

—don't rack your brain they'll all like EVERSHARP and WAHL PEN

How many Christmas presents are you going to give? Check over the names. Do you know that you can give every one of them Eversharp or Wahl Pen, or both, and stay well within your allowance?

Remember, no other pencil can be like Eversharp. Its features can't be copied. The rifled tip that grips the lead and prevents it from wobbling is exclusively Eversharp's. Ask to be shown the automatic index. Look for the eraser under the cap—and the supply of extra leads.

The all-metal Wahl Pen is another great writing achievement. Here is a pen that can never split. It is made in durable gold and silver. It is beautiful. It is distinctive. It will last a lifetime. And it holds more ink.

Give Eversharp, Wahl Pen or both in the velvet-lined gift box. Eversharp, \$1 to \$50; Wahl Pen, \$4 to \$50. Look for the name on each.

Was Constipated For Several Years

If you have suffered from constipation for years, tried all kinds of remedies without getting relief, if you have been subject to all the miseries associated with constipation, wouldn't you consider it a blessing to be able to keep the bowels regular and in a good healthy condition and prevent disease getting a foothold on your system?

Milburn's Laxa-Liver Pills are indicated just for this purpose; their regular use relieving the worst cases of constipation. Mr. M. Hedicar, Sudbury, Ont., writes:—"I have been troubled with constipation for several years. I began to use Milburn's Laxa-Liver Pills and find them to be the best remedy I have ever used for regulating the bowels and liver. I always keep them now and recommend them highly."

Milburn's Laxa-Liver Pills are 25c. a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co. Limited, Toronto, Ont.

PREBYTERIANS AND CHURCH UNION IN connection with this vital issue, there are some facts which you should know and think about, before you allow your church to be legislated out of existence. DO YOU KNOW 1. There are 100,000 members of the Presbyterian Church who have never had a chance to vote on this question of Union? 2. There are thousands of our men who were overseas when the last vote was taken—the soldiers? 3. The people—who are the church—have never had a single chance to vote on the proposed Bills? DO YOU KNOW 1. That it is now eight years since the people had a chance to vote on the question of union? 2. That during that time: (A) The great war ended and peace was declared? (B) Colossal changes have taken place in commerce, industry and society? (C) Uncertainty and unrest are distracting the minds of men? 3. That the people have never had a chance to vote on the Proposed Legislation? Considering these facts: IS IT RIGHT 1. To force union on the church now? 2. To ignore the new members and soldiers? 3. To pass these Bills without a vote? 4. To disrupt our ancient and beloved church? "Pray for the Peace of Jerusalem, They shall prosper that love thee."
