TRICOLOR SECONDS WIN FIRST BATTLE

Open Season With Victory Over Limestones—Quinn and Henderson Starring.

With the results of the Queen's-McGill game, as they were posted on the board at the end of the field, starting at them from the start of the game, the Queen's Seconds tore into the Limestones at the Richardson stadium on Saturday afternoon and white-washed the city team to the tune of 32 to 0. The game was not quite as one-sided as the contest of the previous week when the R.M.C. trampled the hopes of the "amateurs" by 45 to 6.

In many ways the game was a repetition of the former struggle in that costly fumbles, mixing of signals and lack of experience on the part of the Limestones was counterbalanced, in the eyes of the fans at least, in the plucky determination that kept the city squad fighting every minute of the battle. The Tricolor intermediates ran amuck in the line struggles, although on one occasion the losers tightened and tossed back the Queen's plungers attempting to break through with only two yards to go for a touchdown.

In the opening quarter the Limestones held fairly well and surprised the rail-birds by their snappy and clever work. Before long, however, the inevitable fumbles came along, and when Limestones were forced back to their own 10-yard line, Henderson went through for an easy touch, the Queen's backfield star also converting.

Queen's 6, Limestones 0.
Cherry was worked for several successive backs and was given a great hand from the crowd for his good work. McCrimmon showed up well for Queen's, especially in his tackling. The quarter ended without further scoring.

Cherry's kick was blocked at the opening of the second, but Edgar made up for this when they regained possession of the ball. Edgar and Cherry were doing most of the work for the city squad. Queen's march down the field was rewarded when Henderson was sent around the end for his second touch, and converted. Queen's 12, Limestones 0.
Cherry's kick was blocked and he dribbled the ball to the dead line for a point.

Queen's 13, Limestones 0.
An attempted on-side kick by Dolan failed, but counted another point on a rouse. Wise, the former Eskimo player, went over for a touch shortly after, but no convert was attempted.

Queen's 19, Limestones 0.
Aykroyd was pushed back for a safety touch and Cherry was forced to rouse during the third quarter, running the score up to 22 to 0. Kari Quinn made a great 30-yard run through the entire Limestone squad, his clever side-stepping with several would-be tacklers hanging on him being about the best individual effort of the day.

The final session produced two more touchdowns for Queen's, by Henderson and Dolan, respectively, placing the final score 32-0.

The teams:

Queen's II.	Limestones.
Howard	Edgar
Fanning	Halves.
Legon	Panet
Henderson	Cherry
Dolan	Quarter.
Hannon	Dunegan
McCrinmon	Dolans
Wise	Snaps.
Alrth	McTier
Anglin	Insides.
King	Revelle
Drew	Charotio
Queen's spares—Cruise, Hamilton, Quinn, McLachlan, Stewart, McGarry, F. McKelvey and Lee.	Middles.
Limestones' spares—Flynn, Sanford, Tugson, Mullin, Pepplatt and Aykroyd.	Haines
Officials—Major Greenwood and Capt. Murohle; J. Bows and Major Greer, timekeepers.	Spence
	Outsides.
	Douglas
	Wilson

So the first game of the season is over and all is happiness in the Limestone City. Next Week McGill-Varsity match will be watched with interest for the calibre of this season's intercollegiate race will hinge on its result.

SERVICE OF THANKSGIVING

Held in St. James' Church on Sunday—Canon Fitzgerald Assisted.

Harvest Thanksgiving services were held in St. James' church on Sunday, and they were of a bright and interesting nature. Canon W. F. Fitzgerald was the preacher in the morning, and the rector, Rev. T. W. Savary, in the evening. The choir, under Harry Hill, organist and leader, rendered a very fine musical programme, and prior to the evening service, Mr. Hill gave a delightful organ recital.

