Says Vicks Is Only Remedy For Croup

Quebec Mother Enthusiastic Over Vaporizing Salvo

Every mother wants her children to be active and to grow through outdoor play. But frequent colds sap their vitality, cause loss of school standing, and keep youngsters puny and delicate.

Mothers who use Vicks Vapo-Rub for children's colds find that the kids can play outdoors and that their cold troubles can usually be checked overnight.

Applied externally, Vicks acts like a liniment or poultice. In addition, the ingredients are vaporized by the body heat and are inhaled directly into the inflamed air passages.

Mrs. Leon Crandall, Box 247, Lake Magalloway, Quebec, writes: "I used Vicks Vapo-Rub for my little girl when she had croup, and I found that it relieved her at once. It is the only remedy for croup, and I would not be without it."

At all drug stores 50c a jar. For a free test size package, write Vicks Chemical Company, 344 St. Paul St., Montreal, P.Q.

Home-made Remedy Stops Coughs Quickly

The best cough medicine you ever used. Mainly eucalypti and menthol. Home-made. No sugar.

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried.

Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, soothes the throat like it is pure and good. Four 2 1/2 ounces of Pinex in a 16-ounce bottle; then fill it up with plain granulated sugar syrup. Or use clear molasses, honey, or corn syrup, instead of sugar syrup, if desired.

This you make in 10 minutes—a family supply—but costing no more than a small bottle of ready-made cough syrup.

And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly beats the influenza germs that line the throat and air passages, stops the sneezing, throat ticks, loosens the phlegm, and soothes the cough, stops entirely. Splendid for bronchitis, croup, hoarseness and bronchial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for its healing effect on the membranes.

tea was going on, adding much to the pleasure of the members of the council and their visitors. The table at which Mrs. W. S. Lennon and Mrs. J. G. Ettinger poured tea, was crowded with tall, yellow chrysanthemums. The tea assistants were the ladies of the council and some bright young girls who proved most efficient waitresses.

Very pleasant and successful was the tea and sale given on Friday afternoon by the Ladies' Aid of Princess Street Methodist church. Mrs. J. K. Curtis and Miss M. Gardiner received the guests and Mrs. Gwatkin and Mrs. J. Clark were in charge of the tea which was poured at a table decorated with smilax, yellow mums and yellow candles by Mrs. Caverly and Mrs. Delehaye.

A tea and sale was held at the Robert Meek school on Friday afternoon which was most successful. The reception committee were Mrs. Robert Meek, Mr. and Mrs. Frank Anselin, Miss E. Godwin and Principal MacDougall.

At the home made table were Mrs. James Dunlop, Mrs. Hyland, Mrs. Paynter and Mrs. Branton. Plain sewing was sold by Mrs. Billings and Mrs. Reynolds and a "Touch and Take" table was in charge to Mrs. Morris and Mrs. Wright.

TO-MORROW'S HOROSCOPE BY GENEVIEVE KEMELA

SUNDAY AND MONDAY, NOVEMBER 11-12.

Sunday's horoscope shows the usual activity but with little in return for intelligent effort and application. Those in the employment of others should be careful.

Those whose birthday it is, may find that things move slowly despite the fact that a particularly important obstacle may be removed.

Monday's astrological chart holds promise for important events which should point to success and increase of money and business, but also augurs for the defeat of these by obstinacy and rash and quarrelsome tendencies.

Those whose birthday it is, may have a successful and prosperous year, if they shun quarrels and litigation. There may be change of advantage. A child born on this day will succeed and rise in life.

ABOUT QUEEN'S GIRLS

The prize given by Mrs. W. E. MacNeill for the best made gown, was awarded to Miss Norah de Harte.

By the sale of tissue paper chrysanthemums, and little woolly men, a considerable sum has been raised by the girls, to go toward the Women's Residence Fund.

The Student Christian Association also sold programmes for the rugby games. The proceeds from this are to be used in sending delegates to the Student Conference at Indianapolis, during the Christmas holidays.

Preparations are on foot for the teas and sales held by the Levana Society and the S.C.A.

A new organization has been formed—the Glee Club. This includes both men and women. For some years there has been no Glee Club at Queen's and it is expected that it will be a decided success now.

The officers are: Hon. pres., Mrs. Macdonald; pres., H. R. Joffe; vice-pres., Uriel Kelson; song leader, H. Norman; programme committee, Miss Best, Miss Van Alstyne, G. Johnston and D. MacInnes.

The bad weather has interfered with the ground hockey games and so far none have been played. It is hoped that if the weather improves the games can be played and the championship decided.

The girls are now beginning to practise for basketball in the gymnasium.

Considerable interest is being shown in the laying of the corner stone of the new women's residence. While many of the girls, now in college, will graduate before it is completed, they are very glad to see a start made at last. A large residence has been a long-felt need.

The Dramatic Society is to produce two plays early in December—"Fourteen" and "The Dumb Wife". The try-outs for parts in these was

DR. A. E. MARTYN, M.A., LL.D. A Queen's University graduate, and the only woman school inspector in Toronto. She will lay the corner stone of the Queen's Women's Residence on University Avenue Saturday afternoon.
