Constant Headaches and Dizziness

It is hard to struggle along with a head that aches and pains all the time, and in nine cases out of ten the persistent headaches are due to some derangement of the stomach, liver or bowels.
Undoubtedly the cause must be removed before permanent relief may be had.
Burdock Blood Bitters removes the cause of the headaches, as it acts on every organ of the body and strengthens, purifies and regulates the whole system.
Mrs. Peter Curran, 27 Morrison St., Sydney, N.S., writes:—"I have been troubled for the last five years with constant headaches and dizziness. After trying several remedies, which I found to be of no avail, Burdock Blood Bitters was recommended to me.
B.B.B. did me a world of good, and I cannot praise this remedy enough."
Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

KINGSTON AND VICINITY

James Halliday Ill.
James Halliday has been confined to his bed for the past few days with bronchitis and he is not expected to be out before the first of next week.

Reduced to Fifty.
The number of men on the payroll of the Board of Works department, which during the summer months was over two hundred, is now about sixty.

Great Clearing Sale.
Having a large stock of Boys' and Men's Winter Overcoats, we have decided to put on sale our entire stock at a great reduction in price. See our range before buying elsewhere. Prevost, Brock street.

Owners Make Settlement.
The steamer Phalen, which was to have been sold by Sheriff Vair on Tuesday, was not offered for sale. It is understood that the owners have made a settlement, and the boat will not be sold for the present at least.

Case at Sharnot Lake.
County Magistrate J. W. Bradshaw will preside at a sitting of the court which will be held at Sharnot Lake on December 5th, when a man will be charged with violating the O.T.A.

Tobacco Sign Torn Down.
The large score board, which was placed in the fair grounds by the Imperial Tobacco company for the convenience of the baseball fans, was torn down by some unknown person or persons. The posts were sawn off close to the ground.

To Celebrate Anniversary.
His Grace Archbishop Spratt will on Friday celebrate the twelfth anniversary of his consecration as Archbishop of Kingston and there will be a pontifical high mass in St.

SUFFERED TERRIBLY TILL DRECO CAME
Kingston Lady Finds Wonderful Relief From Stomach and Kidney Trouble and Praises Dreco to the Skies. One Bottle of this Grand Remedy Gave Splendid Results.

"For years I have suffered with stomach and kidney trouble," says Mrs. J. Halliwell, of 208 University Ave., Kingston, Ont. "Gas would form on my stomach like a lump of lead and cause terrible belching. I had dull pains in my stomach and across my back and my kidneys were badly out of order. I continually had a dull, tired feeling and didn't seem to have energy to do my work. Everything was an effort. Constipation was chronic with me too, and I had to take a laxative every night. I took many kinds of medicines, but nothing did me any good. Instead, I kept getting worse until I was at my wit's end. I didn't know what to do and was continually worrying about my condition, until one day my husband read about Dreco and suggested that I try it.
"I have only taken one bottle, but the improvement in my condition is wonderful. My stomach hardly ever gives me any trouble now. The pains have disappeared altogether and my kidneys are in much better shape. My constipation is greatly relieved and I feel much better in every way.
"I am going to keep right on taking Dreco, as one bottle, from the immense amount of good it did me, has convinced me that here indeed is a good, reliable remedy. This one bottle did me more good than all the rest put together."
Run-down systems improve rapidly under the corrective influence of Dreco's pure herb, root, bark and leaf juices. This splendid, natural remedy soothes the irritated stomach, arouses the liver, strengthens the kidneys and relieves constipation. It purifies the blood and tones and regulates the whole system. Dreco contains no mercury, potash or habit forming drugs.

Dreco is being specially introduced in Kingston by Macleod's Drug Store. It is also sold in Nanapan by Wallace & Co., in Gananoque by W. E. Austin, and by a good druggist everywhere.

Hero Medal Is Awarded.
Melvin Allen, son of Mr. and Mrs. Robert Allen, at one time resident of Carleton Island, where Mr. Allen had charge of the light on Three Mile Point, N.Y., has been awarded a Carnegie Medal and \$1,000 by the Carnegie Hero Commission for his act in saving the life of a shipmate in Duluth harbor three years ago. Allen is a world war veteran having served in the navy during the years 1917 and 1918.

To Build Dinghies.
A fleet of sailing dinghies for members of the Crescent Yacht Club to be built in Watertown, N.Y., this winter by Frank Obery, well known shipbuilder. The 14-foot sailing dinghy has become immensely popular on Lake Ontario. It is a one-design craft and at Kingston there are twenty-five of them. At Toronto there are eighty. The cost, delivered, will be \$225.

Winter in Algonquin Park.
The Canadian National Railways hotel the "Highland Inn" at Algonquin Park, Ontario, 200 miles north of Toronto and 2,000 feet above the sea level, will open for the winter season on December 15th, 1923. As accommodations is limited application for rooms should be made early. Write N. T. Clarke, manager, Algonquin Park Station, Ont., for booklet or consult any agent of the Canadian National Railways.

New Orchestra Heard.
Ottawa School of Music Symphony orchestra, under the conductorship of Jack Cavill, made its debut in the Glebe Collegiate Institute before a large audience. It is a young organization, for the parent body, the Ottawa School of Music is only a year old. Prof. A. H. Howell, formerly of Kingston, is the founder. In addition to the orchestra Miss Dellerone Craig, Kingston, sang "Pale Moon" and "For You Alone."

