"You are a half hour late for this examination, Miss Bates."

"Oh, I came late on purpose, Professor--I am always so nervous during the first half-hour."

### "Mid-Year Exams"

"Gee, I wish someone would come in and argue me into going to a show."

"I'm sure it happened in the year 3000, but I'll be damned if I can remember whether it was B.C. or A.D."

"What! Margie! Can it be that you are studying?"  
"Well, how else can I pass a course when the prof is old and near-sighted?"

"Here's hoping I pass it, Professor Langdon. This course has sure been a nightmare for me."  
"Remarkable, Mr. Paige! You always appear to be sleeping quite soundly in class!"
