SPORT

Indoor Baseball.

A double-header of indoor baseball was played in the armouries last night when 4th Hussars defeated H.Q., R.C.A., by the score of 14-3 in an interesting game. Fourth Hussars are now playing ball of the same style which so pleased the spectators last year. R.C.A. H.Q., although unfortunately not having won a game this season, are to be complimented upon their sportsmanship, and clean play which they display throughout the games.

The second game was interesting from the point that both Machine Gunners and "A" Battery had not won a game this season, and a first win had to be made by one of them. This was accomplished by Machine Gunners to the score of 23-13, errors being numerous on both teams.

Ottawa Valley Hockey.

At Arnprior on Monday night Renfrew and Arnprior played thirty minutes overtime without either team being able to break a four to four tie.

At Pembroke on Monday night Almonte pulled a big surprise when they defeated Pembroke, 2 to 1.

Perth won a great game there on Monday night when they defeated Munitions 6-5 in overtime.

At Carleton Place on Monday night Smith's Falls trimmed Carleton Place 3 to 2 in a Rideau group game.

Senior Hockey Scores.

Stratford, 8; Galt 6.
Aurora Lee 5; St. Mary's 3.

NAPANEE CURLERS WIN.

The two Napanee rinks skipped by F. Bell and M. Taylor won the district cup at the Kingston curling rink on Tuesday evening when they defeated the two Rockwood rinks in the finals by a score of 31 to 27. In the afternoon Kingston curlers were defeated by Napanee by a score of 29 to 27. Rockwood curlers won from Brockville in the afternoon by a score of 36 to 30 and qualified to meet Napanee in the finals. The Kingston curling club has held the district cup for some years. The rinks and scores were:

Point Competition.

The games in the point competition will be played at the curling rink today.

BELLEVILLE MUST BE ON THE DOT FRIDAY EVENING

There will be no "monkeyshines" tolerated for the doubleheader intermediate O.H.A. game on Friday evening. The games will be played as they are drawn up in the schedule, with Belleville and Queen's starting early and Frontenac and Cornwall playing the second game. No excuses or explanations will be accepted, and if the team from the Bay of Quinte City does not turn up, the game may be forfeited to the Tricolor. Frontenac and Cornwall will stage an interesting battle and they are both eager to go. After the tie of the other evening in Cornwall the teams both think they can win and it will be a great fight.

Some Player.

"Eddie" Watts, who started the years with Live Wires and has since been lending a hand to two or three teams, is showing some great endurance in the line of hockey play-

ing. Monday night he played for Frontenacs in Cornwall. Tuesday night he played for Kingston at Napanee. Wednesday—which is tonight—he is playing for Live Wires in the city league. Some of those officials who have been claiming that one game a week is enough for any man should come out and see the red-head tonight.

Comes Up Thursday.

The Frontenacs-Belleville protest over the game here last Friday evening will come up before the O. H. A. tomorrow night. The official timer says that there still remained three minutes and eighteen seconds to play when Referee Cummings called the game. The game should never have been started under his direction anyway as he had already shown incompetence in the first match.

Want Exhibition Games.

On Wednesday, the management of Queen's senior Intercollegiate hockey team received a request from the Shamrock hockey team of Ottawa and the St. Thomas hockey team of St. Paul, Minn., for exhibition matches to be played in Kingston. It is not likely that the games can be played on account of every evening at the rink being taken up with either skating or hockey matches.

K.A.B.A. GETS EARLY START FOR THE YEAR.

There was a meeting of the Kingston Amateur Baseball Association, (the C.O.B.L. club) in the office of the Standard last night. The following officers were elected for 1924:

Patrons—Hon. W. F. Nickle, K.C.; Hon. Dr. A. E. Ross, M.P.; Mayor T. B. Angrove; Warden D. Gemmill; F. Sowards; J. Evans, Sr.; Leman Guild; W. B. Givens, Dr. E. Ryan, J. M. Campbell, Thomas Carson, Thomas Stewart, W. J. O'Brien.
Past president—T. A. McGinnis.
President—B. Noble Steacy.
Vice-president—Ald. Howard Kelly.
Secretary—A. Murray.
Treasurer—W. L. Kennedy.
Manager of team—J. J. Daley.
Business manager—Bert Booth.
Grounds manager—W. J. Arnie.
Publicity manager and official scorer—J. J. O'Neill.

Prospects for the season are reported to be very bright and the executive is well fitted to handle affairs in a business-like manner.

KINGSTON VICTORIOUS IN MATCH AT NAPANEE.

The Kingston Bay of Quinte League team won out over Napanee 11-6 in Napanee last night. The scoring was certainly plentiful and the game a hard battle for both teams. The Kingston crew took scoring streaks at two stages of the game and piled up a lead that could not be overtaken. A large crowd attended and local players report Napanee fans very strong for their team.

Kingston—Goal, McCarthy; defence, Bennett, T. Angrove; centre, Lano; wings, Millan and Watts; subs., Devlin and A. Angrove.
Napanee—Goal, Fenn; defence, L. Spencer, Bentley; centre, McNeill; wings, Huffman, I. Spencer; subs., Johnson and Naphin.
Referee—Stan. Nurse, Belleville.

Basketball Dates.

A tentative schedule has been drawn up in the Central Ontario group of the O.A.B.A. by Convenor P. F. Brockel, Belleville. The games are:
Feb. 1—Belleville at Peterboro.
Feb. 5—Queen's at Belleville.
Feb. 13—Peterboro at Belleville.
Feb. 14—Peterboro at Queen's.
Feb. 20, 22 or 23—Belleville at Queen's.
Feb. 29—Queen's at Peterboro.

Rush Seats for Sale.

Rush seats for Kingston Choral Society concert, at 25c., will be on sale at Grant Hall from 7 p.m. this evening. Concert commences sharp at eight o'clock.

Charged With Theft.

Two Wolfe Island young men will be charged in police court Thursday with the theft of turkeys. It is alleged that the turkeys were stolen on the island and sold in Kingston.

L. C. Lockett has been elected first vice-president of the National Shoe Retailers' Association of Canada, meeting in convention in Montreal.

Kingston has certainly been on her good behaviour this week as there has not been a session of the police court so far.
There is now plenty of snow for good sleighing. Autos out in the storm on Tuesday night had a most trying time.

Sale of oranges at 15c dozen will continue until February at Carnovaky's.

DAILY MEMORANDUM.

The British mail will close at the Kingston post office on Jan. 24th, at 11 a.m.
Presbyterians hear Dr. Eakin in Cooke's church to-night on the subject of "Church Union."
Make a special effort to hear Dr. Trevor Davies at Spychanham St. Methodist church this evening.
