LADIES' GOLF CLUB.

The Results of the Competitions Held on Tuesday.

One of the most successful playing seasons ever enjoyed by the Ladies' Cataraqui Golf and Country Club was brought to a close on Tuesday with a number of competitions in the morning, luncheon attended by sixty playing members and an 18-hole competition in the afternoon for the monthly gold brooch.

The club president, Mrs. T. A. Kidd, presented the various prizes and trophies to the winners of the various competitions and matches throughout the past summer, and also addressed the assembled ladies on the progress of the club since its inception. The ladies' club had enjoyed real success and a very high standard of playing and all would follow the efforts of the club. Mrs. Kidd also expressed the hope that the local ladies' club would have a representative in the next Canadian open championship tournament.

Mrs. Keith Hicks is eligible for the open championships and the members will endeavor to persuade her to enter the competitions next year Until the Canadian Ladies' Golf Unfon was formed in 1920, there were no set rules for competition play but under the new rules fourteen fadies of the Kingston club have qualified.

It is also interesting to mention that Mrs. Keith Hicks, who won the ladies' championship, was only defeated by one xtroke in the final round with C. W. During the year they played four home and home games with Breckville and Picton, winning both matches with the former, and winning at home with

## LIT STOVE WITH COAL OIL.

Ernest A. Johnston, Rawdon Township, in Serious Condition.

Ernest A. Johnston, Rawdon township, was reported as in a serious condition following an explosion at his home on Monday. Mr. Johnston was in a hurry to get the stove lighted and used coal oil to start the fire. He used too much and there was an explosion. He was partly overcome by gas and by the shock of the blast, but made his way outside for breath. There, reviving slowly, he found he was on fire and realized that he must do something to save his life. He rolled over and over on the grass and in that way the flames which were consuming his clothes and burning his arms and body were extinguished.

## Convenience Is Service!

What a difference there is between an old-fashioned box trunk and an up-to-date wardrobe trunk!

Everything is jammed at random in the old box-but the modern wardrobe trunk is entirely different. It has hangers for garments, drawers for linen, pockets for shoes, a corner for an umbrella and a compartment for hats. It almost packs and unpacks itself.

You live in the great, modern age of System and Convenience. You want a place for everything and demand that everything be in its place.

That is why you will appreciate the modern, systematic A-B-C Classified Section. It has a separate "compartment" for each group of opportunities-and they are all alphabetically indexed and numerically classified for your convenience in quick finding.

You'll pack all your troubles in your old kit bagwhen you unpack all the opportunities in the A-B-C "compartments" whose labels interest you.