B. Bullard Passed Away.
On Sunday the death took place at Plum Hollow of one of the best known men in Leeds county in the

person of Bert Bullard. He had been ill for a few days of pneumonia. The late Bert Bullard was a son of the late Mr. and Mrs. Joseph Bullard, pioneers of the county. He was born at Plum Hollow and was in his sixty-first year. He conducted a large farm in Bastard township. He leaves to mourn one son, Joseph Bullard, Plum Hollow, and one daughter, Miss Lola Bullard, Ottawa.

Remains Buried Here.
Mrs. Mary E. McDonald, widow of George McDonald, for many years a resident of Cape Vincent, N.Y., died at the home of her nephew, Fred A. Dunn, at Governor's Island, following quite a long illness. She was seventy-nine years of age. Her remains were buried at Kingston, Ont.

Many Black Squirrels.
Black squirrels are very numerous in the city just now. They have come in to find food as nuts are scarce. A few days ago a lady going into her kitchen found a squirrel enjoying an apple. On Monday one of the animals was found crossing Barris street on a cable. It walked in like a professional.

Electric Car Leaves.
As the result of difficulty experienced in the course of its operation on the Westport subdivision of the Canadian National Railways, the electric storage battery car was shipped to Toronto to be thoroughly over-hauled preparatory to being restored to service. A steam train is carrying on the schedule.

Benefit to Drivers.
The remembering of the city streets will be of great benefit to the men who drive delivery wagons. In some cases it is necessary to go from one end of the street to the other to locate certain numbers. One street, which has been renumbered, had two houses with the same number in the same block.

A Prolific Goose.
J. T. Clapp, residing in the second concession of Thurlow township, is the possessor of a goose that has an extraordinary record for this year. In the spring, the fowl laid thirteen eggs and hatched same. Last week the goose was found setting upon fourteen eggs which she had laid in an obscure place about the farm.

To Winter at Brockville.
James S. Coleman, Staten Island, N.Y., has arrived in Brockville, and will spend the winter there. He is a native of Lyn. His wife a patient at the Brockville hospital, is improving nicely following an accident sustained some weeks ago when she fell and fractured one of her hips.

Blocks From Gananoque.
Over 800,000 paving blocks have reached Toronto from the Street & O'Brien quarries in the neighborhood of Gananoque. The stone is of a brownish tint. The blocks are principally for use in the rehabilitation of the Toronto Suburban Railway inside the city limits.

High School Principal.
Miss Daley, Port Hope, recently teacher at Moulton College, is taking the principalship of the Marmor high school as Mr. Payette, the former principal, left to take up his new duties as separate school inspector of northern Ontario. Miss Daley is no stranger to Marmor, as she was one of the teachers when the high school was first established four years ago.

Swollen Joints, Quickly Limered Up
Rub On Nerviline
You would be surprised at the wonderful action of "Nerviline" in just such cases. Being thin and not an oil preparation, it is able to penetrate quickly, and down it sinks into the tissues, relieving the swelling, soothing action wherever it goes. For stopping muscular or nerve pain, for easing a stiff joint, Nerviline is a complete success. Pain, soreness, stiffness, all vanish before the magic power of this wonderful liniment. Nearly fifty years of success proves the merit of Nerviline, which is sold everywhere in large 25 cent bottles.

66 Friendly Street

ACIDS IN STOMACH CAUSE INDIGESTION
Create Gas, Sourness and Pain
How to Treat.
Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.
Artificial digestants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Blurred Magnesia and take a teaspoonful in a glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Blurred Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

Died at Moose Jaw.
Mrs. James Finlayson, Appleton, has received word of the death of her brother-in-law, Hugh Rorison, who passed away at Moose Jaw on Nov. 8th. Mr. Rorison was seventy-two years of age, was born and brought upon the Allan Grant farm in Fitzroy. In his early life he and his brother conducted a large dry goods business in Rentrew. He leaves besides his widow (Lizzie Ruttle of Innisville), three sons and three daughters, all in good circumstances.

The Destruction of Marash.
Marash, Turkey, the home of Miss Poladian, who speaks here on Sunday, was occupied by British Indian forces at the end of the World War. During their stay excellent order was maintained, but when French forces relieved them disturbances began. The ill-advised French Commandant threatened the Turks with bombardment if they hoisted their flag as they had been privileged to do under the British. They flew the flag and his guns opened up, but he heavy rifle fire soon drove his forces to the shelter of the grounds of the Girls' College. Here they were practically prisoners, and starvation was at hand. Disguised runners were sent out to the nearest French regiments, a hundred miles away, but an aeroplane returned with the answer that neither forces nor provisions could be spared. Then—but perhaps Miss Poladian will finish the tragic story in one of her appearances here on Sunday.

First Meerschmum Pipe.
Made Its Initial Appearance Two Hundred Years Ago.
Smokers will be interested to know that the bi-centenary of the meerschmum pipe this year, as it was in 1723 that it made its first appearance.

The honor of discovering it is ascribed to a Hungarian shoemaker, who was also a clever carver in wood and other material. His excellence in this direction brought him under the notice of Count Andrassy, who gave him a piece of whitish clay, which he had brought from Turkey to carve. Finding that it was porous, it occurred to the shoemaker that it might be good for making pipes as it would absorb the nicotine.

He made one merely as an experiment, and found that it was all he had imagined. Thus the meerschmum came into being. This first meerschmum, by the way, is still preserved in the museum at Pesth.
