COUNTY REFUSES TO PAY THE HIGHWAY BILLS

Which Are Passed on to 1924 Council—Deficit on the Year's Business.

At the county council meeting Wednesday afternoon, there was an informal discussion on the bills of the provincial highway department for the provincial highway construction and maintenance in Frontenac county. Councillor Graham introduced the matter and declared that the council should continue to refuse to pay the bills as they were a hardship on the people. The government should relieve the municipalities. The bill for 1922 is \$44,966.36 and that for 1921, which is still unpaid, is \$52,817.82. Nearly all the members of council spoke on the question and agreed that the government should not call upon the municipalities to pay such large bills. Nothing will be done at this session regarding the demand of the highways department. It will be up to the council of 1924 to deal with the matter.

Councillor Clark gave notice of two by-laws. One was to include the deviation road in the vicinity of Collin's Bay in the county road system known as the Bath road. The other was to designate a road from the outer C.N.R. station through the townships of Kingston and Storrington county road, intersecting the provincial highway at the boundary between Frontenac and Leeds, as a provincial county road.

Tax Rate Insufficient.
The county council will finish the year with a deficit owing to not having levied a sufficient tax at its June session to meet the year's requirements. The original budget provided for a rate of twelve mills, but this was reduced to eleven when council met. The result will be a deficit of over \$3,000 and the additional mill will have to be added to next year's rate to make up this overdraft. It was the increased cost of education and administration of justice that required a twelve-mill rate for 1923. The expenditures are fixed and cannot be controlled by the council. Over three-quarters of the county expenditure comes under the head of "uncontrollable," and there is nothing for the council to do but meet it.

CHILDREN'S AID SOCIETY

Dr. E. C. D. McCallum Re-Elected President—Valuable Work is Being Done.

The annual meeting of the Children's Aid Society was held in the council chamber of the city hall on Wednesday afternoon and there was a large attendance of the members from both the city and county. The report of the president, Dr. E. C. D. McCallum, and that of the agent, William Black, showed that a large amount of very valuable humanitarian work was being done and that the officers were inspired by the highest motives. All of the reports evoked applause.

Dr. McCallum reviewed the work of the year and directed attention to three special problems. The first was the appointment of a suitable man as agent. In securing Mr. Black he felt that the society was very fortunate. Two new provincial acts came into force, the unmarried parents' act and the adoption act. They were carried out in a most satisfactory manner. Some points in the constitution had to be modified. It was necessary to secure the recognition of the liability for wards in the home by various municipalities. Referring to the making of wards, he said that the society was merely doing the work that the city would have to do if the society did not exist. Seventy-five cents a day was charged. They were all indebted to Warden Sibbitt of Frontenac county for the way the county council recognized its liability and paid its accounts.

He regretted the loss of two very valuable members in the persons of Mrs. Conde of the Salvation Army by her removal to Toronto, and Mrs. Bruce Taylor, who was obliged to resign from the executive owing to illness. W. M. Nickle, resigned as solicitor and he was succeeded by Francis King. Both rendered valuable service.

Referring to the future, Dr. McCallum said he would like to have better office accommodation for the agent. He regretted that there was so little knowledge of the government acts governing the care of children, and expressed the hope that there would be a more kindly disposition shown toward the little ones. Foster parents have a duty, and they should not use children simply to get work out of them. They adopted them as members of their own families. He could see no reason for friction between the city and the society. Regarding unpaid accounts, he had only to say that if the law said they should be paid, then they ought to be paid.

Mr. Black gave some very interesting information regarding his work. There was a large number of children committed in the police court. There were 35 wards made, 29 boys and 15 girls. There are 16 in foster homes, 3 charged to municipalities, 2 charged to relatives, 5 settled for by lump sum of money, 2 adopted, 4 charged in shelters, 2 charged to county homes, 2 placed in infants' Home, 2 taken from houses in the city. There is a total

of 129. Of this number 106 belong to the city and 23 to the county; 20 ceased to be wards during the year, 9 by adoption, 6 by attaining their majority, 3 were married, 2 died. There were 99 on the spring visiting list, 77 of whom were visited by him. The whereabouts of 12 are unknown. Three cases were closed by settlement. There were 5 judgments, 1 action for seduction and one for contempt of court.

Dr. Lothrop read the auditor's report which showed a deficit. The new officers are: President, Dr. E. C. D. McCallum; first vice-president, W. S. Doggett, Pittsburg; second vice-president, James Halliday; secretary, Dr. Lothrop; treasurer, T. A. Kidd.

County members on the executive: Mrs. Charles Abbott, Dr. G. W. Bell, J. Sibbitt, J. W. Bradshaw. City members of the executive: Dr. F. J. O'Connor, Mrs. F. Etherington, Mrs. Boshier, Miss Mowat, Dr. C. C. Nash. The election was unanimous.

NAPANEE POULTRY SHOW TO BE HELD NEXT WEEK

Fire at Wesley Huff's Home—Napanee People Coming for Rugby Game.

Napanee, Nov. 22.—The local Chapter of the I. O. D. E. gave a most successful and enjoyable "euchre" in the town hall on Tuesday night. There were thirty-five tables. Dainty refreshments were served. Afterward a dance concluded the evening's proceeding. The regent, Mrs. Harshaw and her staff of competent lieutenants are to be congratulated.

