treasurer of the association, S. C. A.

of the school will be a supreme ef-  
fort for this small place to keep up  
the grand old work of affording the  
youth of this part of Leeds county  
the advantages of a high school  
training as good as the best."

**Severe Kidney Trouble**

Mrs. F. Rinehart, Camp-  
bellville, Ont., writes:  
"I had trouble with my kid-  
neys and very frequent urination.  
This was followed by pains which  
at times were very severe." The  
doctor said I had inflammation  
of the bladder and that an opera-  
tion might be necessary. To this  
I refused, and began using Dr.  
Chase's Kidney-Liver Pills. From  
the first few doses I felt the  
benefit. The pains left, urination  
was corrected, and I have had no  
recurrence of these ailments."
