SIDELIGHTS OF ROTARY BY REX SNELGROVE

Addressed Club at Friday's Luncheon—Shoe and Stocking Fund Started.

Rotarian Rex Snelgrove, of the Rex Stock Company, was the speaker at Friday's luncheon of the Kingston Rotary Club at the British-American hotel and he gave the members of the club a most delightful talk on his recent trip "around the horn." While away he had an opportunity of visiting many of the Rotary Clubs, and he gave the club some valuable information regarding how the meetings and matters of business are carried on. He told many amusing incidents relating to his travels, and kept the members in roars of laughter throughout, and President Leman A. Guild, in tendering a vote of thanks to Rex, on behalf of the members, hit the nail on the head when he stated that the address served as one of the best (ones) the club had received in some time.

Rex gave some very interesting and amusing sidelights on Rotary, as he had found it in his travels. He took as his subject, "Rotary As It Is Or Should Be."

Rex touched on the serious side of Rotary, giving a true interpretation of the organization that has been formed for the betterment of mankind. His appeal on behalf of Rotary International was an able one. His address was listened to with keen interest, and at the close Rex was warmly applauded.

Rotarian A. L. Davis, who has been laid up for several weeks, having undergone an operation for appendicitis, was present, and at roll call he was given a most enthusiastic welcome. "Al" returned thanks to the members for the warm reception, and at the same time thanked the members for their kindness shown him during his illness.

The club is continuing the shoe and stocking fund and as a result of the appeals made to the members, it was announced that the sum of \$13 had been donated to the fund.

During the luncheon, Liane D'Evie (Countess d'Millon) Anglo-French comedienne from the Coliseum London, and A. Palet, instrumentalist from the Ziegfeld Follies, New York, who will appear at the Grand Opera House, on Monday, Tuesday and Wednesday of next week, entertained the members. Countess d'Millon rendered two songs, accompanied by A. Palet on his piano accordion, while the latter also favored with a couple of very fine selections. Countess d'Millon is possessed of a wonderful voice, and following her selections was showered with applause. The playing of A. Palet was most delightful, the entire programme being given with fine effect.

Rotarian George Vattier extended to the entertainers the thanks of the club for their entertainment.

"Bill" McCallum was introduced by the president as a new member, and was given a grand welcome. F. J. Wilson was introduced as a guest at roll call.

GANANOQUE

Dec. 22.—The High School held its annual At Home, in the Lyceum, Thursday evening, and though for the first time an admission fee was charged, the hall was as usual, full to overflowing. The entertainment featured J. H. Cameron, the entertainer of Toronto, who delighted the audience with his several numbers. He has a most winning personality and is an ideal entertainer.

The entertainment was prefaced by a few remarks regarding the school and its workings by the principal, Mr. Lewis, and the Revs. Mick and Kidd, members of the school board. J. Arthur Jackson, chairman of the evening, and also a member of the board, gave several interesting details of the school. Only one number of the programme was taken care of by the pupils, which proved one of the best features. It was a drill and folk dance by the girls of First Form: Misses E. Spence, H. Carpenter, D. Gooding, P. McDonald, E. Young, K. Clow, B. Smith, G. Mirand, J. Dods, F. Latimer, L. Littlejohn, M. Held, J. Boreford, E. Gilbert, J. Wright, F. Sinclair, J. Nuttall, B. Harrison, E. Baker, H. Galway.

C. C. Skinner, Donald LaFrance and Prof. Thomas, who also assisted, were never heard to better advantage. The proceeds will net the school about \$70 more, and it is understood this sum will be divided between the girl and boys athletic clubs. During the evening the two silver cups, won by Miss Audrey Meggs and Ray Hawke, at the last field day, for capturing first place in the greatest number of contests, were presented by Mr. Jackson.

The funeral of the late Mrs. John Muchmore took place yesterday morning and was largely attended. Rev. Father Ryan sang the mass of requiem at St. John's church, after which interment took place in St. John's cemetery. A husband and four small children survive, to whom the sympathy of the community is extended.

Mrs. William Chapman who has been visiting friends in Buffalo for the past several weeks returned home Thursday. She was accompanied by her son, Stuart, who will remain over the holidays.

Edward Taylor, James Dowsley, Edward Delaney, Gerald Keyes and Frank LaQue, attending Queen's, are home for the holidays.

Several Kingstonians were in town Thursday evening for the high school At Home, among whom were Messrs. Lemon, Treadgold, Abramson and Hambrook.

Mrs. Jack McLellan and children, Montreal, arrived Thursday night to spend the Christmas holidays with the former's mother, Mrs. J. B. Mooney.

Misses Molly Phillips and Marcelle Phillips, R.N., Brooklyn, are home over Christmas.

Nell McCarney was ninety years old yesterday and they had a little surprise birthday party for him. Though so close to being a centenarian Mr. McCarney looks about sixty, and is as active as a fifty-year old. He is probably one of the best known and most popular hotelmen in Canada, having been in the business at different points in this province for considerably over fifty years. More than thirty of these have been spent in Gananoque as owner and proprietor of the Provincial. He is looked upon as one of our grand old men.

Miss Winifred Round, R.N. Brooklyn, is spending the holidays at her home here.
