Indigestion Gas On Stomach Pains After Meals

Many people suffer terribly from gas and pains in the stomach after every meal, and are kept in constant misery.
For the past 44 years Burdock Blood Bitters has been bringing hope and joy to thousands suffering from various forms of stomach trouble, helping them to eat three square meals a day; helping them to eat anything they wish, without having to suffer for it after.
Mr. Fred Nielson, Moose Jaw, Sask., writes:—"All last summer I was troubled with stomach trouble and indigestion, and also gas on the stomach. I could not eat anything except some light food and even then I would be bothered with pains after each meal. I could not work a whole day without being done out. I had tried everything; doctors, medicines and pills, until I read about Burdock Blood Bitters. I have taken four bottles and it has nearly, if not completely, restored me to health again."
Manufactured only by The T. Millburn Co., Limited, Toronto, Ont.

Banish Pimples

By Easy Method
Stuart's Calcium Wafers Have Remarkable Action in the Skin to Clear It of Pimples, Blackheads and Other Such Beauty Spoilers

With all the wonderfully pretty things to wear, many a girl is distracted because her complexion is a fright. But here's the way to banish those pimples. Ask any druggist for a 60 cent box of Stuart's Calcium Wafers and follow directions. The first action is to remove the sour fermentations that are apt to poison the blood and thus disfigure the skin. The effect is visibly noticeable to those troubled with a pimply skin, or one that is muddy or red or blotchy, scaly and rough and coarse. The Calcium Wafers induce a reaction to healthier tendencies and soon the pinkish complexion begins to assert itself, the blemishes fade away, the complexion seems animated and the entire appearance is one of vivacious beauty instead of unhealthiness.
Get a 60 cent box of Stuart's Calcium Wafers at the nearest drug store, or write to F. Stuart Co., 635 Stuart Bldg., Marshall, Mich., for a free sample package.

Sleeplessness
Sleeplessness, like insanity, is greatly on the increase. Modern life, with its hurry and worry and noise, brings an enormous strain on the brain and nerves. The temptation to depend on sleeping powders or tablets must be fought off if you would avoid catastrophe. Means of reconstructing the starved nerve cells must be sought. Since the digestive system fails to supply nourishment to the blood and nerves it is necessary to employ such treatment as DR. CHASE'S NERVE FOOD to instil new strength and energy into the tired nerves. This is Nature's way of affording lasting relief.
You will notice that while the price of Dr. Chase's Nerve Food has been increased to 60c, the box now contains 60 pills instead of 60 as formerly.
Likewise Dr. Chase's Kidney-Liver Pills are 35c, a box of 35 pills, instead of 25c, for 25 pills.
