## Cold and Shivering -Perhaps

TAPAN, however great, cannot meet this fierce disaster without strain. Hence the Red Cross throughout the civilized world has sent hurried relief.

Canada's Government and Canada's Red Cross sprang to action immediately and some supplies have gone. Others will go. There are still hundreds of thousands homeless-perhaps cold and shivering.

## Relief Fund for Japan

Bishop Hamilton wired a Toronto newspaper, on September 19th:-"More than a hundred thousand Japanese killed-two-thirds Tokyo -four fifths Yokohama destroyed."

This is the greatest national calamity of modern times-almost of history. The Canadian Red Cross appeals to you to help show that Canada sympathizes nationally with this our northern neighbor. Your dollars will pay for Canadian supplies now being despatched.
