 What the Press Agents Say About
 Coming Attractions

The Classics of 1924.
 Palo and Palet are extremely ac-
 complished musicians. It is said
 of them that they play more instru-
 ments than any other musicians. The
 elder of the two is Italian by birth
 being born just outside Turin in the
 north of Italy. He started his musical
 career at a very early age and
 when quite young made his living
 as a musician, and saved enough to
 place him in the conservatory of
 music in Milan and became a band-
 master. The younger Palet is also
 a musician of a very high order born
 in America, of Italian parents and
 he has studied on the continent of
 Europe; namely, in Brussels and
 Paris. He specializes chiefly in clas-
 sical music and is a great admirer
 of Chopin, Mozart, Beethoven, etc.,
 many performances especially in
 vaudeville jazz orchestras play what
 is commonly known as by ear; not
 so Palet. He is an accomplished
 musician in every sense of the word,
 having studied many compositions,
 harmony and orchestrations in the
 conservatory of Brussels. Their
 performance will be greatly admired
 as they have learned not to play too
 far over the heads of the public and
 their selections are classic and also
 popular melody. Palo and Palet find
 out by this method that they can
 please the audiences of all classes.
 They have just finished a successful
 season with the Ziegfeld Follies and
 have been quite a sensation on
 Broadway, New York. A Palet (Gal-
 larini) is a phonograph artist and
 piano accompanist and plays for the
 Vocalion Company and you will find
 some of his records in the various
 stores where these records are sold.

**FUNNY THINGS HAPPEN WHEN
 WE VENTURE TO HAVE DREAMS.**
 If the motion picture makers con-
 tinue to use dreams as the basis of
 their plots then a great many of us
 will be afraid to go to sleep at night
 any more. It was perfectly all right
 when they stuck to straight comedy,
 but now that they have introduced
 melodrama and even tragedy into
 this style of film—we draw the line.
 For instance, in the picture show-
 ing at the Capitol at present we
 have murders and twenty-year terms
 and robberies, etc. The name of the
 picture is "Hell's Hole"—a very sad
 title indeed. Whoever picked it
 must have had a fit of the blues
 or must have been in the same fix
 as "Red" Ryan is at present for it
 refers to a perfectly respectable pris-
 on.

The upshot of the story is that
 two westerners get to roaming to-
 gether. One's a bad man and the
 other is a Zane Gray man. The Zane
 Gray man gets into jail for the sins
 of the bad man. Of course the war-
 den has a pretty daughter or niece
 or something and there is an attempt-
 ed escape, frustrated by our hero
 with the steely blue eyes and the
 prominent chin. A good time is had by
 all.
 Then the two westerners wake up.
 Terrible!

Novel Picture at Strand.
 One of the most novel pictures of
 the current season—William de
 Mille's latest Paramount production,
 "The Marriage Maker," at the Strand
 Theatre to-day and tomorrow. Agnes
 Ayres and Jack Holt are featured,
 while Charles de Roche heads the
 supporting cast. The story tells of
 the love affairs of several young
 society folk which are threatened
 with disaster until a Faun, a creature
 half man, half beast, takes a hand
 and brings not only order out of
 chaos, but happiness to all concerned.
 The picture is packed with red
 drama and much reliable humor.

**Royal Military College
 Christmas Greeting Card**
 Britannia grasping the hand of a
 Canadian military cadet over the
 new memorial arch is the striking
 design of cards of Christmas greet-
 ing coming from the Military Col-
 lege. Above the figures is a scroll
 bearing the legend "We will keep
 faith." The card was designed in
 competition by Gentleman Cadet
 Hughes. The memorial arch at the
 college now nearing completion, is
 erected by contributions from the
 ex-cadets of the college, in memory
 of those cadets who lost their lives
 on active service. During the late
 war 932 former cadets served, out
 of a total possible of 1,136. Of these
 147 lost their lives.

BEQUESTS RECEIVED.

 dron Estate.

Aim to Augment Supply.
 Ottawa, Dec. 21.—A total of forty
 million salmon trout eggs have been
 collected during the season just closed
 by the Department of Marine and
 Fisheries in Lake Huron, Georgian
 Bay and Lake Superior. This is
 sufficient to fill all the hatcheries on
 the Great Lakes. The large propa-
 gation of salmon trout, eight mil-
 lions have been transferred from
 Georgian Bay to the Thurlow hatch-
 ery, and the fry will be distributed
 in Lake Ontario.

