At 80 Years of Age Was Troubled With Shortness of Breath Palpitation of the Heart And Fainting Spells

Mrs. M. O'Connor, Whitestone, Ont., writes:—"I have been troubled, most of my life, with shortness of breath, palpitation of the heart and fainting spells. I was advised by a friend to try Milburn's Heart and Nerve Pills, which I did, and at once found relief, and I have never had a really bad spell since.
I am 80 years of age and always keep them in the house, and when I feel any symptoms of my old trouble coming on all I have to do is take a few doses. With the help of your Pills I expect to see many years yet. I always recommend them to any one who is suffering from heart trouble."
Milburn's Heart and Nerve Pills are 50c. a box at all dealers, or mailed direct on receipt of price, by The T. Milburn Co., Limited, Toronto, Ont.

KINGSTON AND VICINITY

Invited to Iroquois.
Rev. Mahlon I. Robinson, B.A., of Shawville, Que., has been invited to the pastorate of the Iroquois Methodist church in June next.

Fractured Right Arm.
Mrs. Robert Cordick had the misfortune to fall on the pavement near the Perth town hall and as a result both bones in her right arm were fractured.

G. B. Ferguson Passed Away.
George B. Ferguson, Renfrew, who suffered a severe paralytic stroke last Thursday night, died on Monday morning in his sixtieth year. He was the son of the late John Ferguson, M.P.

Invited to Remain.
Rev. E. R. Kelly, formerly of Catarqui, has been invited to remain for a fourth year in the Westboro Methodist church. He has accepted. Rev. Mr. Kelly's work has proven to be highly successful.

To Soon Begin Assessing.
The assessors in the Ontario rural municipalities begin work of assessment on February 15th of each year, and they are by law directed to return their roll on or before April 30th of each year. Other municipalities assess later on.

Major Scott Home.
Major Clyde R. Scott, Ottawa, is at his home in Perth. He has been in St. Luke's Hospital for a number of weeks convalescing from a surgical operation upon the portion of his body that was shattered by German bullets on the battle field of St. Julien in April, 1915. The major was formerly of Kingston.

An Appeal Entered.
Mrs. Charles Fraser, Ogdensburg, N.Y., nee Mary Robinson, Prescott, whose husband was fatally injured

11 p.m.—Clyde Doerr's orchestra.
12 p.m.—J. Remington Welch, organist at McVicker's Theatre, Chicago.

Sour Stomach Risings Quickly Relieved
THE wonderful comfort and relief you get from even twenty drops of Nerviline will surprise you. Take it in sweetened water; it's not unpleasant. Almost immediately you feel better. Nerviline brings up the gas caused by fermenting food, and at the same time relieves that distressed feeling in the stomach. When colic or cramps strike you at night, when nausea or upset stomach overcome you, then it is that you'll find Nerviline a sure relief. For general use in the family, for emergent ills, always keep Nerviline handy on the shelf. Get a 35c. bottle to-day.

NERVILINE
The Value of Charcoal
Few People Know How Useful It Is in Preserving Health and Beauty.
Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value for properly prepared and taken into the human system for the same cleansing purpose.
Charcoal is a remedy that the more you take of it the better; it is not a drug at all. It simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system.
Charcoal sweetens the breath after smoking, and after eating onions and other odorous vegetables.
Charcoal effectually clears and improves the complexion, it whitens the teeth and furrows, acts as a natural and eminently safe cathartic.
It absorbs the injurious gases which collect in the stomach and bowels; it disinfects the mouth and throat from the poison of catarrh.
All druggists sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Absorbent Lozenges; these are composed of the finest quality Willow charcoal, powdered to extreme fineness, then compressed in tablet form or rather in the form of large, pleasant tasting lozenges, the charcoal being sweetened to be smooth and palatable.
The daily use of these lozenges will soon tell in a much improved condition of the general health, better complexion, sweeter breath and purer blood, and the beauty of it is that no possible harm can result from their continued use, but on the contrary, great benefit.
Many physicians advise Stuart's Absorbent Lozenges to patients suffering from gas in stomach and bowels, and to clear the complexion and purify the breath, mouth and throat. They are also believed to greatly benefit the liver.
These lozenges cost but thirty cents a box at drug stores. For a free trial send your name and address to F. Stuart Co., 18 Stuart Building, Marshall, Michigan. You get more and better charcoal in Stuart's Absorbent Lozenges than in any of the ordinary charcoal tablets.

A SAFE AND SURE REMEDY FOR AILING CHILDREN
MILLER'S WORM POWDERS
CONTAIN NO HARMFUL, DANGEROUS, OR TOXIC INGREDIENTS. THE MOST DELICATE SYSTEM. AS SWEET AS SUGAR.

