

A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for quick results. Easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, throat tickle, bronchial asthma or winter cough.

To make this splendid cough syrup, pour 2 1/2 ounces of Pinex into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get 16 ounces—a family supply—of much better cough syrup than you could buy ready-made for \$2.50. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

A Practical Six-Room House.

The layout of this house follows the Colonial type, with the main first floor rooms either side of a central hall and the kitchen and pantry placed in an ell that extends to the rear. The house expresses simplicity outside and within.

This plan arrangement gives all rooms good exposure, that is, most of the rooms have three outside walls with plenty of large windows, that afford good light and air.

The large opening between the entrance hall and living-room practically makes these two spaces one room.

The porches on either end of the house gives the front a broad appearance and the comfort they offer does not need explanation.

On the second floor are three bedrooms, two bathrooms and plenty of closets; all are compactly arranged. There is good wall space in the bedrooms for all furniture, even though there are numerous windows on two and three sides of each room.

An additional bedroom and bath are provided on the third floor, no plan of which is shown. A dormer on the rear of the house gives good light for the third floor rooms.

The laundry, coal storage and heater are arranged in the cellar.

The exterior wall of the house is covered with shingles having a wide exposure; they are finished white. The roof is shingle stained a dark brown, and the blinds and shutters are an apple green. The small pane windows add much character to the house.

This house would be a comfortable home for the average family.

Cost about \$9,200.

Complete working plans and specifications of this house may be obtained from a nominal sum from the Building Editor. Refer to House "A-96."

AT CAMDEN EAST.

Annual School Fair Was a Great Success.

Camden East, Oct. 4.—Mrs. King, Toronto, is visiting her sister, Mrs. Charles Histed. Mrs. Hill, Watertown, is visiting her daughter, Mrs. Jesse Card. Several from here attended the Odeessa fair. Mrs. William Skinner, Toronto, arrived on Saturday last to spend a couple of weeks with relatives.

The members of the Methodist Sunday school attended the Rally Day services at Newburgh church, where the members of Wesley, Strathcona and Newburg Sunday schools were also present.

Misses Pearl and Cecelia Oster, of Notre Dame Convent, Kingston, were home for the week-end. Miss Beattie Steadman has resumed her studies at Queen's University, Kingston.

Mrs. Alvin Perry and daughter visited her sister, Mrs. Clarence Bon'ton. The re-opening services of the Methodist church are to be held on Sunday, October 14th. Rev. Dr. Lawson, of Verona, will be the minister in charge.

The annual school fair which was held on the school grounds on October 2nd was larger and better than ever. The exhibits of fruit, vegetables and grain were exceedingly good for the dry weather.

The manual training exhibits, drawing, cooking and sewing all deserve great praise. Much enthusiasm was shown over the parades by five different schools. The winners were as follows: First prize, Yarker, teachers, Miss Aylsworth and Miss Thompson; second prize, Camden East, teachers, Miss A. Wilson and Mrs. Fairburn; third prize, Bicknell's Corners, teacher, Miss Bigford; 4th prize, Colebrook, teacher, Miss M. Hill. There were driving contests, races, singing, and reciting contests. There were splendid exhibits of live stock.

SMALL BLAZE AT TAMWORTH.

Allen Carscallen's Store Caught Fire But Was Soon Extinguished.

Tamworth, Oct. 4.—Miss Ballantyne, Montreal, is visiting her grandparents, Mr. and Mrs. Brown. Mr. Haines intends to go to the old country on a business trip. Calvin Shire has been visiting friends here after an absence of sixty years. Mr. McCallum, of the Sterling Bank, is leaving for Toronto on his holidays. Mr. McLennan will relieve him.

The school fair held on the school grounds was a great success. The baseball match with the Newburgh boys and the basketball game with the Napanee girls provided some good sport. In the evening a motion picture show and musical concert was given in the community hall, which was largely attended. A large number from Napanee attended the Sunday school convention at Newburgh on Tuesday last, and report an excellent programme. Allen Carscallen's store caught fire on Wednesday night, but the blaze was soon extinguished, and the damage will be slight. Quite a number from here attended the show at Arden on Tuesday last.

A banquet was held in the community hall under the auspices of the Masonic Order and was largely attended.

AT LEE VALLEY.

Radio Concert Provided Fine Treat In Village Hall.

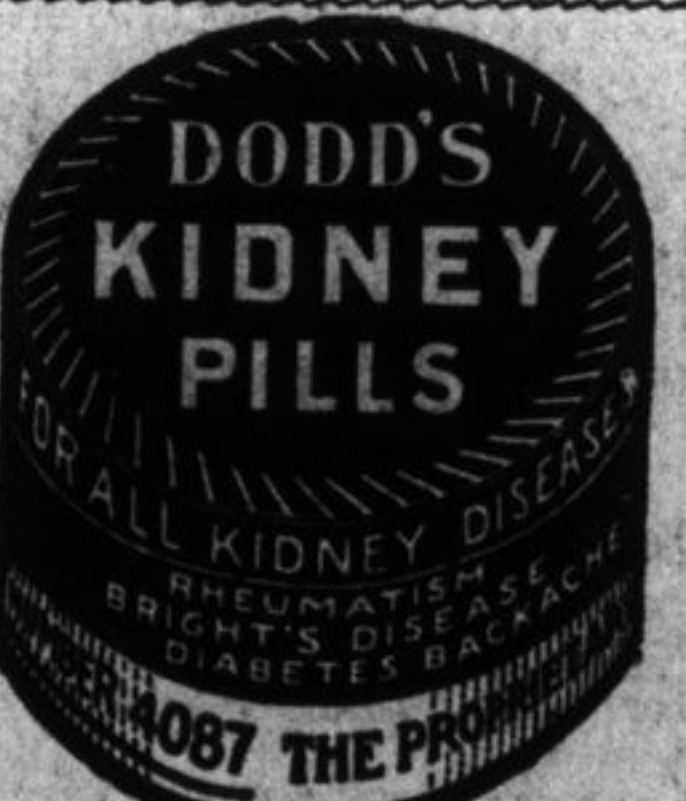

Lee Valley, Oct. 3.—A radio concert was given in the hall on Friday evening, by Mr. Jessop, of Sudbury. Mr. Lee has had a new radio installed.

A very sad death occurred, when Mrs. Fenney passed away on Thursday morning, leaving to mourn, her husband and five small children. The funeral took place here on Friday. Rev. S. Littlewood preached the funeral sermon in the church.

The Massey fall fair was well attended by people from Lee Valley and many took prizes on their exhibits. The young people remained in town for the dance in Lowe's Hall at night. Leon McKnight, Mack Spencer, Tom Sexsmith and Fred Root motored to Sudbury, Saturday. Miss Rowse spent Saturday afternoon and Sunday as the guest of Marilda Root.

On Sunday, visitors at D. Andrew's were Mr. and Mrs. Charles Duncan, Messrs. Eugene Cote, Espanola; and Miss Violet Kring. Bernard Endress was also home from Worthington. Miss Pearl Sexsmith was a Sunday visitor at Mr. McMillan's. Bernard Andrew, Harold Hunt, Miss Rowse, Miss Hunt and Miss M. Root spent Sunday evening listening to a sermon over the radio at Mr. Lee's. Errol Spencer called at W. Hunt's on Sunday.

It is not generally known that a freedman of Cleore invented a system of shorthand with which he took down "a verbatim report" of his master's famous Catalinian oration delivered in 63 B.C.
