Restored to Health By Taking
"Fruit-a-tives"
Made of Fruit Juices and Tonics
The most convincing proof of the
true worth of "Fruit-a-tives" as a
medicine for women is found in the
letters written by them to "Fruit-a-
tives". For instance:
"I suffered with all the symptoms
of female trouble, pains low down
in the back and sides, constipation
and constant headaches. A doctor
advised an operation. I started
taking "Fruit-a-tives" and this fruit
medicine completely relieved me of
all my misery".

**His Sluggish Liver
Made Him Feel
Drowsy and Tired
All the Time**

When your liver becomes sluggish
and inactive your whole health suf-
fers, and the only way you can get
back to feeling right is to make your
liver right.
This you can do by the use of Mil-
burn's Laxa-Liver Pills as they will
stimulate the sluggish liver, clean
away all waste and poisonous mat-
ter from the system, and prevent, as
well as relieve, all complications
arising from a liver that has be-
come inactive.
Mr. E. Hazel, East Florenceville,
N. B., writes:—"I had been troubled
with my liver and felt drowsy and
tired all the time, and was unable
to do my work with any comfort.
I took your Milburn's Laxa-Liver
Pills and to-day I am a different man,
and would not be without them in the
house."

OF RHEUMATISM**

Red Pepper Rub takes the "ouch"

red peppers. Just as soon as you ap-
ply Red Pepper Rub you will feel
the tingling heat. In three minutes
it warms the sore spot through and
through. Pain and soreness are
gone.
Ask any good druggist for a jar of
Rowles Red Pepper Rub. Be sure to
get the genuine, with the name

**Co-operative Selling Proves
Successful with Portuguese**

Washington, Nov. 21.—A band of
100 Portuguese farmers, who can
neither read nor write English and
who are working out their economic
freedom through co-operative mar-
keting, is engaging the attention of
the department of agriculture.
Officials here say these Portuguese,
who live about Cape Cod in Massa-
chusetts and call themselves the
Cape Cod Strawberry Growers' As-
sociation, understand the true prin-
ciples of co-operation. The secret
of their success is a high quality pro-
duct, carefully graded and packed
which has created a demand that
takes practically all the berries the
association can market.

**DRINK WATER WHEN
KIDNEYS HURT YOU**

Take Glass of Salts if Your Back
Aches or Bladder
Troubles You

When you wake up with backache
and dull misery in the kidney region
it may mean you have been
eating foods which create acids,
says a well-known authority. An
excess of such acids overworks the
kidneys in their effort to filter it
from the blood and they become sort
of paralyzed and loggy. When your
kidneys get sluggish and clog you
must relieve them, like you relieve
your bowels, removing all the body's
urinous waste, else you have back-
ache, sick headache, dizzy spells,
your stomach sour, tongue is coat-
ed and when the weather is cold
have rheumatic twinges. The urine
is cloudy, full of sediment, channels
often get sore, water scalds and you
are obliged to seek relief two or
three times during the night.
Either consult a good, reliable
physician at once or get from your
pharmacist about four ounces of Jad
Salts; take a tablespoonful in a
glass of water before breakfast for a
few days and your kidneys will then
act fine. This famous salt is made
from the acid of grapes and lemon
juice, combined with lithia, and has
been used for years to help clean
and stimulate sluggish kidneys, also
to neutralize acids in the system, so
they no longer irritate, thus often re-
lieving bladder weakness.

Jad Salts is inexpensive, cannot in-
jure and makes a delightful, efferves-
cent lithia water drink. Drink lots of
soft water. By all means have your
physician examine your kidneys at
least twice a year.
