Her Quinsy Yields To Vicks

The Direct Action of a Vaporizing Salve Is Best

Mr. Joseph Haley of 199 West Milk Street, Brantford, Ont., says: "My wife has suffered with quinsy for years, but Vicks VapoRub must have prevented it for she got through the winter without a single attack."

For this reason, Canadian druggists introduced Vicks VapoRub, the vaporizing salve for all cold troubles, by giving away dozens of samples to responsible families and every jar sold was on 30-day trial.

The above report is just one of the many received from enthusiastic Canadian families. With such endorsement and a positive money-back guarantee, every household ought to give Vicks a thorough trial as the home remedy for croup, colds, sore throat, bronchitis, catarrh, neuralgia, cuts, burns, bruises and sores.

All drug stores, 50c. a jar. For a free test size package, write Vicks Chemical Co., 344 St. Paul St., W. Montreal, P.Q.

Though Vicks is new in Canada it has a remarkable sale in the States. Over 17 million jars used yearly.

The O.V. Shepherd Says - "Tell me the only garment of Velvoknit that is warm, long, like an old friend." Wool is a non-conductor of heat, thereby retaining the body heat. It absorbs moisture. Women underwear avoids the chill: Velvoknit underwear guarantees these qualities.

You Cannot Hide Your Fat

Overfatness is the one misfortune you cannot hide from yourself or from those around you. If too thin, your dressmaker or tailor can supply the deficiencies, but the overfat carry a burden they can not conceal.

WEDDED FIFTY YEARS

Mr. and Mrs. Manuel Mylks, Victoria street, father and mother of Dr. Gordon W. Mylks, who on Monday, Oct. 15th, celebrated the golden anniversary of their wedding.

The Editor hears

That the British Whig is known far and wide throughout Canada. A member of the staff motoring recently from Banff to Lake Louise in the heart of the Rocky Mountains, found the driver of the car was an old Kingstonian who used, as a boy, to deliver the Whig to the Kingston readers.

That the Weather Man has not had the heart to spoil the fine autumn days with even a shower, in spite of threats to the contrary.

That the death of Miss Lily Dougal, first editor of "World Wide," will attract even more attention in Great Britain than in her native Canada.

That the procession of students waving the red, blue and yellow that led Queen's to victory last year, grew larger as it marched with the band to the station to see the team off to Toronto on Friday afternoon.

That in the death of Mary Ellen Robson at the age of eighty-nine, British Columbia loses a real pioneer. Dr. Robson, the pioneer missionary whom she married in Brockville, Ont., in 1859, shortly after came out with her to British Columbia where she has resided ever since.

And speaking of swift repartee, the arrival of Mr. Lloyd George in Canada brings to mind one of the many bright things the little Welshman has said in the course of his brilliant career.

Some years ago at a public meeting he was discussing a project then known as "Home Rule all round," that is to say, separate parliaments for England, Scotland, Ireland, Wales, and an imperial parliament. He had been speaking with heat and eloquence and he concluded:

"So, gentlemen, I stand for Home Rule for Ireland." (Loud cheers.) "Home Rule for Scotland." (Some cheers.) "Home Rule for Gallant Little Wales." (More cheers.)

"One Rule for 'em!" called a voice from the gallery amid laughter and hisses. "Right!" flashed out Mr. Lloyd George; "quite right. I do like to see a man stand up for his own country."

The line of clothes for the autumn, says The Times, "is straight, the negation of figure, defining nothing." That looks as if a Rossetti heroine will once again be a fashionable figure.

There was a young girl of Lahore, The same shape behind as before; As no one knew where To offer a chair, She had to sit down on the floor.

One dozen raw carrots, washed and grated. 1 cupful sugar to every cupful grated carrots. Let stand over night. In the morning, add strained juice of three lemons, teaspoonful powdered cinnamon, teaspoonful powdered cloves, teaspoonful allspice. Cook the mixture slowly for an hour and seal.

