Varsity Optimistic Too.

Toronto Globe: From Kingston come reports telling of the confidence of the Queen's seniors, who anticipate a victory here next Saturday. Up around Queen's Park, however, the same condition of affairs exists. The followers of the Blue and White fairly radiate with optimism. They think that the youthful 1923 team will equal the feats of the veteran aggregation of 1920 when "Laddle" Cassels led the locals to the Dominion championship. One of these teams is due for an awful bump next Saturday. Montreal critics say that the University of

Toronto will have to improve over their showing against McGiil or Queen's will win, but close followers of the sport who have seen a: the great teams in the last decades are not so sure. They lean toward the opinion that the "T," playing the same kind of football they did against McGill, will make the Tricolor hustle.

Will Be a Great Event. Despite the refusal of the railway commissioners to reduce the railway rates from Kingston to Toronto, there will be a monster excursion from the Limestone City on Saturday to the Varsity-Queen's game at the statium. All the Queen's students who can raise the necessary will be here with their colors flying, and with new songs to cheer their favorites. Varsity rooters will also be out in force, and the prospects are for a vocal battle that will be as interesting as the game itself. Then, at half-time the inter-collegiate teams will stage their annual relay race, which will also be an event of interest in itself .- Toronto Star.

INDOOR BASEBALL.

Twelve Teams Are Entered in the Garrison League.

Twelve teams were entered in the Garrison Indoor Baseball League at the final executive meeting held in the armories on Wednesday evening BROOCH-Lost, bar pin, with green and presided over by Lieut.-Col.

Apply October 25th. The games will continue every Tuesday and Thursday during the winter, with a week or so off for the Christmas holidays, and double-headers will be played each

It was decided that the one-group system with twelve teams entered would be too long and clumsy to handle, so the meeting adopted the two-group system, as in vogue last year. Balloting for the team entries ten took place, as follows:

H.Q. R.C.A., "B" Battery, Frontenac Regiment. "B" Group-Princess of Wales

Own Regimtnt, "A" Battery, District Staff, Machine Gunners, No. 3 Heavy Battery, Signal Corps.

Umpires were selected from each unit and the names submitted to the league secretary for registration. Col. Constantine will interview the district officer commanding with regard to permission to charge admission to the armories for the games. Convenience Is Service!

What a difference there is between an old-fashioned box trunk and an up-to-date wardrobe trunk!

Everything is jammed at random in the old box-but the modern wardrobe trunk is entirely different. It has hangers for garments, drawers for linen, pockets for shoes, a corner for an umbrella and a compartment for

hats. It almost packs and unpacks itself. You live in the great, modern age of System and Convenience. You want a place for everything and de-

mand that everything be in its place. That is why you will appreciate the modern, systematic A-B-C Classified Section. It has a separate "compartment" for each group of opportunities-and they are all alphabetically indexed and numerically

classified for your convenience in quick finding. You'll pack all your troubles in your old kit bagwhen you unpack all the opportunities in the A-B-C "compartments" whose labels interest you.
