Will Not Enlarge Bowl.

Yale University officials have declined to consider a proposition to enlarge the Bowl. Adding wholesale seats to the great stadium would not be to the best interest of college athletes, they say.

Charles Ferry, engineer, who designed the Bowl, announced that he could easily increase the seating capacity to 125,000 by the addition of upper stories. Yale football drew between 400,000 and 500,000 persons last season, and many more sought admission in vain. But the authorities are obdurate.

Attempts to have John Doughty, former secretary to Ambrose Small, freed from Portsmouth penitentiary on parole have not been abandoned, according to reports in circulation.

Premier Massey, of New Zealand, is expected in Ottawa Friday evening. He will be guest of honor at a dinner given by Premier King to members of the government.

All action is of the mind, and the mirror of the mind is the face, its index the eyes.

ESCAPED ASSASSINATION

Crown Prince Hirohito, of Japan, who was fired at by a youthful assassin at the opening of the Japanese parliament Thursday. The windows of the Prince's car were smashed and his companion injured.

Curbing Landlords.

Paris, Dec. 28.—A bill limiting the power of landlords, so as to prevent increases in rents of more than 100 per cent. over the figures obtaining in 1914, was voted by parliament yesterday. The Chamber of Deputies originally voted a seventy-five per cent. limit, but yielded to the senate's insistence on the more liberal figure.

Indoor Baseball.

In a game of indoor ball at the Armouries on Thursday evening, No. 3 Battery defeated P.W.O.R. by the score of 14-1. P.W.O.R. did not show up to their usual form in the batting line, but their fielding was good. No. 3 Battery put up a good game throughout.

John T. Grange Remembered.

John T. Grange, an inmate of the House of Providence, was affectionately remembered by a Napanee lodge at Christmas by the gift of a magnificent flowering plant. He is the oldest living member of the lodge and appreciated very much the kindly thought of his associates.

He who does not perceive what is demanded by the circumstances, or says too much, or indulges in vain display, or does not take into account the rank, or study the convenience of those with whom he finds himself, is what we call a tactless person.

"Buy Cough Syrups." Gibson's.

What is more barbarous than a pervert eloquence, which is a gift of nature for the salvation and preservation of mankind, to the ruin and destruction of the good?

"Buy Aspirin Tablets." Gibson's.

"Canada's per capita consumption of spirits is decreasing heavily, but that of beer [illegible] and tobacco has remained fairly constant within the last few years," according to the annual report of the Department of Customs and Excise.

The Sheet Music The Cash Registar Plays

Some people think of a cash register as merely a place to put money—like an ordinary cash drawer. But it's more than this.

In the first place, it has different sections to hold coins and bills of different denominations. Also, it has numbered "keys" the pressing of which records the amounts put into these sections. It is an exemplification of system—inside and out.

Possibly a few people still think of the Whig's A-B-C Classified Section as merely a place to put ads—but the initiated know it is very much more than this!

This section is divided into smaller sections which hold different kinds of offers. There are numbered "keys" which are also alphabetically indexed—so that you can put your finger instantly upon what you want.

The offers that come out daily in this section will play pleasing pieces on your cash register!

Tracking mud and snow into the interior of an automobile is the height of discourtesy to the car owner.