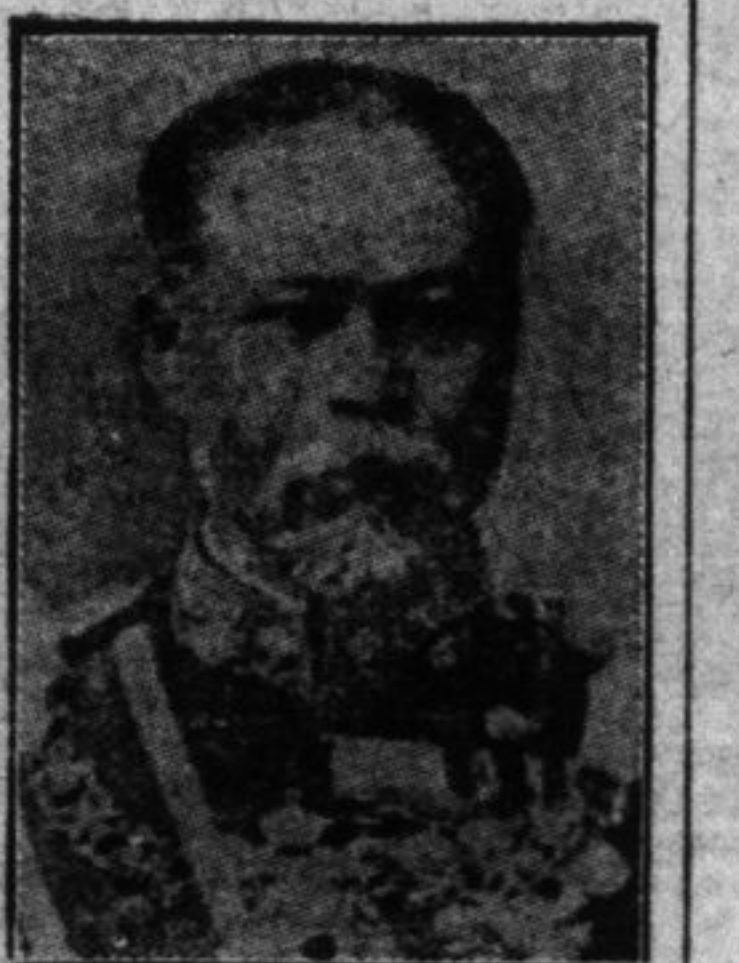

At the morning service, the musical programme included the festival Te Deum by Brewer, Tours Communion service, in which the solo parts were taken by Mrs. Foster, soprano, and Mr. Baldry, tenor; Maunders' "Praise the Lord, O Jerusalem," the solo part being taken by Mrs. Tanner, soprano.

At the evening service the programme included the Magnifica Nunc Dimittis by Maunders and "Ye Shall Dwell in the Land" (Stainer), with the solo parts taken by Mr. Murtough, baritone, and Miss Derry, soprano.

The entire programme was one of very high merit and greatly enjoyed by the large congregations. The church was decorated with grains, flowers and fruit.

Presentation at Colborne. An interesting event took place at the regular sessions of Trinity church Sunday school, Colborne, when James Reid, who is leaving to take a university course was presented with a piece of gold, as a token of esteem and of appreciation of his valued help in the school.

Accident at Whithy. Miss Mary A. Long, daughter of W. H. Long, Trenton, had her leg broken near the hip, when she is stated to have slipped and fallen, when detraining from a railway train at Whithy. She was taken to the hospital at Oshawa, and is now improving nicely.

GANANOQUE

Oct. 7.—Probably no feature of Gananoque's Old Home Week in 1924 will arouse as much interest and enthusiasm as "Linklater Day." There are probably few if any principals of public schools in Canada who have served at one post without interruption as long as J. C. Linklater, and certainly none has served any more faithfully or efficiently than he. It would be impossible to compute his value as a teacher and adviser of the youth of our town during these many years, and it has been the desire of hundreds of his ex-pupils at home and abroad for some time to be given an opportunity to get together in the old home town and do honor to Mr. Linklater.

How Williams & Travers established a Business of their own

MR. WILLIAMS and Mr. Travers decided to start a retail clothing business. Williams had \$4,000 cash to put in the business, and Travers \$1,000, together with seven years' experience in selling clothing.

They found they had enough money to buy store equipment, but when it came to establishing credit, they ran against a snag that seemed impossible to overcome.

One day a North American Life man told them about a business insurance policy. "If each of you will insure his life

making the firm the beneficiary, you will find it far easier to establish credit."

That was five years ago. Today this firm is well established—in fact, it is one of the most successful retail clothing stores in Western Canada. "We might never have got started had it not been for that business insurance policy," he told our representative.

This case indicates but one of the many benefits of Business Insurance. Send for our booklet, "You're a Business Man," which explains all of them.
