AMUSEMENTS

What the Press Agents Say About Coming Attractions

Climbing Mount Everest. Through mysterious Thibet to the world's highest mountain; a record of high adventure and strange ceremonies, brilliantly pictured and arrestingly described.

You will see a remarkable film Devil Dancers on the roof of the world, performing their age-old rites to a music hitherto unknown.

This film is an epic of heroism of vital interest at this moment when the members of the 1924 Expedition are setting out on another attempt to plant the Union Jack on the highest pinnacle of the earth.

As you presented the entertainment ran for ten consecutive weeks in London (England). It has been sent to Canada under the auspices of the Royal Geographical Society to collect funds for the 1924 expedition.

EXCELLENT ENTERTAINMENT IN "PLEASURE MAD"

Sudden wealth brings the Benton family from their cheap little suburban home to the lap of luxury on Riverside Drive in New York.

It's all told in "Pleasure Mad," the thrilling screen version of Blanche Upright's novel now showing at the Capitol Theatre.

PERFECT ENTERTAINMENT In "Children of Dust"

In "Children of Dust," the current offering at the Strand theatre, Frank Borzage has come nearer to equalling his immortal picture, "Humoresque," than in any subject since that memorable screen classic.

Marine Engineers.

The local branch of the Marine Engineers' Association held an important meeting in the rooms of the organization Monday night when the officers for the year were elected.

A. E. Kennedy was appointed a delegate to the conference with Tom Moore in Ottawa on the revision of the Canada Shipping act.

TENDERS

Sealed Tenders will be received by the undersigned up to noon, Thursday, Jan. 23rd, 1924, for 20 cords of foot wood, delivered at the incinerator plant, as required by the Inspector beginning March 1st, 1924.

Tenders both for green and dry wood to be given.

The lowest or any tender not necessarily accepted.

NOTICE

Auction sale advertised by Walter H. Smith, Picton, for Tuesday, January 22nd, has been postponed until Friday, January 25th.

Bloomfield Boy Accidentally Shot. Picton, Jan. 22.—Harry Huff, Bloomfield, while in his father's barn shooting pigeons, shot himself through the ribs.

The Weather Moderates. After remaining around the zero mark most of Monday the weather took a change and on Tuesday morning the mercury stood at fourteen degrees above zero.

Former Kingstonian Dead. Word was received in the city of the death in Chicago early on Tuesday morning, of James Dickson, a former resident of this city and well-known to many of the older residents.

Go where he will, the wise man is at home. His heart the earth, his hall the azure dome.—Emerson.

Antiquity cannot privilege an error, nor novelty prejudice a truth. Angling is somewhat like poetry—men must be born so.

THE FINANCIAL REPORT BEST IN ITS HISTORY

A Year of Progress Noted at Meeting of St. George's Vestry.

There was a good attendance at the vestry meeting of St. George's Cathedral on Monday evening. Dean Starr presided and pointed out the fact that the financial report was the best in the history of the church and that returns from all departments were most gratifying.

The Church Women's Aid paid a debenture of \$1,200 during the year, for which due acknowledgment was made. Rev. Mr. Kidd had done excellent work by increasing the offerings through the Duplex envelopes and was voted a honorarium of \$100 in recognition of his good achievements.

Interesting reports were read from the various organizations, including the Sunday schools, various branches of the W. A., the Sanctuary Guild, the Y. P. A., the Mothers' Club, the Mission Circle, the Chou Mothers, the Hospital Committee, the Bible classes, the Scouts and the Girl Guides.

Splendid work had been done in St. George's Mission, Montreaux street, especially in its Sunday school.

Cordial votes of thanks were passed to all the workers including the church wardens, choir and advisory board.

Dean Starr pointed out that excellent as reports may be, the real test of a church's efficiency, was its spiritual and moral growth, and the critical situation in the world to-day demanded public witness of all earnest Christians to their belief in God's presence by regular attendance at the services of His church.

R. J. Carson was appointed rector's warden and P. D. Lyman, people's warden.

The advisory board consists of the Dean, Rev. W. E. Kidd, Messrs. Lyman, Carson, Burns, Tofield, Demch, DuMoulin, Calvin, Campbell, Price, Johnston, Hodgins, Bridger, Sawyer, Bishop, C. H. Hall, Dalton, Grant, T. A. Kidd and Col. R. E. Kent.

