## The Man Who Hears With His Eyes

He is a regular reader of the A-B-C Classified Section.

He "hears" Opportunity's every call. The bargain shouts, the call of the employers who have good positions open, the renting opportunities, the business and financial offers—in short, all the advantages which go towards shaping one's material success are made known to him promptly.

Once in a while someone says to him, "You can get this-or-that from such-a-place at a bargain price."

But his eyes "hear" scores of opportunities for every one that his ears hear!

You can share his advantages if you, too, will regularly read the A-B-C Classified Section and let your eyes tell you when Opportunity is calling you.
