### ISOLATION HOSPITAL IS FORMALLY OPENED

Addresses by Mayor Angrove, R. E. Kent and Others on Saturday Afternoon.

The formal opening of Kingston's new isolation hospital, erected at a cost of \$200,000, and regarded by medical men as one of the best equipped on the continent, took place on Saturday afternoon, at 4 o'clock, before a very large number of citizens interested in the work of the hospital. Addresses were given by Mayor Angrove, R. E. Kent, H. C. Nickle, Dr. J. C. Connell and Elmer Davis. Following the addresses, the building was thrown open for inspection.

Chairman Kent, of the Board of Governors, reviewed the steps taken for the erection of the hospital, stating that the city council had voted the sum of \$175,000 for this purpose. The building committee of the hospital gave the matter of plans for the new building very careful consideration. Dr. A. E. Rose, M.P., and Dr. W. T. Connell were sent to Providence, R.I., to inspect a hospital there, regarded as one of the best in America, with the result that plans were secured for the erection of a hospital here on the same lines as the one in that city.

"And after two years of consideration and thought we have this magnificent building," remarked Chairman Kent, "and I have been informed by experts that this isolation hospital is second to none. The building committee is very proud of it. Hon. Dr. Godfrey remarked when he was in Kingston a few days ago, that the hospital was perfect. It is equipped and now ready to receive patients suffering from all kinds of contagious diseases.

"The hospital belongs to the city," said Col. Kent, and turning to Mayor Angrove added: "On behalf of the building committee it gives me great pleasure to hand you the key to the hospital."

"I am pleased to accept the key of such a wonderful institution," said Mayor Angrove. He stated that an attempt had been made to remove Queen's Medical college to Ottawa and the money for the new hospital had been granted to keep the medical college here. The council at first granted \$150,000 and later on, when it was found that an additional \$25,000 would be required, the council readily granted the amount. "I wish to express on behalf of the citizens our thanks to Queen's University board and to the board of governors of the General Hospital for their co-operation and help. We are proud of this hospital. It cost a great deal of money, an expenditure each year of \$15,500 to take care of interest and principal. It means one mill on our tax rate, but I think it is worth it. If we are to take care of the health of our citizens, we must provide facilities for it."

Mayor Angrove stated that the provincial health officer gave the local medical health officer the right to say if a child should go to the hospital, and that the local medical health officer would act on this authority. In this way it was hoped to do away with a great deal of disease. He asked for the co-operation of every citizen.

Mayor Angrove then returned the key to Chairman Kent, chairman of the board of governors and congratulated Col. Kent and H. C. Nickle on their work in connection with the new hospital. Mr. Nickle represented the city council on the building committee.

Chairman Kent accepted the key to the hospital, stating that every effort would be made to conduct the hospital on the terms laid down by the council. He expressed the hope that the work of the hospital would be carried out to the entire satisfaction of the people of Kingston. Mr. Kent also stated that in the course of a few days, thirty patients would be removed to the new hospital.

H. C. Nickle thanked the city council for having put him on the building committee. He referred to the many warm words of recommendation given the hospital.

Dr. J. C. Connell paid tribute to the work of Dr. Ross and Dr. W. T. Connell in the securing the plans

### THE WHOLE FAMILY WAS LAID UP WITH SEVERE COLDS

On the first appearance of a cough or cold our advice to you is to get rid of it before it has a chance to grow worse; gets settled on the lungs, and causes bronchitis, pneumonia or other serious lung troubles.

Dr. Wood's Norway Pine Syrup will immediately relieve the cold or cough on its inception.

Mrs. David Ayres, Kearney, Ont., writes: "Our whole family was laid up with severe colds, and we didn't seem to be able to get any relief from anything we used until, one day a friend came in and told me we would be sure to get rid of our colds if we used Dr. Wood's Norway Pine Syrup. I decided to take her advice, and in no time our colds were all gone.

Now, knowing the value of your remedy, we will always keep it on hand so as to have it in case of emergency."

Dr. Wood's Norway Pine Syrup is 25c. a bottle; large family size 60c.; put up only by The T. Millburn Co., Limited, Toronto, Ont.

and the designing of the building. Mention had been made of the fact that the city had voted the money for the hospital in order to keep Queen's Medical college in Kingston. This he said was but secondary, as the real reason had to do with the needs of Kingston. Everyone realized the great need for such a hospital in this city.

