A GALA NIGHT WITH KINGSTON ROTARY CLUB

Father and Daughter Banquet Friday Evening Was a Unique Event.

Round after round of merry laughter floated from the dining room of the British-American hotel on Friday night, the occasion being a Father and daughter banquet, held under the auspices of the Kingston Rotary Club and it was indeed a jolly affair. Some few weeks ago the club held a Father and Son banquet, but the daughters came into their own on Friday night while "Dad" scored on both occasions.

The evening was given over entirely to fun and amusement, with a musical programme, which was contributed by the daughters of the Rotarians. There was no speech-making. Toy balloons floated over the tables and all enjoyed taking a punch at the balloons to keep them on the go. Everyone joined heartily into the merry making, and it was a night long to be remembered by the members of the club, their daughters and guests. The president, Leman A. Guild, presided, and there was a splendid attendance of the members.

In addition to the musical programme, moving pictures formed a special feature. The pictures were presented by the Canadian Pacific Railway and included "Making New Canadians," and "The Funny Side of Rural Life." In the picture relating to the making of new Canadians, views were shown of the northwest, more especially in Alberta, where many foreigners are taking up the land and forming communities that promise to be a strong factor in the developing of this part of Canada. The pictures dealt with the story of these people from the time they left their home land until they were settled in the west, happy and contented in their new home. The views were excellent and much appreciated. The pictures relating to rural life were also very interesting.

At a recent meeting of the Rotary Club, Rotarian Bransby Williams, the celebrated English actor, remarked that the story of Canada should be put in the films and these two pictures given by the C.P.R. are along the line that should be developed to present to the world, Canada, her people, and the part the newcomers are playing in this great dominion. The machine was ably operated by C. A. Whitty.

The musical programme was one of very high merit and included piano solos by Miss Kathleen Guild; recitation by Miss Coates; piano solo, Miss Lyster; recitation, Miss Anglin; piano solo, Miss Metcalfe; vocal solo, Miss Helen Guild; recitation, Miss Ward; piano solos, Miss Melkie; songs by Miss LaFlair.

The club received a telegram during the evening from Rotarian Rex Snelgrove, who is in St. Catharines. Rex sent greetings to the members of the club and expressed his regret at being unable to be present.

In view of the fact that the banquet was a Father and Daughter affair, the following poem, under the title of "One For Dad," given by Miss Coates, is worthy of special mention and the Whig takes pleasure in producing it:

One For Dad.

I think it is time
 To be writing a rhyme,
 Extolling the virtues of dad;
 It's gone far enough,
 And sure does seem tough
 To think of the snubs you have had!

We write much of mother,
 And tell how we love her,
 We offer our hearts at her shrine;
 We praise her ornately
 (She takes it sedately),
 Hereafter it's Father for mine!

Of course, I'll admit,
 She deserves quite a bit
 Of love and affection, no doubt;
 I always have said it,
 She gets all the credit,
 While Father's most always left out!

Who does all the plugging,
 While ma gets the hugging?
 Who tells in good weather and bad?
 Whose arms bear the burden—
 Whd scarce gets a word in?
 You can bet your sweet life that it's dad!

How long have you waited
 For praise belated,
 We'll make your poor starved
 heart feel glad;
 And while we're about it,
 Let's stand up and shout it,
 Three ripping hot cheers for old dad!

—Clara S. McCulley.

Dr. Pidgeon in Kingston.
 After twenty years of negotiations "The United Church of Canada" is about to be established. Dr. Eakin presented the Anti-Union view point a short time ago in Cooke's church, in the same church, Dr. Pidgeon, a prominent Church Union leader, will speak on Monday evening, Feb 11th. Not only Presbyterians but citizens generally should hear Dr. Pidgeon dealing with the greatest church movement in the history of Canada.

Next Thursday is Valentines Day. Make your selection early at The College Book Store.

STUDEBAKER RECORDS TAKE ADDING MACHINE TO COUNT

During the recent Chicago Automobile show, publicity item of a motor car concern referred with considerable pride to one of its cars that had been driven 30,000 miles. To compare such a record with the high mileages secured by Studebaker cars would be like standing a pigmy up beside a giant.

There are innumerable Studebaker cars that have been driven over 100,000 miles. Only recently, C. O. Baptiste, of Three Rivers, Que., sent in a list of ten Big-Sixes in his territory, each of which had been driven over 100,000 miles and were still rendering excellent service.

A 1919 Big-Six, which had been driven over 475,000 miles, recently left Los Angeles on a transcontinental trip. The car arrived in New York without having experienced any mechanical difficulties. The motor was purring as smoothly as it did the day it left the factory.

Studebaker durability makes this car a big favorite on the used car markets also and recently a concern in Ohio, using over one hundred Big-Sixes in livery service assembled nearly its whole fleet in the used car field.

The local agents and distributors for Studebaker cars and service may be found at the Central Garages, Ltd., corner of Montreal and Brock streets.

WANT "SUMMER TIME" PERMANENT AFFAIR
 Bill to Make Daylight Saving Law of Land Introduced in Britain.

London, Feb. 9.—The question of making "summer time," or daylight saving, a permanent thing under the law, instead of being continued from year to year, as at present, will come up in Parliament shortly, when a bill to this end will be introduced by Sir Kingsley Wood, Conservative member of the House of Commons for West Woolwich.

Sir Kingsley's bill provides that "summer time" shall be in force year after year, beginning on the first Sunday in April and ending on the first Sunday in October.

SCHOOL TEACHER BETTER.
 The Sawmill at Poole's Resort Is Busy.

Poole's Resort, Feb. 8.—Filling icehouses seems to be the order of the day. Our school teacher, Miss A. Parcell, is recovering from a severe attack of tonsillitis, and expects to resume her school duties on Monday. The sawmill, owned and operated by John Howes & Son, is doing a rushing business this winter. Born, on Saturday, Feb. 2nd, to Mr. and Mrs. E. J. Salter a son. Mrs. Fred Buell is visiting her parents, Mr. and Mrs. Henry Lake, Gadsden.

A valuable horse, owned by Arthur Davis, succumbed yesterday to injuries received a few days ago, when it was kicked by another horse. Mr. and Mrs. E. L. Pennock are spending a few days at the home of Mr. and Mrs. C. O. Guild, Mallorytown. Mrs. Charles Andress spent yesterday and to-day visiting her daughter, Mrs. Fred McDonald, Mallorytown.