Conscience is a plant of slow growth in an aged bosom—youth is the season of credulity. He who gets forgetful, but he who wants thinks on.

TO-MORROW'S HOROSCOPE

SUNDAY AND MONDAY, OCTOBER 21-22.

Sunday's astrological map assists church and benevolent activities to prosperity and is generally favorable outside of domestic associations.

Those whose birthday it is have the forecast of a fortunate year in business, but may encounter domestic worry. A child born on this day should be successful in its undertakings.

Monday's horoscope is dominated by baneful lunar figures, which enjoin the necessity for strict application to business in order to avoid the shoals. The inclination to turbulence should be subdued, as should the desire to fly to law for redress.

Those whose birthday it is may have a year calling for their best talents and strictest application in order to avoid loss and difficulties. Attend to affairs with determination and self-control. A child born on this day may be headstrong unless it is carefully trained in early youth.

Seasonable Recipes

This is the time to do up quinces and crabapples and here are some hints for the young housewife:

Quince Marmalade. Wipe the fruit, quarter and remove core and seeds. Put this through a grinder, using coarse blade, saving the juice. Cook pulp with juice slowly until nearly tender, add 3-4 measure of sugar and cook until transparent, stirring to prevent burning. Seal. An excess amount of juice can be bottled for syrup for puddings, pancakes, etc. Orange or lemon may be cooked with the quinces or part apple used.

Preserved Quinces. Pare, core the fruit, quarter or cut into small pieces. Cook the skins slowly in water to cover with one whole sliced orange for a quart of parings. Remove orange, strain off juice, cook fruit in juice until nearly tender, add equal weights sugar and cook until transparent. Put in jars with the orange. Cook syrup until thick and pour over fruit. Seal.

Use half apples and add lemon juice and rind and a small piece of cinnamon.

Crabapples. Honey—Core the fruit and put through food chopper. Boil with water to cover for 10 minutes. Add 3-4 sugar and cook until clear and jelly-like.

Pickled—Make a syrup of 1 quart vinegar, 2 pounds brown sugar, 1 tablespoon each cinnamon, cloves, allspice and mace. Add the whole crabapples, stemmed at both ends. Bring slowly to boil to avoid bursting skins and simmer until tender. Seal.

Catsup—Cook 5 pounds whole stemmed fruit in 1 pint vinegar until soft. Put through a sieve. Add 2 1-2 pounds brown sugar, 3 table-spoons cinnamon and 1-2 tablespoon each of salt, paprika and cloves. Simmer until thick.

Christmas Gift Idea. I want to tell you of some beautiful sets I have made for Christmas gifts. I purchased 1 1-4 yards of 16-inch cretonne of a pretty pattern and made two sets of dollies. One dolly in each set being 18 inches in diameter, four nine inches and six 4 1-2 inches. After cutting in circles I had them hemstitched by machine, and then I crocheted a simple edge on them. One I had hemstitched in delft blue and crocheted in same color and one I finished in rose.

I chose a cretonne with a pattern of a basket of flowers for the large piece, and the other pieces I cut to show best patterns. Now I am going to make a set in white and emerald.

Girlish Complexion Now Easily Acquired

"A skin of blended snow, cream and rose" is the way one enthusiast describes her newly acquired complexion. Many who have tried this marvelous wax report that its effects are quite different from those of any other treatment. It produces a complexion of exquisite girlish naturalness, rather than one bearing evidence of having been artificially "made over."

Ends Stubborn Coughs in a Hurry

For real effectiveness, this old home-made remedy has no equal. Coughs and chest troubles.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Anyone who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare, and really there is nothing better for coughs.

Into a 16-oz. bottle, put 3/4 ounce of Pinex; then add plain granulated sugar syrup to make 14 ounces. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, this mixture saves about two-thirds of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly, and tastes pleasant—children like it.

You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tickle cough, and soon you will notice the phlegm thin out, and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, hoarseness, and bronchial asthma.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, the most reliable remedy for throat and chest ailments. To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute satisfaction, or money refunded.