Elmer Davis, as president of the Board of Trade, spoke briefly, stating that the citizens were proud of this magnificent building. It is of interest to note that Kingston material was used in its construction and that the labor employed was local labor to a very large extent.

### IF FIELDING RETIRES.

James Stewart, of Winnipeg, May Enter Cabinet.

Winnipeg, Feb. 11.—Rumors were current in political and grain circles here today, according to the Manitoba Free Press, that feelers have been sent out to ascertain whether or not James Stewart, president of the Maple Leaf Milling Company, and head of several line elevator companies, would consider entering the Dominion Cabinet should Hon. W. S. Fielding be forced to retire owing to ill-health.

Should the indirect overtures, which it is understood are being made at the present time, be successful, Mr. Stewart would likely be asked to take over the Department of Public Works.

B. K. Gunn was appointed at the last meeting of the county council a high school trustee for Almonte for three years.

### DROP IN PRICE OF HOGS WORRIES THE FARMERS

The Present Price Delivered at Napanee Is \$7.75 a Hundredweight.

Napanee, Feb. 11.—The drop in the price of live hogs is causing a good deal of dissatisfaction amongst the farmers in this district and many are considering the advisability of going out of the hog business and devoting their energies to more lucrative branches. The present price of live hogs delivered at Napanee is \$7.75 per cwt., and it is claimed that this price barely covers the actual cost of production; or at best leaves only a trifle over to be credited to the account for the labor involved. One farmer says he paid thirty dollars for nine young pigs and to get them ready for the market he fed them all the separator milk they could take and bought four tons of feed for them. After comparing the amount of money he received for his nine hogs with the amount he had outlayed for bringing them to marketable condition he found he had only a balance of two dollars to pay for the labor expended.

Annie May, daughter of Mr. and Mrs. Frank F. Ford, Mill street, died on Thursday, 7th instant, aged twenty-one years. Funeral services were held at the church of St. Mary Magdalene on Saturday afternoon and the remains conveyed to the Napanee cemetery.

Harry E. Smith, of F. W. Smith & Bro., is seriously ill at his home on Bridge street.

Miss Grace Boyes, John street, is on the sick list. Last night her condition was reported to be decidedly better.

Herbert Daly was the host at a most enjoyable dinner and bridge party on Friday night.

Miss Gandier, Newburgh, is spending a few days in town as the guest of her sister, Mrs. James Thompson, Richard street.

Dr. R. A. Leonard's many friends will be pleased to learn that the state of his health is much improved.

### GANANOQUE

Feb. 11.—C. C. Lee, Oshawa, was in town for the week-end. The Bell Telephone Company has placed in their local office window a newboard for the use of the general public.

Mr. and Mrs. Harold Valleau motored to Kingston on Saturday.

Mr. and Mrs. H. S. Campbell and Miss Bessie are spending the week in Ottawa.

Fred Mooney, Lottie Henderson, T. Chapman, D. Gammon, Mrs. D. M. Rogers were in Kingston on Saturday.

John Lemmon, O. Gaines, Kingston, were in town over the week-end.

Mrs. F. J. Skinner entertained a number of young people at

bridge on Saturday evening.

Mr. and Mrs. W. B. Mudge were in Kingston, on Saturday.

Born to Mr. and Mrs. Clinton Barlow, Delora, a son, Mrs. Barlow was formerly Eva Sheets.

Mr. and Mrs. Harold McCorney left yesterday for Tweed. Mrs. McCorney will remain two weeks.

Mrs. Maude Green entertained at a large euchre on Friday evening.

### Old Folks Need Mild Bowel Tonic

And Should Avoid the Use of Harsh Pills and Drastic Purgatives.

Old people, no matter how sound and healthy, should avoid cathartic pills, purgative water, salts and all such temporary relief measures. They ease conditions to-day but bind you up worse than ever to-morrow.

It is better to get bowels into the habit of performing their normal function at a certain time each day and this can be done by strengthening the muscles of the stomach and bowels by the tonic action of Dr. Hamilton's Pills, a mild laxative that acts in close to nature's way as possible.

Thousands of people, old and young, prevent and cure habitual constipation by using Dr. Hamilton's Pills, a mild yet active medicine that is noted for its promptness in curing headaches, belching gas, sourness in the stomach, fullness after meals, liver soreness and muddy complexion. You'll have the best of health, feel good, eat well, digest and sleep well if you regulate the system by Dr. Hamilton's Pills of Manufacture and Butternut, 25c. per box at all dealers or by mail from The Catarrozone Co., Montreal.
