Convenience Is Service!

What a difference there is between an old-fashioned box trunk and an up-to-date wardrobe trunk!

Everything is jammed at random in the old box—but the modern wardrobe trunk is entirely different. It has hangers for garments, drawers for linen, pockets for shoes, a corner for an umbrella and a compartment for hats. It almost packs and unpacks itself!

You live in the great modern age of System and Convenience. You want a place for everything and demand that everything be in its place.

That is why you will appreciate the modern, systematic A-B-C Classified Section. It has a separate "compartment" for each group of opportunities—and they are all alphabetically indexed and numerically classified for your convenience in quick finding.

You'll pack all your troubles in your old kit bag—when you unpack all the opportunities in the A-B-C "compartments" whose labels interest you.

THE A-B-C CLASSIFIED ADS ALWAYS THE SAME—IN SERVICE ALWAYS DIFFERENT—IN OPPORTUNITY

While it is true that some customers demand too much of a clerk's time, they are entitled to the privilege of satisfying their decision before buying. A second customer trying to demand the clerk's attention only distracts the clerk, who, to be courteous, must try to do two things at once. If the proper attention is not received, the floorwalker or someone in authority, should be appealed to get the proper service for you.