SPORTING NEWS

Indoor Baseball.
 Two games of indoor ball were
 called in the Armouries on Thursday
 evening, but only one took place,
 owing to H.Q. R.C.A. defaulting their
 game to R.M.C. Staff. How-
 ever "A" Battery were on hand and
 gave R.M.C. a practice game which
 was very much enjoyed by the spec-
 tators and resulted in a win for R.
 M.C. Staff.

The second game, district staff
 versus Machine Gunners, resulted in
 a win for district staff by the score
 12-4. This was a very interesting
 game throughout, both teams play-
 ing exceptional good ball.

**POLICE FOUND LIQUOR
 HIDDEN UNDER FLOOR**

**Heavy Penalty Imposed on
 Louis George for "Having
 Liquor for Sale."**

In the wee sma' hours of Friday
 morning, Police Sergeant John Nay-
 lon and Constables Timmerman and
 Mullinger, visited No. 4 North
 Street, in search of liquor, and the
 officers were rewarded for their
 search, as in giving an upstairs bed
 room the "once over," Sergt. Naylon
 found a loose board in the floor,
 and on lifting up the board, located
 fourteen bottles of Scotch whiskey.
 As a result of the find, Louis Wil-
 liam George was arraigned in the
 police court on Friday morning,
 charged with "having liquor for
 sale." He pleaded "not guilty,"
 stating that he recently came from
 Windsor, and that he brought the
 liquor from the Border city for his
 own use. He had purchased the
 liquor from a fellow workman there.
 The officers stated that before they
 made the search, George declared
 that he had no liquor in the house.
 He was a boarder at this house.
 Magistrate Farrell imposed a fine
 of \$500 and costs, or six months in
 jail.

turned to the owner.
 "Thanks to the police, you are not
 in more serious trouble," said Mag-
 istrate Farrell to Abrams, in dismis-
 sing the charge. "You got into all
 this trouble by your negligence in
 not returning the saddle you bor-
 rowed. I do not think you had any
 intention of stealing the saddle."
 The case of a taxi driver, charged
 with speeding, was dismissed.

**CITY HOCKEY LEAGUE'S
 SEASON WELL ARRANGED**

**Meeting Last Night—Schedule
 Adopted and But One
 Change in Rules.**

The City Hockey League held an
 other successful meeting in the
 Standard office last night with Pre-
 sident Charles Taylor in the chair.
 Delegates were present from the
 Circle-Six, A.O.H., St. Mary's, Live
 Wires, Irishmen, Granite and R.C.
 A. The vice-president was the only
 member of the executive not on
 hand.
 It was arranged that the St. Mary's
 Club's senior team enter the
 senior series instead of A.O.H. The
 report of the Rules Committee was
 received and adopted with but one
 change which is:
 That every team submit a list of
 not more than twenty players who
 come under league requirements by
 Friday next, Dec. 28th, and that the
 executive pass upon such players and
 that no others be added to this list
 throughout the season.
 The report of the rink committee,
 and the schedule drawn up by that
 committee, were adopted, with the
 only change that St. Mary's is sub-
 stituted for A.O.H. throughout the
 list.
 Many matters of interest to the
 league were discussed and thrashed
 out and one or two details left over
 until the next meeting. Managers
 were furnished with players' cards
 by Secretary Hartrick and must pre-
 sent them to the rink next night.

CLOSING OF SCHOOLS.
 Christmas Entertainments Held By
 The Children.
 The schools closed for the Christ-
 mas holidays on Friday, and there
 was great rejoicing among the chil-
 dren. In many of the class rooms,
 entertainments were held to mark
 the closing. In the majority of the
 junior grades the scholars were giv-
 ing a treat.
 In the senior fourth class of Cen-
 tral school, in which Miss Ryder is
 teacher, twenty-three pupils were
 awarded honor certificates for resis-
 tion of cards. Besides the program-
 me was given:
 Phylis, "The Silver Coin," Kath-
 erine Wolfe, Ben Allmark, Norma
 Doolas, William Holland, piano solo,
 Lora Pappas; recitation, Marjorie
 Dorns; recitation, William Holland;
 piano solo, Edith McGinn; recitation,
 Norma Eccles; piano solo, Vera Low-
 ing; piano solo, Ethel Patton; In-
 strumental duet, Katherine Wolfe
 and Vera Lowing.

Buried at Picton.
 The remains of the late Charles
 Edward Ellis Biddle were laid to
 rest in Glenwood cemetery, Picton.
 The deceased had in his earlier years
 been an active member of the Sal-
 vation Army, having been converted
 in the Salvation Army in Kingston
 and was, until his health and age
 prevented him, an active worker of
 the Picton corps.