The many friends of Harold Herington are wishing him good luck in the practice of his profession in Kingston. He has been a very popular young man here both personally and socially and his many friends are singing "Will ye no come back again."

The merchants and all interested are looking forward with pleasant anticipation to the two days of the poultry fair to be held in Napanee next week. Good prices are always paid at these fairs for turkeys, ducks, geese and other poultry. Buyers will be present from Toronto, Montreal and elsewhere and large sums of money will change hands on these days.

License Inspector Walter Exley had an accident in his car on Monday evening and he was badly snarled up as a result. The car is said to be badly wrecked.

Grace Methodist church bazaar is in progress today and the ladies are doing well. This evening there will be a concert in connection.

Mr. Wallace of the Campbell House has sold out his interest in that hostelry. The purchaser is James A. Gilmour, London, Ont. Many from Napanee will be in Kingston on Saturday to witness the game between Queen's and the Tigers. A goodly number of tickets have been sold here.

A men's re-union will be held in the school room of the Church of St. Mary Magdalene tonight. The men will provide the programme and the refreshments. The entertainment is sure to be good as the men dare not have it otherwise for the ladies will be there to criticize.

R. Easton Burns, Kingston, was a visitor in town yesterday. A fire occurred at the home of Wesley Huff, Water street, yesterday forenoon. The fire brigade were promptly on the scene and did good work. The kitchen and woodshed succumbed to the flames. The owner was out of town at the time.

GANANOQUE

Nov. 22.—Mrs. W. F. Stevens, The International, was hostess of a delightful bridge party on Tuesday evening.

Mrs. J. A. Bulloch has returned after an extended visit with friends in Toronto.

A daughter was born to Mr. and Mrs. V. B. Terry, yesterday morning.

Mrs. George Nelson left yesterday for Ottawa.

Mrs. Stanley Shiels, Mrs. Frank H. Lutz and Miss Annie Shiels motored to Kingston yesterday and spent the day at the House of Providence bazaar.

Miss Kate Tucker received the sad news of her father's death in Kingston on Tuesday evening.

Mrs. C. E. Kidd and children have returned after attending the funeral of Mr. Kidd's father at Ashton, whose sudden death occurred last Saturday.

Mr. and Mrs. George Gibson were again pleasantly surprised last night by a number of their friends who took possession of their home and enjoyed progressive euchre and dancing for a few hours.

MONEY

AT WORK

Brief but important lessons in Finance, Markets, Stocks, Bonds and Investments

INCOME

IS TAX-EXEMPT

What are tax exempt securities?

Tax exempt securities represent money borrowed by some branch of government (federal, state, municipal), to be used for government undertakings. These securities are tax exempt because, although the state and federal governments can and do tax their own issues at times they cannot tax the issues of one another.

The tax exemption is written into the bond to make it more attractive and more salable at a lower interest rate. A rich man can keep the entire 5 per cent which he may receive from a municipal bond, his income tax may take half of the 7 per cent, he receives from the bond of an industrial corporation. Naturally, this type of investment is a refuge for large incomes which are subject to a high income tax. The exact amount of tax exempt securities cannot be measured, and estimates vary from fifteen to thirty billion dollars. They have increased rapidly in the last few years and many authorities expect an output of about two billion a year in the near future. This compares with less than half a billion a year prior to 1919.

JAMES REID

FUNERAL DIRECTORS. TEL. 147 FOR SERVICE

"O HENRY," "O MABEL," the United States registration of the name was prior to the regulation by the Canadian company and gives them the right to have the Canadian registration set aside. The United States company bases their right to registration on the contention that they were first users of the name. The Exchequer Court will decide whether the term "first user" in the registration of a trade mark means the original first user or merely the first to use the trade mark in Canada. Pratte is especially sweet from those whose own lives have been the subject of eulogy.

There is Much Anxiety Over Children's Colds

WE do not mind so much having colds ourselves, for we imagine we can tell when they are getting serious and apply the remedy. But when the children cough it is different. Especially does the sharp, metallic cough of croup send a thrill through the mother's nervous system. The trouble is the child does not realize the danger, can-

not describe the trouble, and all depends on the prompt action of his elders.

Why not be on the safe side by always keeping Dr. Chase's Syrup of Linseed and Turpentine on hand for use in case of emergency?

Croup and bad colds usually develop in the night, when it is not convenient to send for treatment, even if you are within reach of a drug store.

Being pleasant to the taste, gentle and soothing in action, and composed of simple ingredients of well-known medicinal value, this medicine is especially suited for children, as a relief from coughs, colds, croup, bronchitis, sore throat, whooping cough, etc.

In very many thousands of homes it is the old favorite treatment which has proven its exceptional value so many times that it is depended upon absolutely.

Next to knowing what to use, the most important point is to apply the treatment promptly, and this is why we emphasize the necessity of keeping Dr. Chase's Syrup of Linseed and Turpentine on hand at all times. For this reason it is well to get in the bottle of buying the large, family-size bottle. This ensures an adequate supply.

Dr. Chase's Syrup of Linseed and Turpentine

35c. a bottle. Family size, three times as much, 75c. All dealers or Edmanon, Bates & Co., Ltd., Toronto