The sidesmen elected are: P. D. Lyman, chairman, S. C. Calvin, C. S. Kirkpatrick, H. N. Tofield, H. F. Price, T. Ashmore Kidd, W. A. Sawyer, Thomas Mills, J. E. Johnston, C. H. Hall, L. F. Grant, P. DuMoulin, F. E. Demch and Percy Hall.

An interesting budget for the ensuing year was presented by the secretary of the advisory board, C. P. Dalton and unanimously adopted. A pleasing feature of the evening was the presentation of a "Thanks" badge to Rev. W. E. Kidd.

St. Marks' Barriadeil.

The vestry meeting of St. Mark's church, Barriadeil, was held on Monday night. The rector, Rev. A. O. Cook, presided and presented his report on the work and progress of the church during the past year.

It was moved by J. S. Sibbitt, seconded by W. A. Milton, that Capt. Vokes be re-elected vestry clerk for 1924.

ANOTHER BUSINESS SECTION.

Picks Up in Appearance.—Latest Addition is Millinery Store.

The old section on the corner of Brock and Wellington streets, south side, has been undergoing many improvements during the past few months.

The report was very encouraging, and on motion of R. J. Moore, seconded by J. R. Sibbitt, was adopted.

The rector's warden, J. S. Sibbitt, presented his report in regard to the wiring and lighting of the church by electric power and after a full discussion it was decided on motion of J. S. Sibbitt and W. A. Milton, that the question be left in the hands of the advisory board, with power to act.

Votes of thanks were passed to the choir, Women's Auxiliary, the Guild and the altar chapter, for their splendid service.

Former Kingstonian Dead. Word was received in the city of the death in Chicago early on Tuesday morning, of James Dickson, a former resident of this city and well-known to many of the older residents.

Reddick, middleweight, knocked out Rekinson, Pittsburgh, in the sixth round at Toronto, Mitchell and Newton, lightweights, draw.

SAFETY FIRST DIRECTOR

W. A. Booth Appointed by C.N.R.—Will Also Supervise First Aid.

Montreal, Jan. 22.—The announcement is made by W. D. Robb, vice-president of the Canadian National Railways, of the appointment of W. A. Booth, chief draftsman motive power department, Montreal, to be director of safety first and first aid for the railways.

Mr. Booth will also have the power to recommend such safeguards on all parts of the system as he may consider of value in reducing the opportunities for accidents.

A conservative estimate of the number of employees who have received instructions in first aid work would be 18,000. At present more than sixty classes of men and women are receiving instruction on the Canadian National Railways.

There has never been any desire on the part of writers of this paper to "knock" Coach Lowrey. Reference to last year's files will show that this paper defended him in the face of severe criticism.

HOY. DR. H. S. BELAND TO SPEAK HERE FRIDAY

At the Big Meeting Under Auspices of Kingston Tuberculosis Association.

Notification was received Monday by J. M. Campbell, first vice-president of the Kingston Tuberculosis Association, that Hon. H. S. Beland, dominion minister of health would be in Kingston on Friday the 25th, to address the public meeting which is being held in Memorial Hall the date under the auspices of the Kingston Tuberculosis Association.

This is Dr. Beland's first visit to Kingston since entering the federal cabinet and that he should make a special effort to come here to add the efforts of the K. T. A. in the interests of the neglected sufferers from tuberculosis, shows that we really have a minister of health whose first thought is the welfare of the community.

That a rousing welcome will be given to Dr. Beland by the citizens of Kingston, is certain, as apart even from his office as minister of health, the part he played in the defence of Canada and the empire in the late war should of itself recommend him to everyone who has the interests of humanity at heart.

The platform of speakers for Friday night could not very well be surpassed. There are eminent authorities on the subject of tuberculosis from every aspect, and as an antidote to any tendency towards dullness, the Musicians Union of Kingston are providing a large orchestra and several of our most prominent lady and gentlemen vocalists have volunteered their services together with Kingston's leading lady violinist.

Every organization, fraternal and other bodies will be represented in Memorial Hall on the 25th, many attending as district units. Major-General Sir Archibald Macdonell and staff with a representative number of cadets from each year.

The Salvation Army, by special permission of their district commander, will attend in a body accompanied by their band.

All that is now required to make the night of the 25th, a memorable one in the annals of Kingston on behalf of suffering humanity, is a record attendance of citizens of all creeds and classes.

