THE G.W.V.A. CANNOT YET GIVE DEFINITE ANSWER

Favor Certain Amount of Co-operation but Action Outside Jurisdiction.

At the general meeting of the Great War Veterans' Association held in the building of the Association last night many important matters were discussed. In response to an enquiry a motion was passed regarding that it was not feasible to entertain any immediate plans for co-operation with other veterans' organizations in the city. The local command has no power in a matter of this sort.

In regard to the matter, however, it was agreed that the plan might have its good points and a committee was appointed to meet the executive of the G.A.U.V. and discuss the situation.

Grants were voted to the Women's Travellers' Aid and to the Orphans' Home, the latter being for a candy treat for the children. The report of the Poppy Day committee was received and adopted.

The sale of poppies in the city netted \$900; R. M. C. raised \$18.20 and Sharbot Lake sent in \$23.50, for a total of \$941.70. Of this amount the manufacture of poppies, advertising, badges for workers, postage, printing and other expenditures incidental to the memorial services, etc., brought the net gain to \$636.51.

This amount will be disposed of as follows: Civic Relief, \$120; W. F. Nickle (Emergency Fund) \$500; Women Travellers' Aid \$10; Orphans' Home, \$6.51.

Appreciation was expressed of the fine work of all those who helped in making Poppy Day a success and of the generous support given by the citizens and prevailing courtesy to workers.

CADET CORPS NOTES.

Presentation of Gold Medals To Be Made at K. C. I.

The Strathcona gold medals won in the rifle competition by Cadet Norman Asselstine and Cadet Ashley Aldridge of the Kingston Collegiate Institute, will be presented by Captain Heron, I.C.S., M.D. No. 3 at K.C.I. on Wednesday afternoon. These gold medals are only awarded to the best shots. They have the recipients' names engraved on the back.

The cadet training throughout M.D. No. 3 is reported to be in splendid shape and the Renfrew board of education, appreciating its benefits, has recently made cadet training compulsory for every boy physically fit; and has purchased a complete new outfit for the corps which now numbers over 190 boys. Serg't Major Gilbert is leaving for Renfrew to instruct the corps for the next three weeks.

A teachers' course in physical training will be started at Brockville on Nov. 24th and will last six weeks. Serg't Major Turner will be the instructor in charge.

Relatives at Brockville have been advised of the death at Ambrose, N. D., of Mr. Charles Hutton, a former well-known resident of Brockville.

CARDINAL LOGUE Who makes an appeal to the Irish Free State government to empty the jails of political prisoners by Christmas, in an effort to remove bad feelings in the nation.

Rotary Club Activities.

At the weekly luncheon of the Kingston Rotary Club at the British-American hotel at 12.30 (noon) on Friday, the club will have as its special speaker, Jules Tremblay, secretary of the Canadian Authors' Association, and clerk of the proceedings of the House of Commons, at Ottawa.

This is the first time that the members of the Rotary Club have had a French Canadian from the province of Quebec, to address them. The club will not only observe Authors' Week, but will be doing something to bring into closer relationship the two great sister provinces of the dominion.—Mr. Tremblay's subject will be in accord with this idea, as he will speak on "The Point of Contact—A Superficial Study of the Means by Which Ontario and Quebec Can Work Concertedly For the Attainment of the Ideal—Canadian Unity."

At a meeting of the directors of Rotary Club held on Monday afternoon, an invitation from the Sisters of the House of Providence to hold this week's luncheon at their bazaar in the city buildings was considered. In as much as arrangements had already been made for a French-Canadian speaker, in the person of Jules Tremblay of Ottawa, and which arrangements at this date, could not be altered, it was decided that in place of attending the bazaar, the club contribute the sum of \$25 toward the very worthy cause which the Sisters represented, and to urge the individual Rotarians to patronize the bazaar whenever possible. The directors regret very much that arrangements could not be made for the members to dine at the bazaar in a body as they did three years ago, but a change was impossible.
