HEARTBURN**

In all cases of heartburn there is a
gnawing and burning pain in the
stomach attended by a disturbed ap-
petite, as when too much food is
taken into the stomach it is liable
to ferment and become extremely
sour, vomiting occurs, and what is
thrown up is generally sour and bit-
ter. When you are in this condition
you will find that Milburn's Laxa-
Liver Pills will give you relief right
away.

Mr. Joseph H. MacDonald, Christ-
mas Island, N.S., writes: "Two
years ago I suffered all the time from
heartburn. I took one vial of Mil-
burn's Laxa-Liver Pills and have
never been troubled since.
It is very nice to be able to eat
anything you like and not have heart-
burn any more."

Milburn's Laxa-Liver Pills are 25c.

KINGSTON AND VICINITY

Will Not Play This Season.
James K. Hackett has let it be
known that he will not appear on the
stage this season—unless he decides
to present "Macbeth" or "Othello."

Is On The Executive.
Chief James Armstrong has been
appointed a member of the Execu-
tive of the Dominion Fire Prevention
Association, which has concluded a
convention in Ottawa.

Grants for Exhibitions.
Victoria county council granted
\$1,600 to the Lindsay Central Ex-
hibition at its last session, and Pe-
terboro county council voted a like
amount to the Peterboro Industrial
Exhibition.

Whig's Telephone Numbers.
Changes have been made in the
telephone numbers at the Whig Of-
fice. The new numbers are:
Business Office—243.
Editorial department—2612.
Society editress—2613.
Job department—2614.

A Macdonnell Scholarship.
Friend of the late George M.
Macdonnell, K.C., are already pre-
paring to establish a scholarship at
Queen's university in his memory.
Mr. Macdonnell was one of the
greatest workers Queen's ever had.

Council Has Two Vacancies.
Almonte is still without a full
municipal council. A nomination
meeting was held on Monday to fill
three vacancies on the council but
only James Savage qualified. There
are still two vacancies and another
nomination meeting will have to be
called.

Took Part in Concert.
In the account the Whig had of
the concert given in St. George's
hall on Tuesday evening under the
auspices of the Sailor's Home and
Friendly Mission, the names of Mr.
Morris and Miss M. Osborne were
inadvertently omitted. Mr. Morris
rendered solos and Miss Osborne was
an accompanist.

Fire Losses in Belleville.
Fire losses in Belleville for 1923
exceeded those of 1921 and 1922
considerably, due to the use of many
kinds of fuel—wood, soft coal and
so forth. The increase in loss was
general throughout the province.
\$30,764.15 was the Belleville loss
for 1923.

The Horse Coming Back.
The Carleton Place Horse Show
Association is keeping itself alive.
It has a comfortable balance in the
treasury as a result of the show held
in 1920. It was decided that the
time was not yet opportune to re-
sume the horse show again although
the general opinion of the meeting
was that the horse was gradually
coming back to its own.

First Count was Correct.
The official recount on the Al-
monte street improvement by-law
was held by Judge J. H. Scott, Perth,
but he found that the result—as
announced by the local returning
officer was correct, namely, that
there were 199 votes cast for the by-
law and 199 against it. The by-law
was, therefore, defeated. No mistak-
es were found among the rejected
ballots.

To Have A "Winter Cruise."
The Crescen Yacht Club, Water-
town, N.Y., is arranging for its "win-
ter cruise"—a unique dancing party.
The events will take place in the
Armouries. The large and diversi-
fied membership of the club makes
the ball one of the social events of
the season, and in recent years it
has overshadowed the annual ban-
quet that for so long became the fea-
ture for the non-sailing portion of
the year.

February Cold, Beer Predicts.
Frank A. Doe, Ogdensburg's fa-
mous weather prophet, predicts that
February will be cold and stormy.
He says: "I have scanned my chart
and it tells me February will hand
us a good many cold days." Doe de-
clares: "We will have plenty of cold
weather and snow. It will be cloudy
with two big storms, and the cold
spells will be prolonged. The ice
crop will be abundant and there will
be a heavy drive on the coal bin."

McWilliams-Murphy Wedding.
A pretty wedding was solemnized
in St. Michael's church, Belleville,
when Rev. Father Killen united in
marriage Miss Jean Murphy, eldest
daughter of Mr. and Mrs. John Mur-
phy, Point Anne, to Leo McWilliams
son of Mr. and Mrs. Henry Mc-
Williams of fifth concession of Tyen-
dinaga. The bridesmaid was Miss
Margaret Lally, cousin of the groom,
and Joseph McWilliams assisted the
groom. The happy couple will re-
side in Detroit.

Some Fine Examples.
At a Queen's Alumni dinner dance
in Montreal Prof. B. K. Sandwell ex-
pressed much satisfaction of the re-
sults of the work of extra-mural
students, or students not within the
university, who study by corres-
pondence. He declared that some of
the finest examples of work, showing
serious and earnest reading, have
been forthcoming since this was
instituted.

Election of Officers.
The annual meeting of the Belle-
ville district Holeten-Friessan Club
was held in Belleville on Wednes-
day and was well attended. The el-

ection of officers resulted: Presi-
dent, R. B. Nelson, Campbellford;
1st vice-president, A. T. Sierrett,
Brighton; 2nd vice-president W. C.
Dempsey, Ameliasburg; secretary-
treasurer, F. R. Mallory, Frank-
ford; Sales Manager, J. A. Caskey,
Madoc.

Expressed Appreciation.
After the burning of St. Andrew's
church, Perth, the Baptist church
was used. At the annual meeting
a resolution was passed and a
cheque for \$150 voted, an expression
of appreciation for kindnesses ex-
tended. Accompanying the token
of goodwill, special emphasis was
placed upon the attitude and lovely
spirit of Rev. W. M. Walker, the
pastor, and Miss Emma Robertson,
the organist.

Another Stride Forward.
Many Pembroke friends of Mr.
and Mrs. L. A. Downs, Atlanta, Ga.
(Mrs. Downs was formerly Ida Mulli-
gan, Pembroke), will be glad to
know that Mr. Downs has taken an-
other big stride on the highway to
success. For the past four years he
was vice-president and general man-
ager of the Central of Georgia Rail-
way and last week he was appointed
president in succession to the late
W. A. Winburn, whose death occurred
recently, while he was named
president also of the Ocean Steam-
ship Company.

Wins A Milking Prize.
Miss Welhelmine Reid, daughter
of Mr. and Mrs. John R. Reid, Ram-
say, won fifth prize at the Ottawa
Winter Fair for milking. She was
first for the county of Lanark. Her
prize was \$6. The competition was
open to girls under 16 years of
age. Miss Reid had very poor luck.
The cow she drew the ballot for was
a young and nervous animal which
could not be induced to stand still.
This lost her a good deal of time.