In an automobile accident at Medina in September, received an award of \$8.65 a week at the death claim court. She also received an award of \$200 for funeral expenses and \$100 for lawyer's fees. The award was appealed.

Perth Man is Fined.
A fine of \$150 was imposed on William Helatt, confectioner, Perth, who, through his counsel, pleaded guilty to a charge of drinking liquor on a public highway, near Stanley's Corners, on Nov. 10th, last. The charge was the outcome of Helatt's motor car striking one owned by Ernest Woods, Laurentian view, and damaging it to the extent of upwards of \$100.

Narrow Escape From Death.
Wilfred McHenry, who is the manager of Messrs. McFarlane & Murphy, Deseronto, had a narrow escape from a serious accident. He was superintending the sawing of logs at the mill and was caught in the carriage of the rip-saw. Unable to free himself he would have been drawn into the saw but for the fact that the engineer noticed the trouble and with presence of mind brought the machine to a standstill.

Had a Pleasant Evening.
Louise School and Home Club gave the older girls and the boys, not old enough to be cadets, about 100, a very enjoyable driving party last Friday, from 5.30 p.m. On their return to the school they sat down to tables laden with good things. The children left for their homes about 8.30 p.m. after thanking the club and teachers for the pleasant evening.

Mr. Lumb Held Liable.
Mrs. Kate Robertson, the executrix of the estate of the late Dr. Alexander J. Robertson, Peterboro, brought action against Ell T. Lumb,

Bancroft, for \$11,000, and interest, moneys due her, on the purchase price of a store in Tweed. Mr. Lumb repudiated the contract and alleged he was not liable. Justice Kelly, after considering the evidence, gave judgment in favor of Mrs. Robertson, with costs.

A Young Mother Dead.
There are many sad hearts in Perth over the death of Mrs. George H. Saunders, at the age of twenty-five years. A baby boy was born on Dec. 7th (being still born) and while the strength of the young mother was greatly impaired, her husband and family were anticipating the day when she would be amongst them once more. Other complications developed however, and death came. Mrs. Saunders was born twenty-five years ago a daughter of the late Alex. McKay and Mrs. McKay, Middleville, and her marriage took place last year.

Ice Harvest to Begin.
Ice harvest at Cape Vincent was to begin on Wednesday, conditions permitting. It was stated by residents of that village. There is now ten inches of excellent ice in the St. Lawrence with the quiet area protected by the government breakwater, including that portion of the stream lying for a considerable distance below the haven. Within a few days it is believed that a foot of glare ice, resembling a square of glass, can be cut.

Contractors are ready to start the harvest as soon as conditions are ripe, both for the local consumption at the village and for the New York Central railway supply. Cape Vincent, besides being the banner ice producing point in Jefferson county, is likewise a heavy consumer owing to the presence of the Booth Fisheries cold storage, the Coon cheese warehouse, the federal hatchery, which uses cracked ice for shipping, and the large summer hotels.

The new Labor government must fact parliament next Tuesday and indicate its programme for the session. Though Ramsay MacDonald's administration has made a good impression so far the real test of its metal will come next week.

Corns
Blue-jay
No Paring—End Them
Don't let the agony of corns destroy your comfort. Apply Blue-jay—and instantly the pain vanishes. Then the corn loosens and comes out. Does away with dangerous paring. Get Blue-jay at any drug store.
TELLS DYSPEPTICS WHAT TO EAT
Avoid indigestion, Sour Acid Stomach, Heartburn, Gas on Stomach, etc.
Indigestion and practically all forms of stomach trouble, say medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous and sufferers should do either one of two things:
Either they can go on a limited and often disagreeable diet, avoiding foods that disarrange with them, that irritate the stomach and lead to excess acid secretion or they can eat as they please in reason and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness or premature fermentation by the use of a little Bismarated Magnesia at their meals.
There is probably no better, safer or more reliable stomach antacid than Bismarated Magnesia and it is widely used for this purpose. It has no direct action on the stomach and is not a digestant. But a teaspoonful of the powder or a couple of five grain tablets taken in a little water with the food will neutralize the excess acidity which may be present and prevent its further formation. This removes the whole cause of the trouble and the meal digests naturally and healthfully without need of pepsin pills or artificial digestants.
Get a few ounces of Bismarated Magnesia from any reliable druggist. Ask for either powder or tablets. It never comes as a liquid, milk or citrate and in the Bismarated form is not a laxative. Try this plan and eat what you want at your next meal and see if this isn't the best advice you ever had on "what to eat."