Dr. Preston Drops Appeal. Brockville, Jan. 22.—The appeal brought by the defendant, Dr. R. H. Preston, of Newboro, to set aside the judgment of \$56,807.82 and certain interest obtained against him at the Assizes here, before Justice Lennox, in October last, by Monklands, Limited, of Montreal, has been abandoned by Dr. Preston. The case was appealed by Dr. Preston some time ago, and the appeal was to have been argued at Osgoode Hall, Toronto, this week. As a result, the judgment at the trial stands.

Two Calls For Firemen. At 5.55 p.m. Monday, the firemen were called to the house of Robert Bruce, 420 Albert street, where a section of a hot water pipe exploded and filled the house with steam.

We must be as courteous to a man as we are to a picture, which we are willing to give the advantage of a good light.

Success in life is a matter not so much of talent or opportunity as of concentration and perseverance. Be careful that you write accurately rather than much.

SPORT

FRONTENACS' STIRRING ADVENTURES MONDAY

Ninety-Minute Tie With Cornwall—Queen's Lost In Belleville Game.

Kingston Frontenacs had enough in the line of sport and adventure last night to last them for some time. When they arrived in Cornwall for their game with the team there yesterday they found it very cold and getting worse.

The Kingston party started back from Cornwall about one o'clock and reached Kingston at six this morning. The train was held up time and time again on account of snow and storm and it was a pretty tired outfit that eventually reached Kingston.

Queen's 3; Frontenacs 2. Queen's fought hard for a victory in Belleville last night but such was not to be. The tie in Cornwall came very near being repeated in Belleville as the teams were always close.

There has never been any desire on the part of writers of this paper to "knock" Coach Lowrey. Reference to last year's files will show that this paper defended him in the face of severe criticism.

Further Explanation. The secretary of Queen's Athletic Board very kindly corrected a false impression which seems to be prevailing throughout the city regarding hockey matters at Queen's in a recent letter in the sporting columns of this paper.

Officials, players and students of Queen's spread the news of what was happening long before it was printed in the Whig. They wanted a big house for their new departure and they got it—largely with the help of this paper and the story run in these columns.

Coach Lowrey has, at present, nothing to do with the O.H.A. teams. He has taken the senior squad and won games with them—something that had not been done for a long time before his coming.

Presbyterians, hear Dr. Eakin in Cooke's Church, Wednesday evening, Jan. 23rd on the subject of "Church Union."

BLUNDERS

What lack of knowledge of etiquette is the hostess in the picture displaying?

The answer will be found among to-day's want ads.

DR. DAVIES' ADDRESS.

In Sydenham Street Church on Monday Evening.

The five hundred people who weathered the cold on Monday evening for the purpose of hearing Rev. Dr. Trevor H. Davies speak in Sydenham Street Methodist church, were certainly well repaid.

On Monday evening, Dr. Davies took for his text "Philip saith unto Him, Lord show us the Father, and it sufficeth us, Jesus saith unto him, have I been so long time with you and yet hast thou not known me, Philip? He that hath seen me hath seen the Father; and how sayest thou then, show us the Father?"

Dr. Davies reminded his hearers that before some people would allow God to enter their lives, they had to pass through some shattering experiences; in many cases our joys come with isolation. The happenings of the present time have intensified the human need, and life is not complete without God.

At the beginning of the service Mrs. Douglas Pound sang very effectively "The Pilot is Waiting Just Beyond."

Twenty Minute Service. On account of the shortage of power, the great railway company found it necessary to give only a twenty minute service on Tuesday, H. C. Nickle, superintendent of the railway, stated that he intended to give a ten minute service during the rush hours at five o'clock. For the past three weeks the railway company has found it necessary to use only one generator at the power house, due to the other one breaking down. The generator was sent to Toronto for repairs and it is expected back at any time.

Dr. Preston Drops Appeal. Brockville, Jan. 22.—The appeal brought by the defendant, Dr. R. H. Preston, of Newboro, to set aside the judgment of \$56,807.82 and certain interest obtained against him at the Assizes here, before Justice Lennox, in October last, by Monklands, Limited, of Montreal, has been abandoned by Dr. Preston. The case was appealed by Dr. Preston some time ago, and the appeal was to have been argued at Osgoode Hall, Toronto, this week. As a result, the judgment at the trial stands.

Two Calls For Firemen. At 5.55 p.m. Monday, the firemen were called to the house of Robert Bruce, 420 Albert street, where a section of a hot water pipe exploded and filled the house with steam.
