The township race, only open to residents of Wolfe Island, was very exciting, especially in the third heat. It looked as though "Ted Murphy" would win the last heat without difficulty, but "Babe" owned by George Bullis, who had finished second in the two previous heats, travelled at lightning pace and finished within eighteen inches of "Ted Murphy."

Table with 2 columns: Name, Result. Includes Directum Murphy, Fred Patch, Fred Bullis, etc.

Baseball Game. By getting six men across the home plate in two innings, the Wolfe Island baseball team was successful in defeating the Tanners, of Kingston, by a score of 6 to 4.

The Wolfe Island fair is concluded and the directors report that the exhibition was not the success of last year.

WONDERFUL HELP FOR LLOYD FOLEY. Kingston Junction Man Finds Dreo the Ideal Tonic and Corrective. Gains Five Pounds and Feels Better in Every Way. Mr. Lloyd Foley, of Kingston Junction, Ont., is another who has learned that good health is simply a matter of keeping the digestive organs fit and active. Dreo is the safest, surest way to accomplish this result, as thousands have discovered to their lasting benefit. Mr. Foley tells how this grand remedy acted in his case. "For a number of years I had suffered from stomach and kidney trouble," says Mr. Foley. "Everything I ate would form a gas on my stomach that felt like a lump of lead. I was subject to terrible dizzy spells and spots would float before my eyes so that I would have to hold on to something to keep from falling. My kidneys were out of order and I would get pains across the small of my back. My appetite was very poor too, and I was troubled.
