PRESBYTERIANS

Have You Read

THE BASIS OF UNION?

This document introduces such radical changes that every Presbyterian should read and study it

DO YOU KNOW?

That:

1. The ministers will not be pledged to any system of Truth.
2. The ordained eldership will be dropped.
3. The right of a congregation to "call" its own minister will be taken away.
4. The right of a Presbytery to ordain and induct its ministers will be taken away.
5. To exchange the Great Confession of Faith for this doctrinal compromise—the Basis of Union—is too big a price to pay for a so-called Union.

Instead, there will be a "Settlement Committee" which may or may not grant the request or adhere to the wishes of a congregation. The right to "call" its own minister is a cherished right and privilege of Presbyterianism.

This solemn and sacred privilege is highly prized by the Presbyterian Church.
